

TO ALL BRAVE, HEALTHY, ABLE BODIED, AND WELL
DISPOSED YOUNG MEN,
IN THIS NEIGHBOURHOOD, WHO HAVE ANY INCLINATION TO JOIN THE TROOPS,
NOW RAISING UNDER
GENERAL WASHINGTON,
FOR THE DEFENCE OF THE
LIBERTIES AND INDEPENDENCE
OF THE UNITED STATES,
Against the insidious wiles of foreign influence.

TAKE NOTICE,

THAT every young man who is desirous of becoming a Soldier in the Army of the United States, should be prepared to join the TROOPS, NOW RAISING UNDER GENERAL WASHINGTON, FOR THE DEFENCE OF THE LIBERTIES AND INDEPENDENCE OF THE UNITED STATES, Against the insidious wiles of foreign influence.

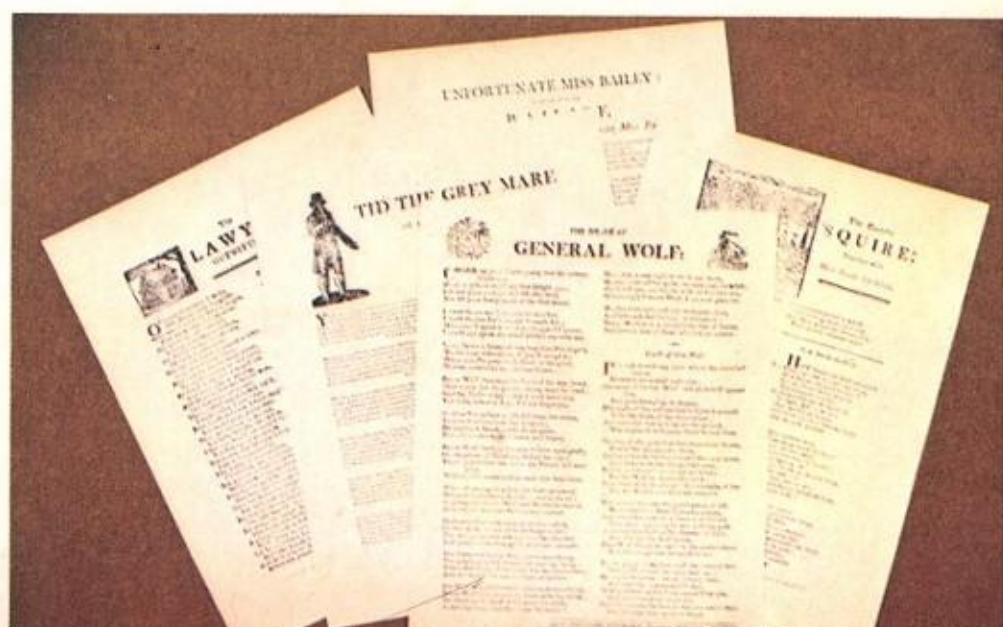

George Washington
President of the United States 1789-1797

EXCERPTS FROM GEORGE WASHINGTON

"Knowledge is to every country the surest
basis of public happiness."
(First Annual Message to Congress,
January 8, 1790)
"Let us keep alive in our breast that
little spark of celestial fire called con-
science."
(In Washington's early speeches, 1781.)
"Liberty, which is justice to take root, is a
plant of rapid growth."
(1786)

"I do acknowledge the United States of
America, to be free, independent and
sovereign states, and declare that the
people thereof are an original and
independent people, and that they are
entitled to all the rights and liberties
which are inherent in all free men."
(Oath of Allegiance at
Valley Forge, 1778)

"Now, standing I do recommend and
advise that the 22nd day of November
next to be observed by the People of these
States, that we may then all unite in
celebrating our liberty and
independence."
(First Presidential Thanksgiving
Proclamation, City of New York,
October 3, 1789)

Allan Marangoni

Glen,
You're a really nice girl
who's contacted a good
friend. Don't ever forget
the good times we had
at church time last year.
Most of all, all
the fun with sister
in the study hall,
the long wait with
the good but
we had through
some of the worst
times. I don't want
to forget you. R.M.A.
Theresa

Glenda,
To a nice
always remember
all our fun times at
& here at C.C.H.S. Good luck
in all you do. Be Good!

Love,
Carol

ALMA MATER

When school days long are
 past,
 And memories shall last,
 Then we will cherish thoughts
 of yesteryear.
 And pleasant they will be,
 When e're we think of thee,
 Dear Alma Mater know our
 loyalty.

Sing ye of Central, sing:
 Hail to thee.
 Thy name is liberty,
 truth, morality.
 Wave true ye blue and gold;
 March on Crusaders bold.
 Vict'ry will then enfold
 Central High.

me!
 I love R/M/H.
 I hope you don't
 forget you. And
 I will never
 change the year
 to Bad were not
 even (forgotten?)

I am not a nice person as I will not
 write something nice to you. (ha)
 But I really like you a lot of always have
 fun when were in the same class together.

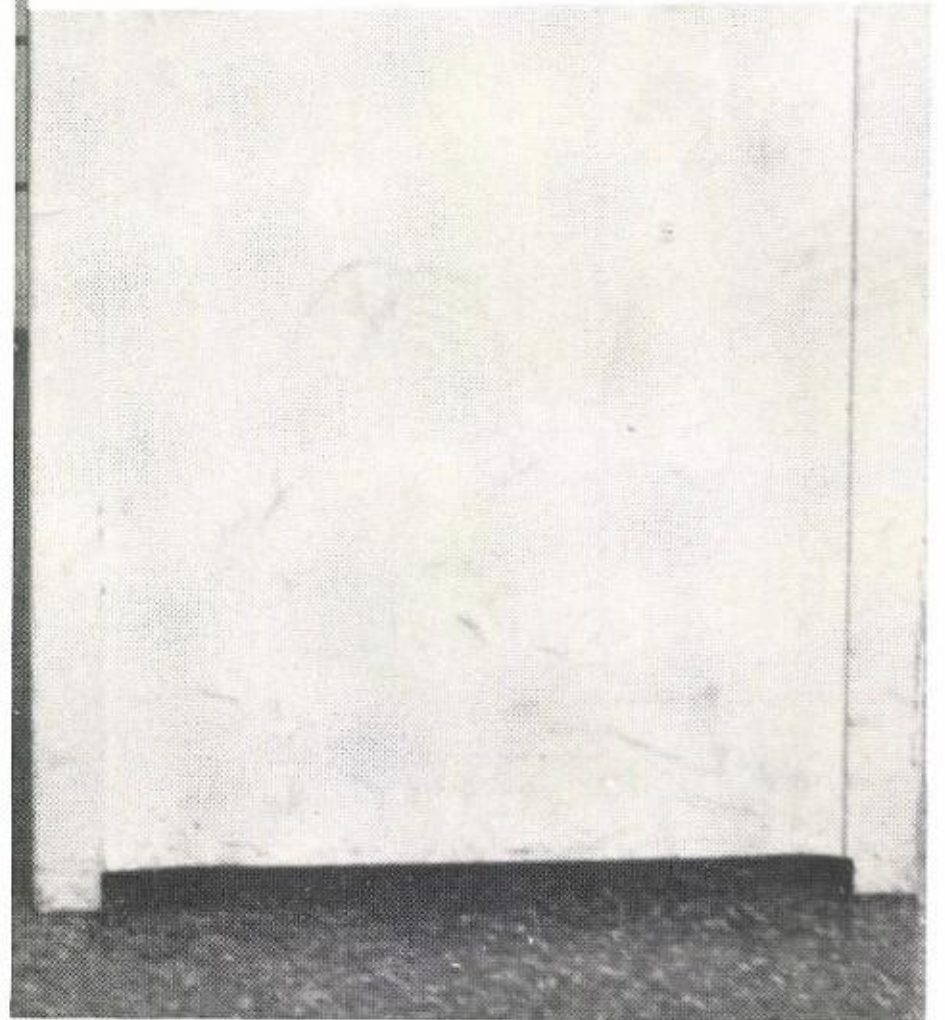

Glenda,
 to a girl I really
 go to know too well
 but I hope we could
 become pretty good
 friends by the end of
 this year.
 Be good
 you do and I will too.
 Glenda,
 Always,
 P.S. Remember
 me always

To Glenda,

We came from many places . . .

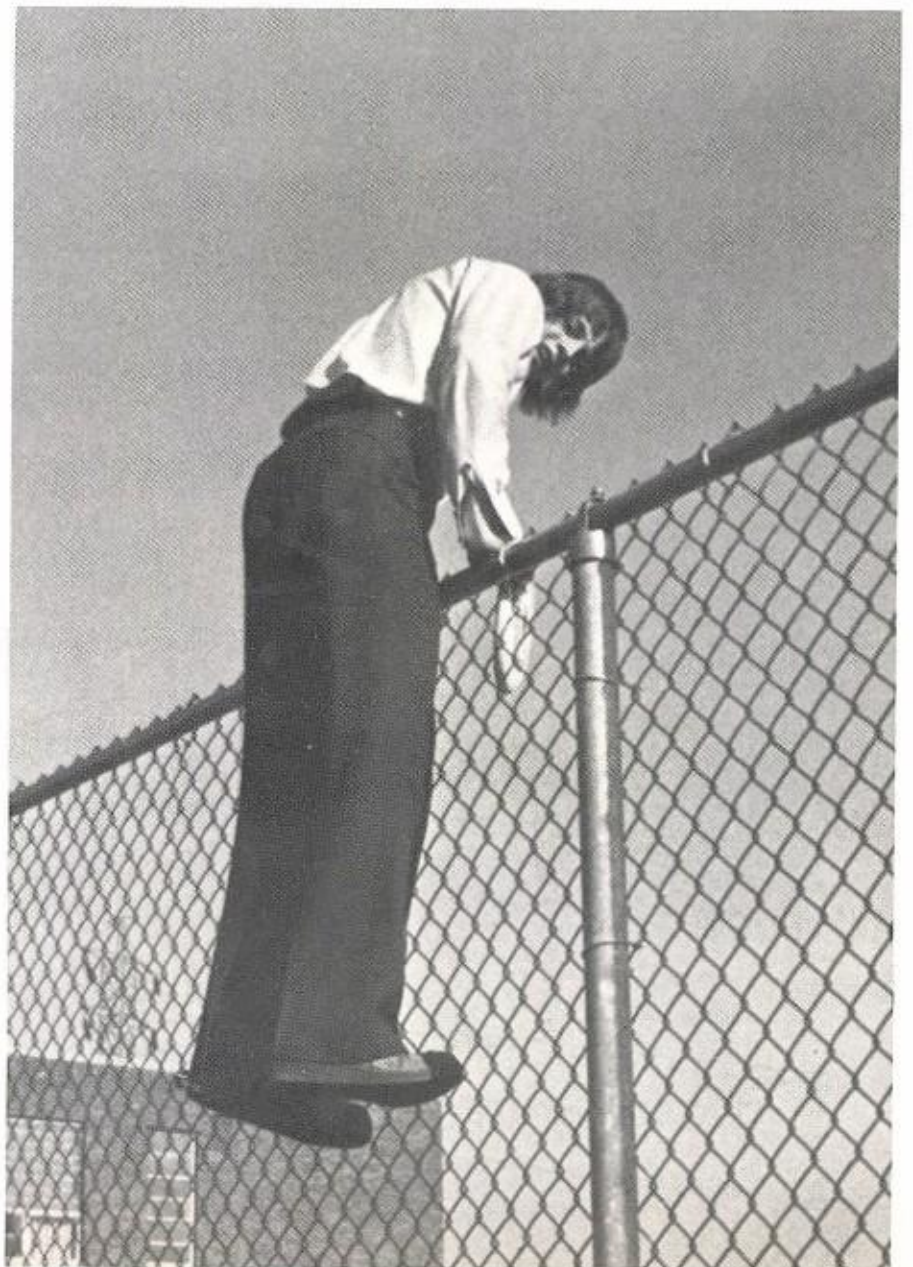

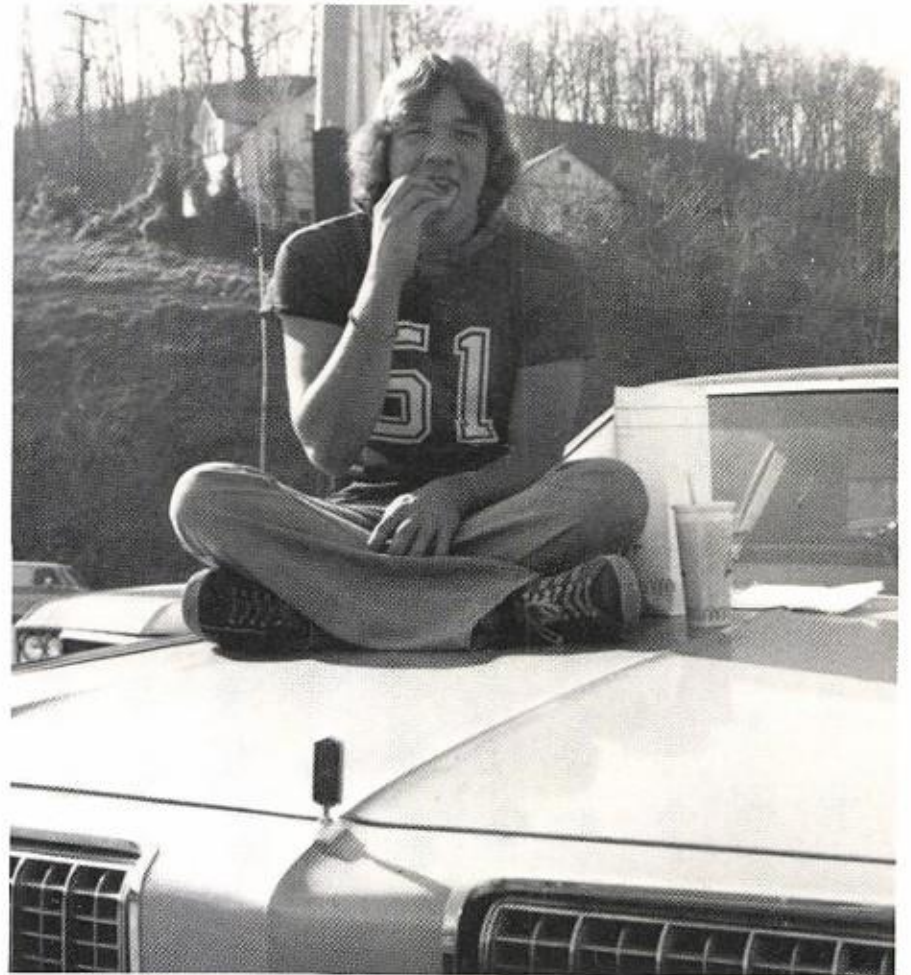

Glen

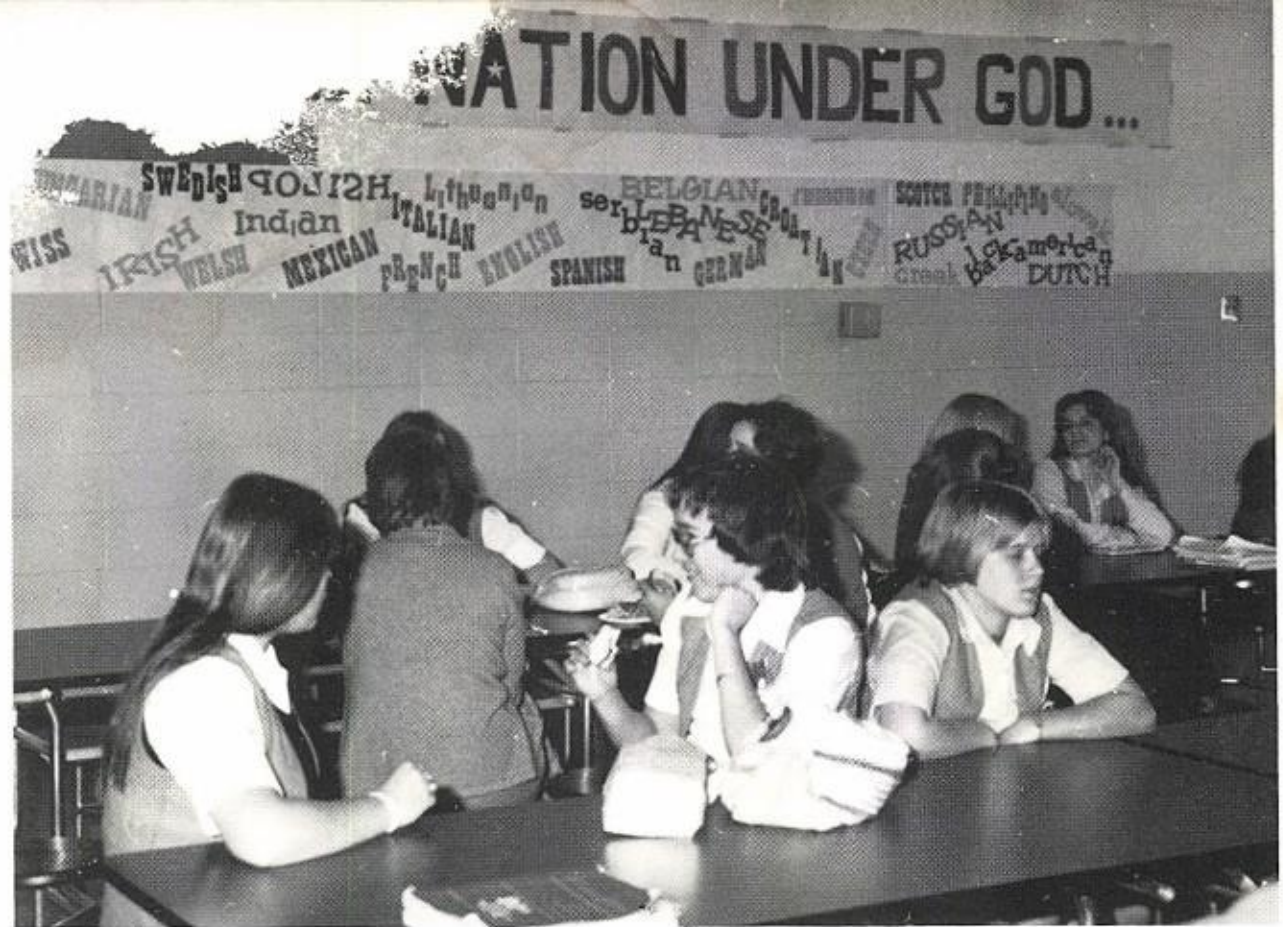

as individuals

thankful
for
freedom

and greatly enriched

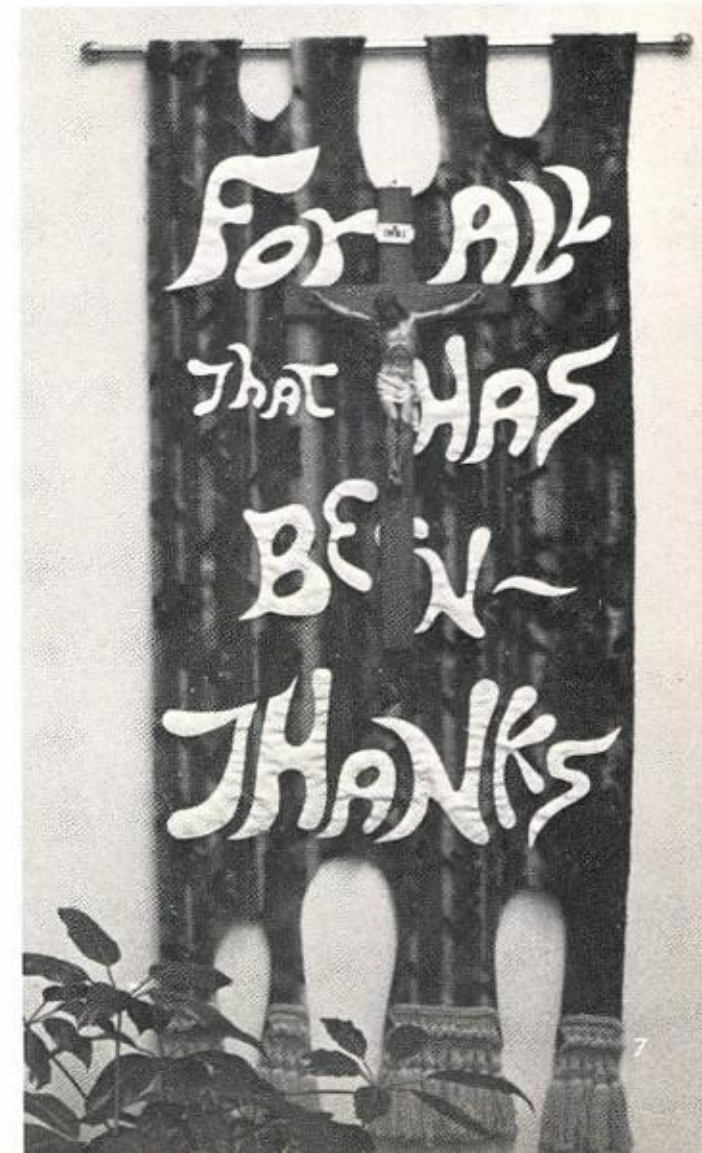

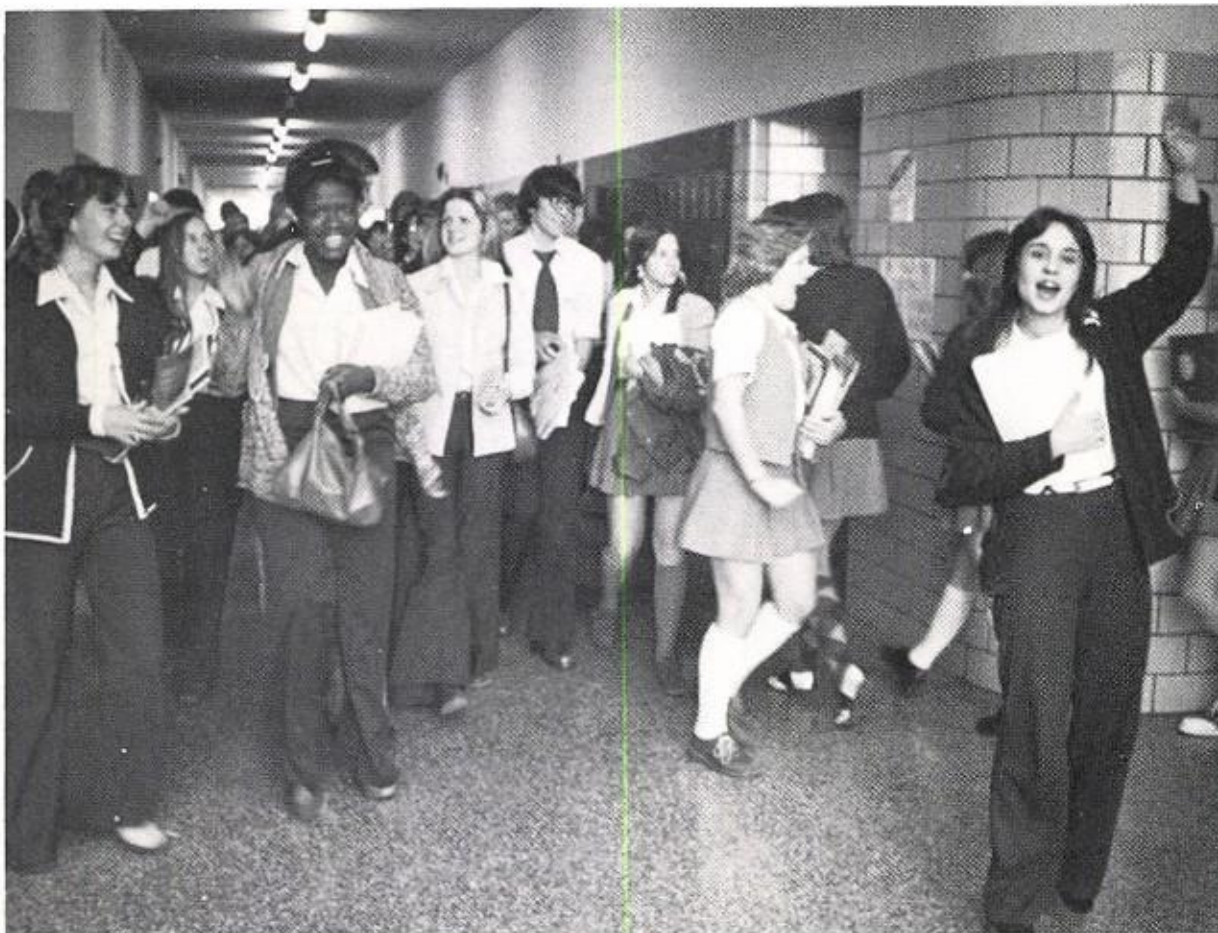

we go forward along life's paths.

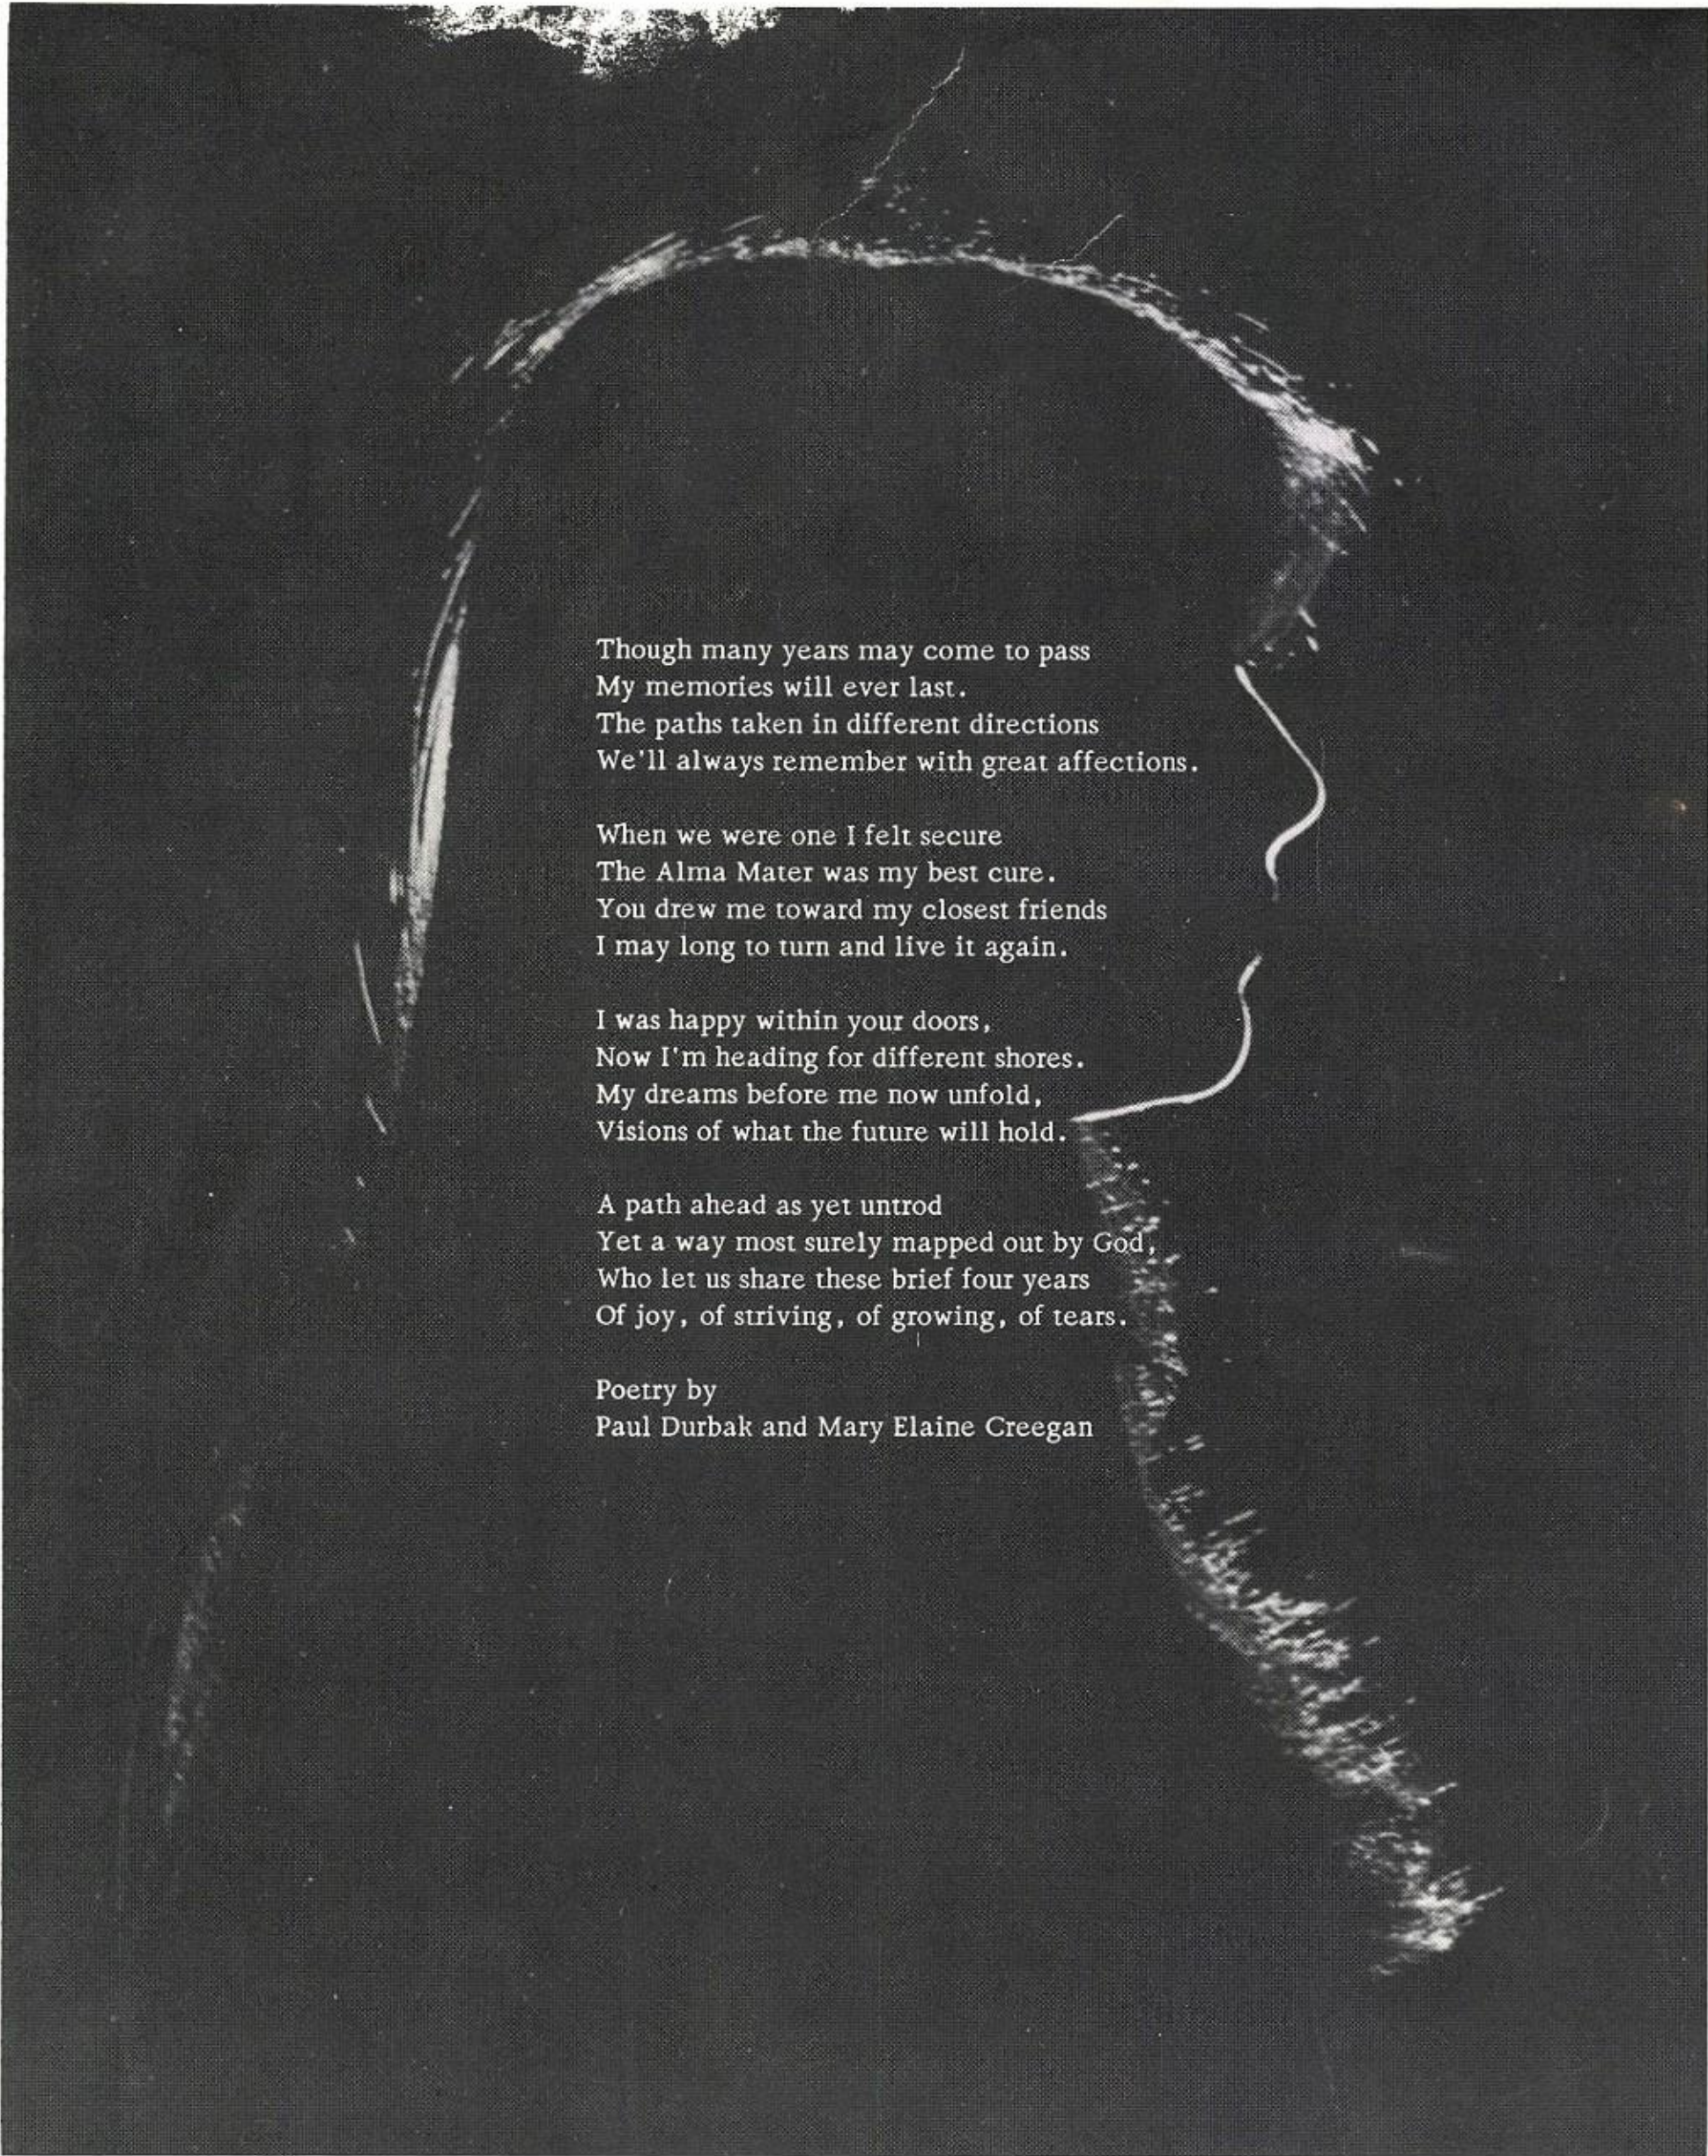

We came from many places; each one of us with different ideas. We came together as individuals in our search for meaning. We came knowing few, but we have since met many. We were fearful at first to express our ideas, but as we grew, we were freed from our inhibitions. Thus, we were able to speak freely as we became inspired by many. We came loosely bound, but in a common search, we grew tighter and cherished our friendships more and more.

As we united together at CCHS, so, too, did the founders of our nation. Having come from many places and pursuing many ideals, these men and women built a strong foundation from which a great nation came. But this was not easy for them. They experienced defeat many times, but never gave up.

These struggles give us new hope and encourage us to follow in their footsteps, as we come together seeking many goals and suffering many defeats. During the years, times came when we were down-trodden, but the spirit of life was to be found among us. We rose above human weaknesses, and mortal defeats were unable to stop us from pursuing our direction of moving ever onward. Triumphantly, we moved down the pathways of victory and accomplishment. Now, enriched by our many friendships and experiences at Central, we continue to go forward along life's many pathways.

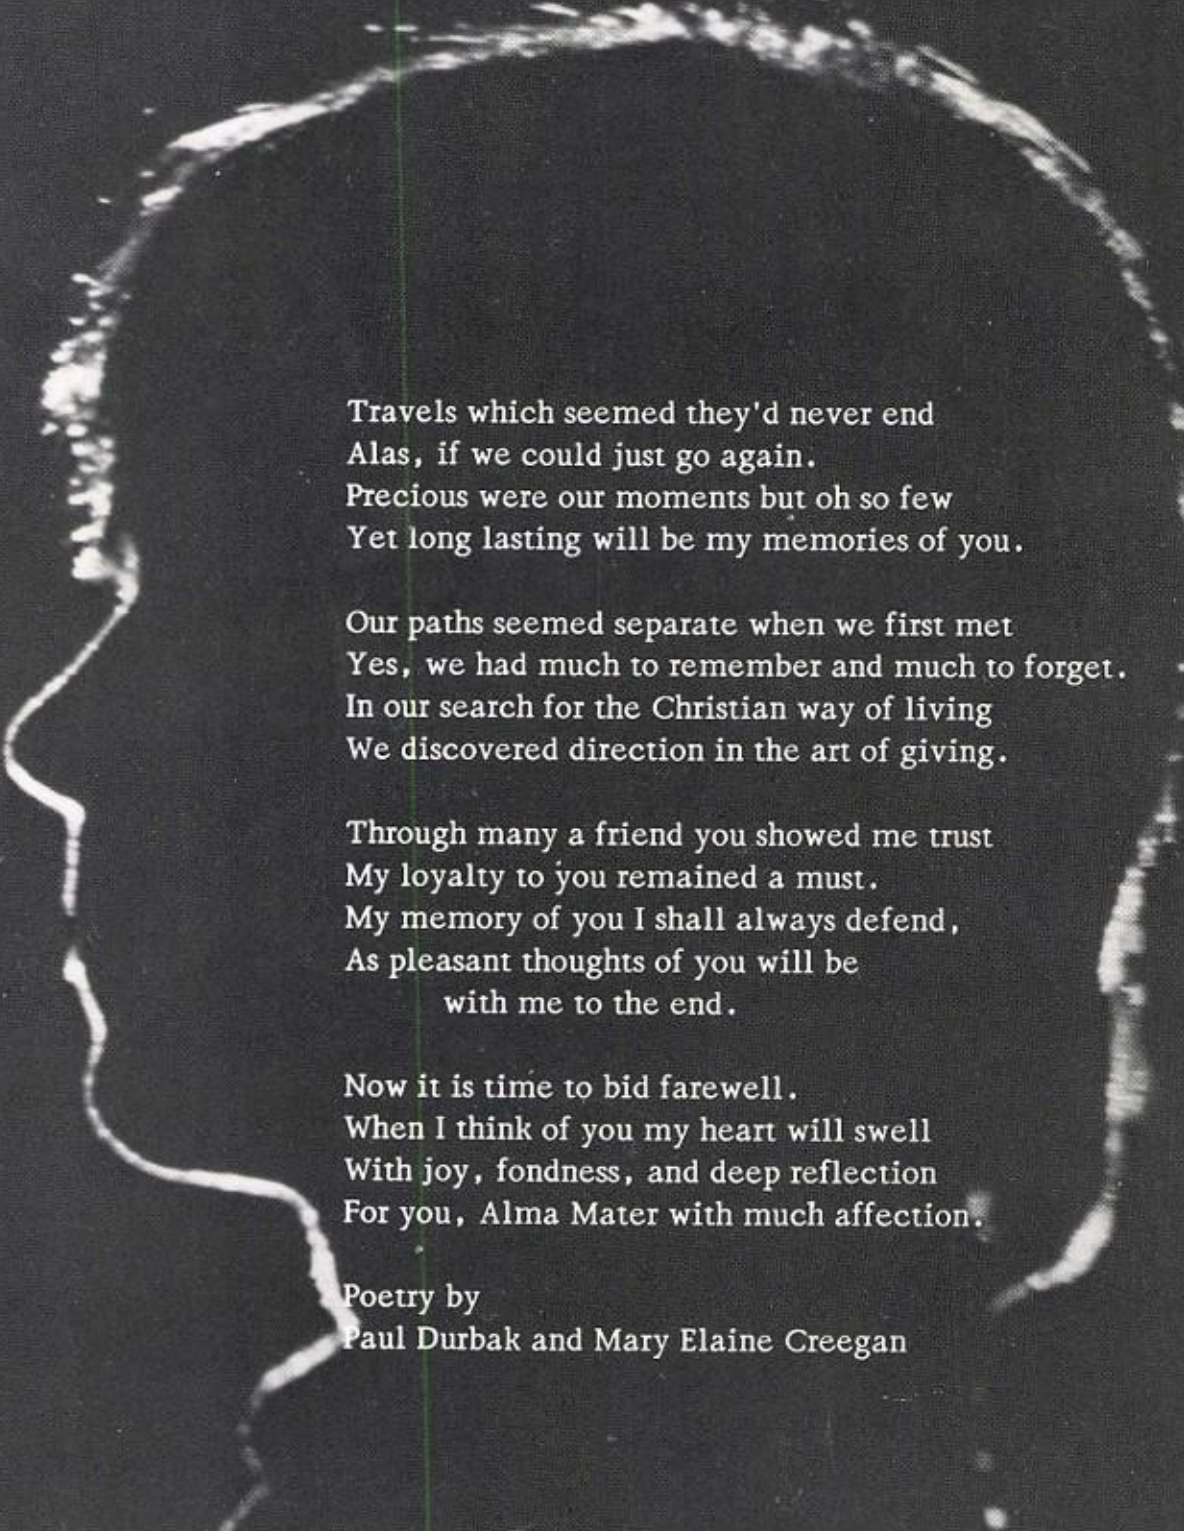

Though many years may come to pass
My memories will ever last.
The paths taken in different directions
We'll always remember with great affections.

When we were one I felt secure
The Alma Mater was my best cure.
You drew me toward my closest friends
I may long to turn and live it again.

I was happy within your doors,
Now I'm heading for different shores.
My dreams before me now unfold,
Visions of what the future will hold.

A path ahead as yet untrod
Yet a way most surely mapped out by God,
Who let us share these brief four years
Of joy, of striving, of growing, of tears.

Poetry by
Paul Durbak and Mary Elaine Creegan

Travels which seemed they'd never end
Alas, if we could just go again.
Precious were our moments but oh so few
Yet long lasting will be my memories of you.

Our paths seemed separate when we first met
Yes, we had much to remember and much to forget.
In our search for the Christian way of living
We discovered direction in the art of giving.

Through many a friend you showed me trust
My loyalty to you remained a must.
My memory of you I shall always defend,
As pleasant thoughts of you will be
with me to the end.

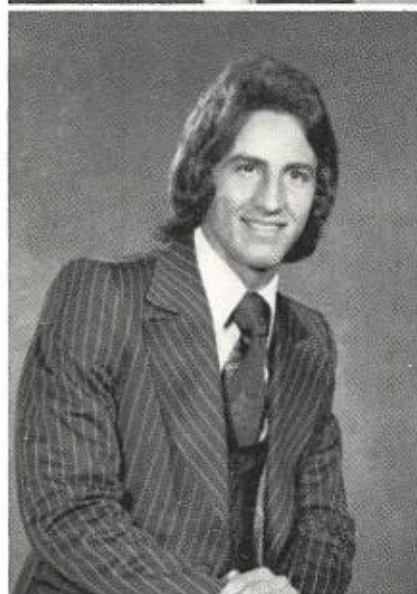

Now it is time to bid farewell.
When I think of you my heart will swell
With joy, fondness, and deep reflection
For you, Alma Mater with much affection.

Poetry by
Paul Durbak and Mary Elaine Creegan

faith, constant hope, and shared
love
- . . . unforgettable memories and
certain regrets
- . . . at the end of a twelve year
journey and at the beginning of
a much larger one

JUNIORS EARN RESPECT

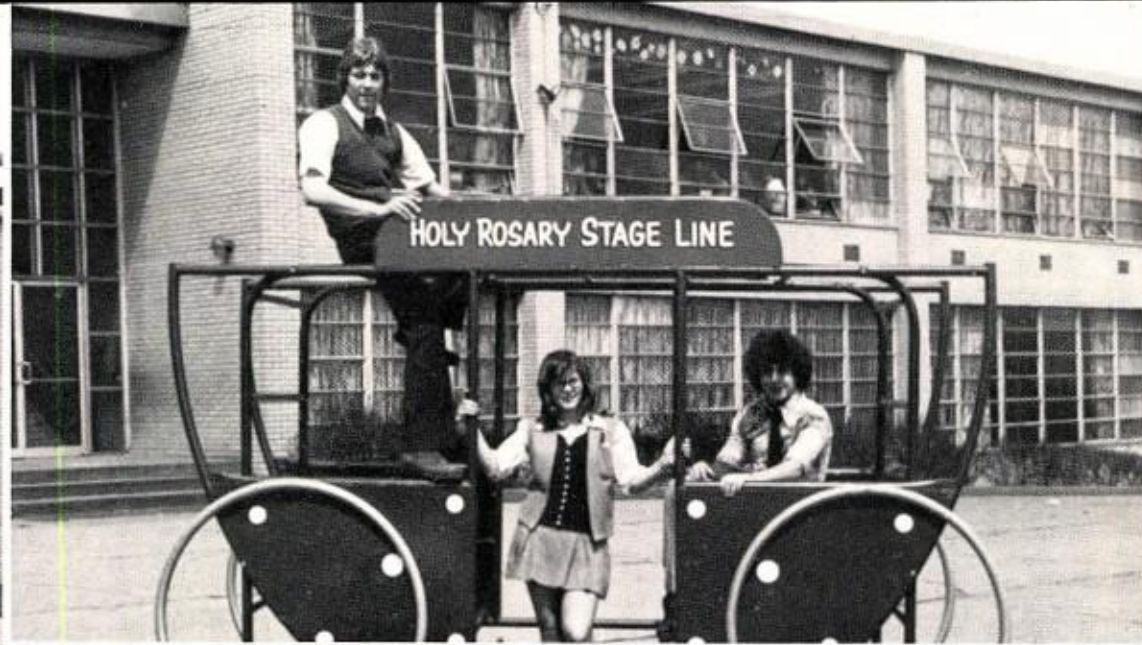

JUNIORS:

To a junior comes the dawning of responsibility and the fading of unawareness. Some are ready to take over large capacities while still others are not yet ready to overcome unexpected difficulties.

We are not what we were when we came in as freshmen, but by the same token, we are not what we will be when we are seniors.

SOPHOMORES:

No longer is he an underclassman. But neither is he yet an upperclassman. A Sophomore is OUR middle classman who seemingly belongs nowhere and wants to be everywhere.

He approaches the steps of learning with boldness, pride, confusion and self-assurance. We can't do without him but we don't always know what to do with him for he holds true to his name, "wise fool."

N.H.S.

"... to maintain my high scholastic standing, to hold as fundamental and worthy an untarnished character, to endeavor intelligently and courageously to be a leader, and to give myself freely in service to others."

These words of the National Honor Society pledge embody the four cardinal principles which characterize each of the 102 members of the CCHS chapter. Under the direction of Sister Dennis, the members, as always, seek to fulfill their role as a service organization in both the school and the local community.

This year's fund-raising activity, a citrus fruit sale, successfully provided monetary support for some of the service activities. These activities included: Christmas-caroling to the aged, donating fruit to the poor, ushering for choral concerts, collecting for the March of Dimes, providing a public relations brochure and acting as guides for Progress Night, assisting with the course description booklet, decorating the office and lobby for Christmas, making candy Santas and trees for the administration and office personnel, and purchasing a state flag, new flag poles and stands for Lanman Hall.

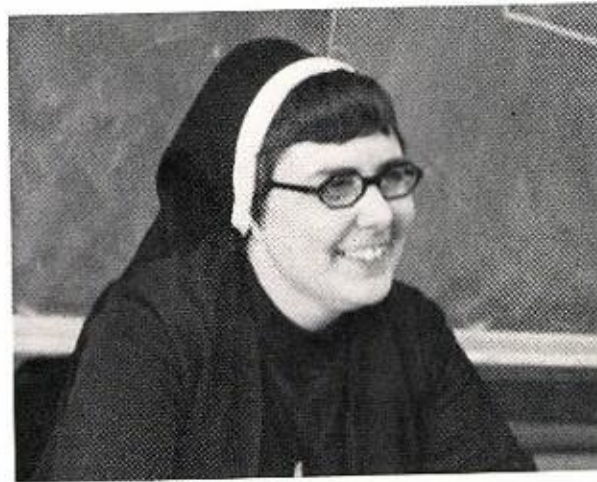

The highlight of the year's activity was the annual Induction Ceremony held February 2. Guest speaker was Reverend Michael Scanlan, President of the College of Steubenville. Master of Ceremonies, Rick Habash, added his personal touch to the evening with his extemporaneous acclamation of Rudy Marcozzi's piano solo. Most memorable, however, was the presentation of a red rose by each Senior member to his/her parents, symbolic of love and appreciation.

STUDENT COUNCIL

In the beginning before the '75-'76 school year began, there were new Council Officers with a new administration, and great expectations hovered over the two governing bodies. "Let there be direction and there was" - moderators Father Campbell and Father DiRenzo. "Let there be activity and there was" - summer dances, compiling of Student Handbook, used bookstore for students. "Let school begin and it did" - Opening Day Mass prepared by Officers. "Let there be representation and there was" - each homeroom elected their best. Thus, the government was complete and work could continue to progress. "Let there be special changes and there were" - school announcements by Council Officers, opening and closing of assemblies by Council President, variety in lunch menus, scheduled monthly meetings, campaigning for Class Officers, the office of S.C. Treasurer for '76-'77, pop machine until students desired otherwise, Charity Ball becomes Sweetheart Dance, hair length for boys changed, openness, trust. "Let there be diversity and there was" - "Mercury Concert," "The Me Nobody Knows" and other assemblies. "Let there be difficulties and there were" - talent show cancelled due to insufficient student response, cafeteria inconsiderateness, rest room disorder, low enthusiasm. And so Council rested from its '75-'76 labors and the students saw that it was good!

The '75-'76 Student Council Officers were Mark Gallo, (Pres.), Diana DeStefano, (Sec.), Rudy Marcozzi, (Vice-Pres.).

As Student Council President, one of Mark Gallo's daily duties was making announcements.

A Victory for Miller

After months of long and tiring pre-season drills, double and triple sessions, the Crusaders were ready to face their first test of the '75 season, Carrollton. Coach Warren Miller made his debut a winning one by defeating the Warriors 23-0. The initial big play that led to our first score was a 57 yard pass from Mantica to Ulasiewicz, who was finally brought down at the six. Three plays later Franco Rea scored from one yard out. The extra point attempt failed. A fumble recovery at the 17 by Jason Thorn led to our second score when Dugan sprinted in from the 13. Donnelly's kick was good, putting the Crusaders in front 13-0. A booming 53 yard punt by Dino Scott late in the second quarter had Carrollton trapped deep in their own territory at the five yard line. The defense held and the Warriors were forced to punt. Thorn received the punt at the Warriors 36 and returned it to the 13 yard line. Two plays later Thorn broke outside and into the end zone for the third Crusader touchdown. Donnelly's kick was again good, giving the Crusaders a comfortable 20-0 lead. With one second in the half, a field goal capped the score after a fumble by Carrollton. The defense did its job, holding Carrollton to only 18 yards in the air and 62 yards on the ground.

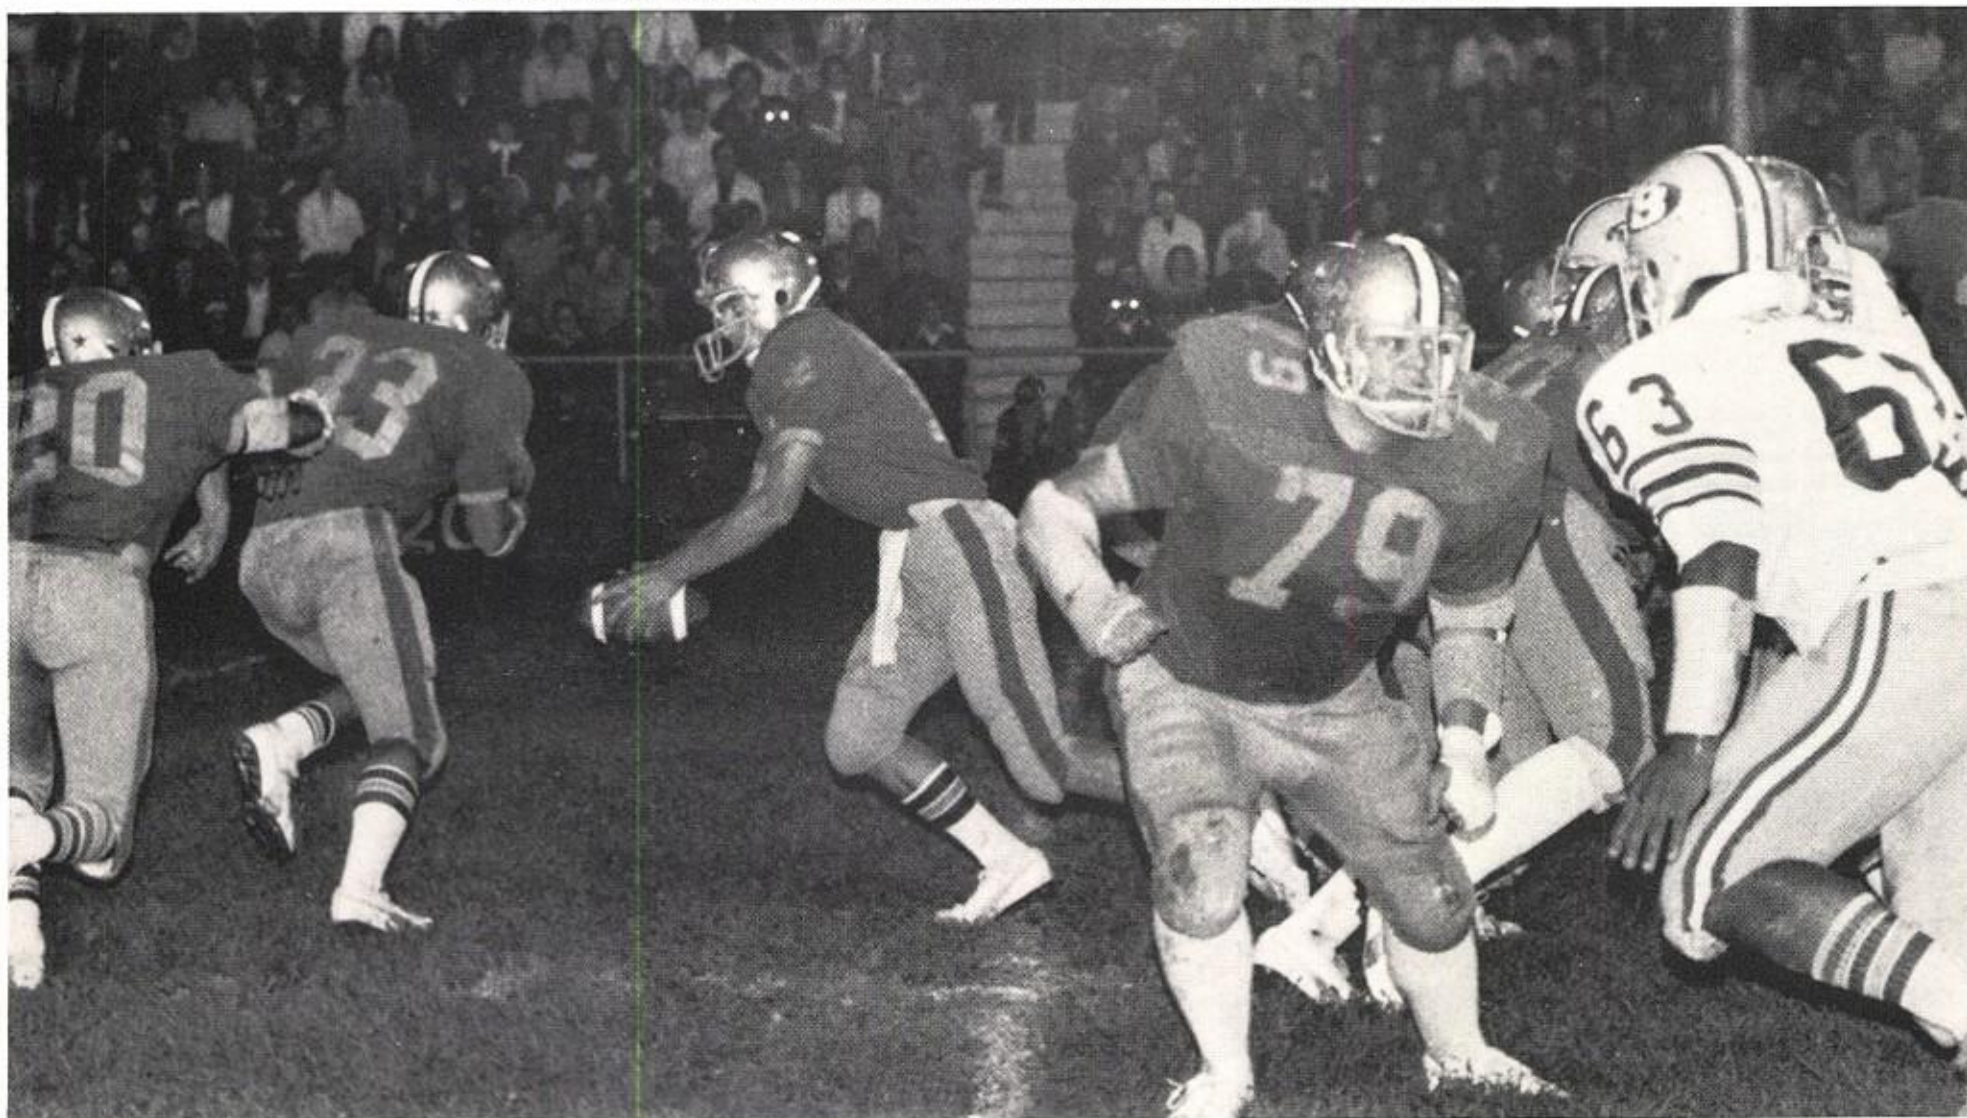

In their second game of the season the Crusaders ran up against a highly regarded Bruin team. Brooke took a 7-0 lead in the first period on a 51 yard dash. After missing two field goals, Central came fighting back. With 3:10 left to go in the quarter, Andy DiPalma intercepted a pass. Faced with a fourth and 12 situation, a screenpass was thrown to Thorn who eluded several tackles to race in for the touchdown. In the beginning of the fourth quarter a fumble recovery led to a touchdown and two point conversion for the Bruins. Central's attempted comeback fell short, the score - 15-7, Brooke.

Blue and Gold Never Quit

With a 1-1 record we went into the Wintersville game with much enthusiasm. Our hopes were soon shattered when Doug West's one yard run capped a scoring drive for the Warriors late in the fourth period to beat us 7-0.

The Blue and Gold went to East Liverpool to face the unbeaten Potters. The Potters took a 12-0 lead in the first quarter and later increased it to 33-0. Our only score came with minutes left to go in the fourth period when Donnelly recovered a fumble at the Potter nine. Three plays later Dugan crashed in from the two. The extra point attempt failed and the game ended 33-6, East Liverpool.

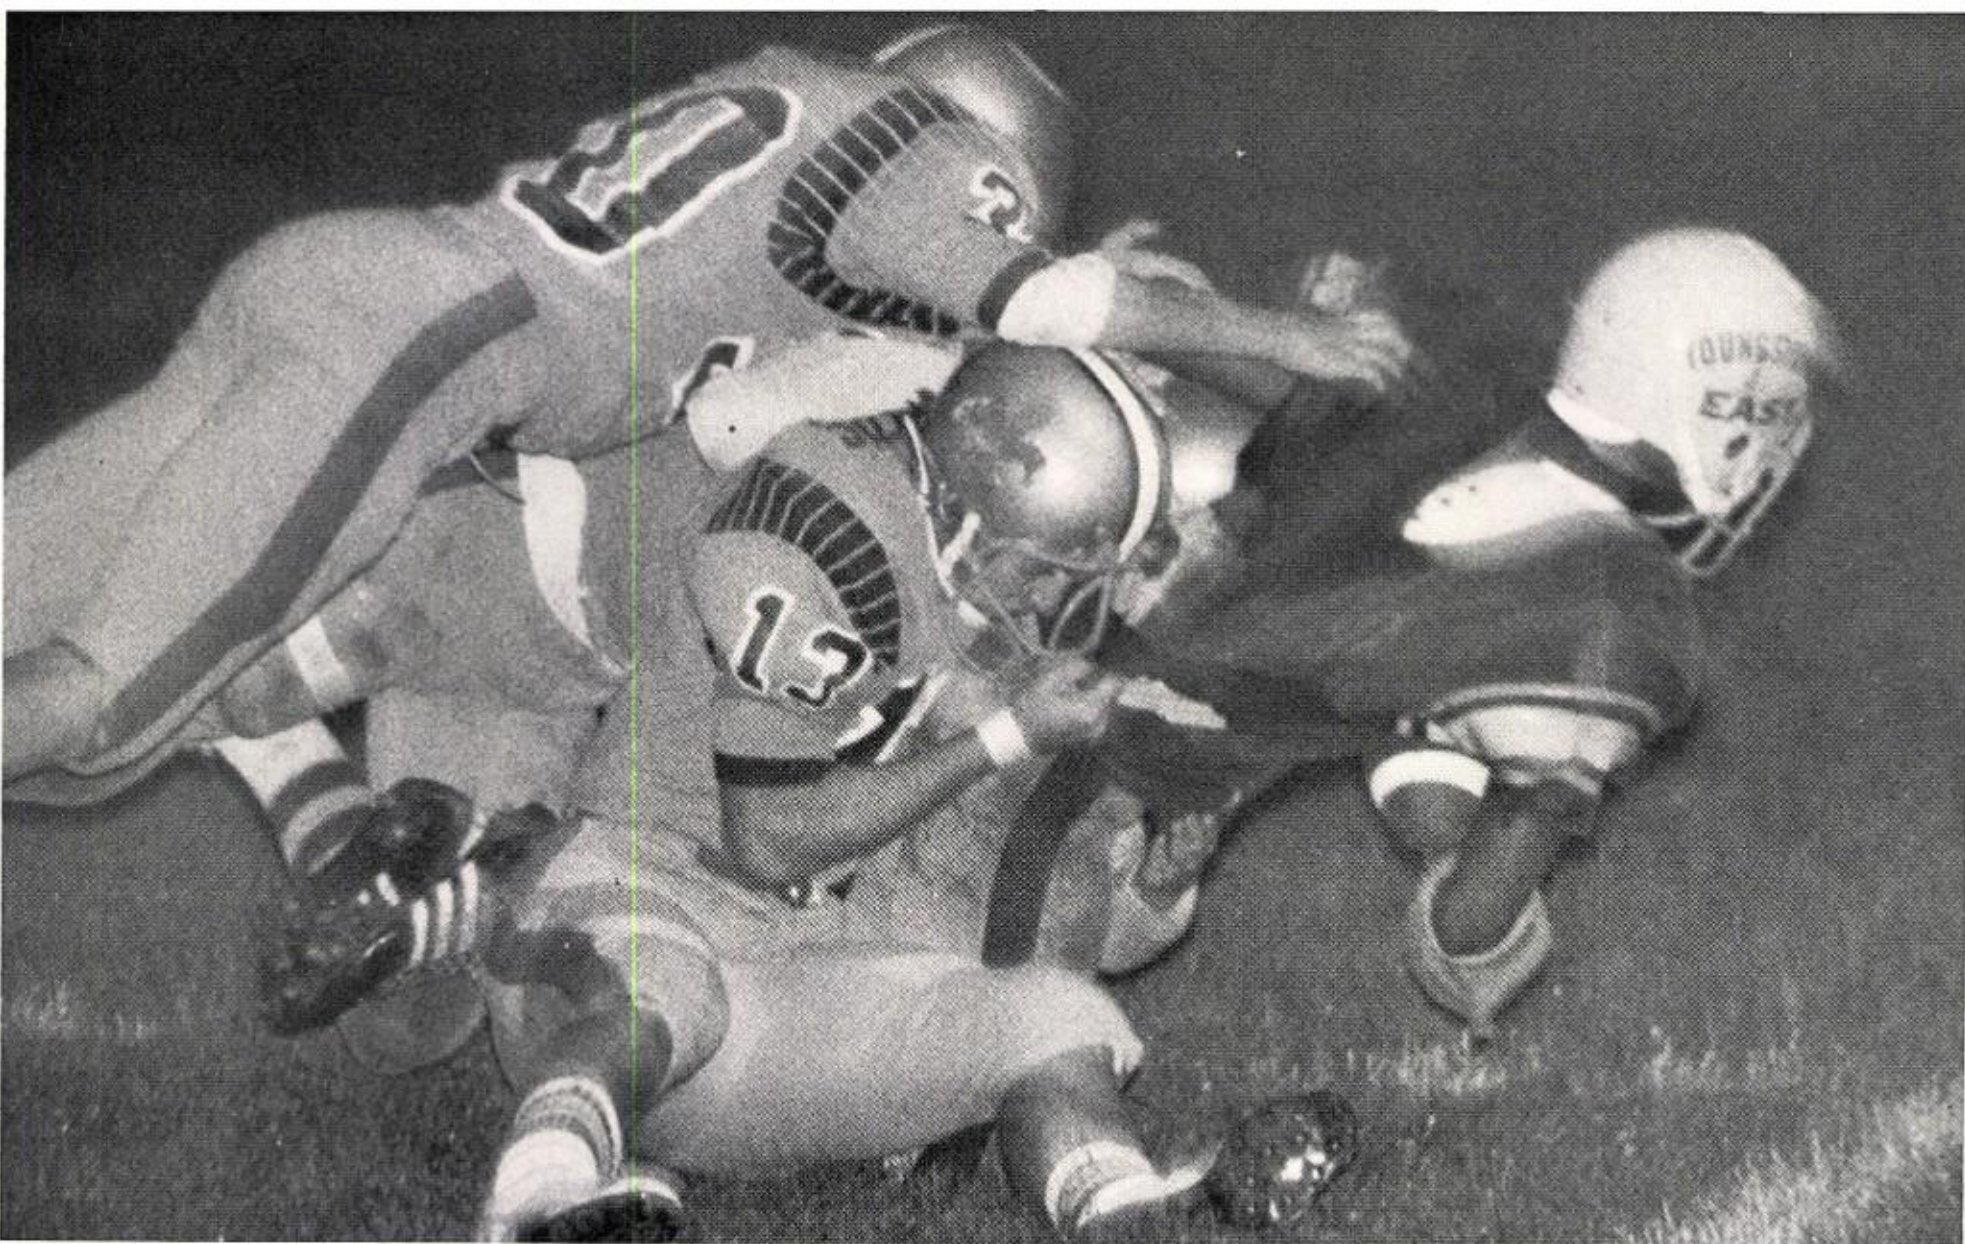

The Crusaders were the victors in the Homecoming game against Youngstown East, 35-6. Central jumped to a 7-0 lead in the first quarter when Dugan stormed in from the one to score. Both Thorn and Rea scored from three yards out to give us a 21-0 halftime lead. In the third period East scored for six but the Crusaders just couldn't be stopped as Dugan sprinted in from the 38 to increase our lead, 27-6. Central wrapped up their scoring game late in the fourth period when Vitlip scored from two yards out.

After a pleasing Homecoming victory we set out to meet Bellaire. We established an early lead when a fumble recovery by Colalella led to a field goal by Donnelly. Our lead diminished when Bellaire compiled a total of 22 points in the second half to beat us 22-3.

Crusaders Lose City Championship

The stands were filled with excitement as the Crusaders met Big Red in the 33rd Annual City Championship. Pride and desire were two key factors in the battle between the two rivals. At the end of the first period Big Red had an 18-0 lead but Mantica completed a 54 yard pass to Dugan and a play later scored from a yard out to make the score 18-7. In the second period Big Red retaliated with two more touchdowns to make it 33-7. Mantica scored again before the half to make the score 33-13. In the third quarter Big Red increased their lead, 40-13. Andy DiPalma capped the Crusaders scoring for the night with a 45 yard punt return to make the final 40-19, Big Red.

Squeakers Close the Season

In their sixth game of the season Central faced Louisville Aquinas. Aquinas led at halftime 20-0 and increased it to 40-0 midway through the fourth quarter. Central's only score came with second to go in the game. Dugan broke a tackle and scored from the 21 to make the final 40-7, Aquinas.

A huge throng gathered at Harding Stadium as the Red Knights and Crusaders clashed on the gridiron. Toronto got on the board first with a touchdown drive in the first quarter. After a scoreless second period, Toronto again hit paydirt with a two yard burst in the third quarter. In an unforgettable fourth quarter, Central took a 15-14 lead on a 60 yard punt return by Steele and a one yard run by Orsini with a two point conversion on a pass from Orsini to Ulasiewicz. Heartbreak and tears were to follow as Toronto booted a field goal with seconds to go in the game to snatch a victory from our grasp. Final - 17-15.

Central wrapped up the season against a fighting Youngstown North team. The Crusaders got on the board when Mantica hit Steele with a 50 yard pass. Steele raced down the sideline and in for the points. Donnelly's kick was good and Central led at the half, 7-0. This lead didn't last long when North intercepted a pass deflection and ran it back for a score. North got a two point conversion to put them on top and then held on for an 8-7 victory.

Reserves on the Go

The reserve football team coached by Mr. Stewart and led by quarterback Anthony Orsini, had a 1-4-1 season. Despite their poor record, the players gained the experience and knowledge that they will need to compete on the varsity level. The future success of the varsity will depend on the members of this team and how well they are willing to learn and put forth that 100% effort.

Freshmen Start Crusader Pigskin Test

The freshman football team of a 1-5-1 record discovered what team work was all about. They came from different coaching backgrounds and now had to put it all together as a team under one coach, Mr. Spozio. Their hard work, determination and basic belief in their abilities were soon put to the test as they began playing the pigskin game of high school. It was a season of bruises, defeats and mistakes but yet a season of lessons, unity, and pride.

FRONT ROW: P. Murphy, T. Lamb, A. Zorne, V. Dalanno, T. Toriscelli, M. Haskins, P. Miccile, S. Zapolnik, C. Bertoia, T. Boychan, J. Marino, D. Shimko, A. Guida. SECOND ROW: D. Denicola, R. Kromalic, B. Donnelly, F. Harda, J. Panella, H. Montgomery, R. Spence, R. McDonald, B. Sohovich, J. Kuczykowski, O. Mort, Coach Spozio.

A New Season, New Talent, New Coach

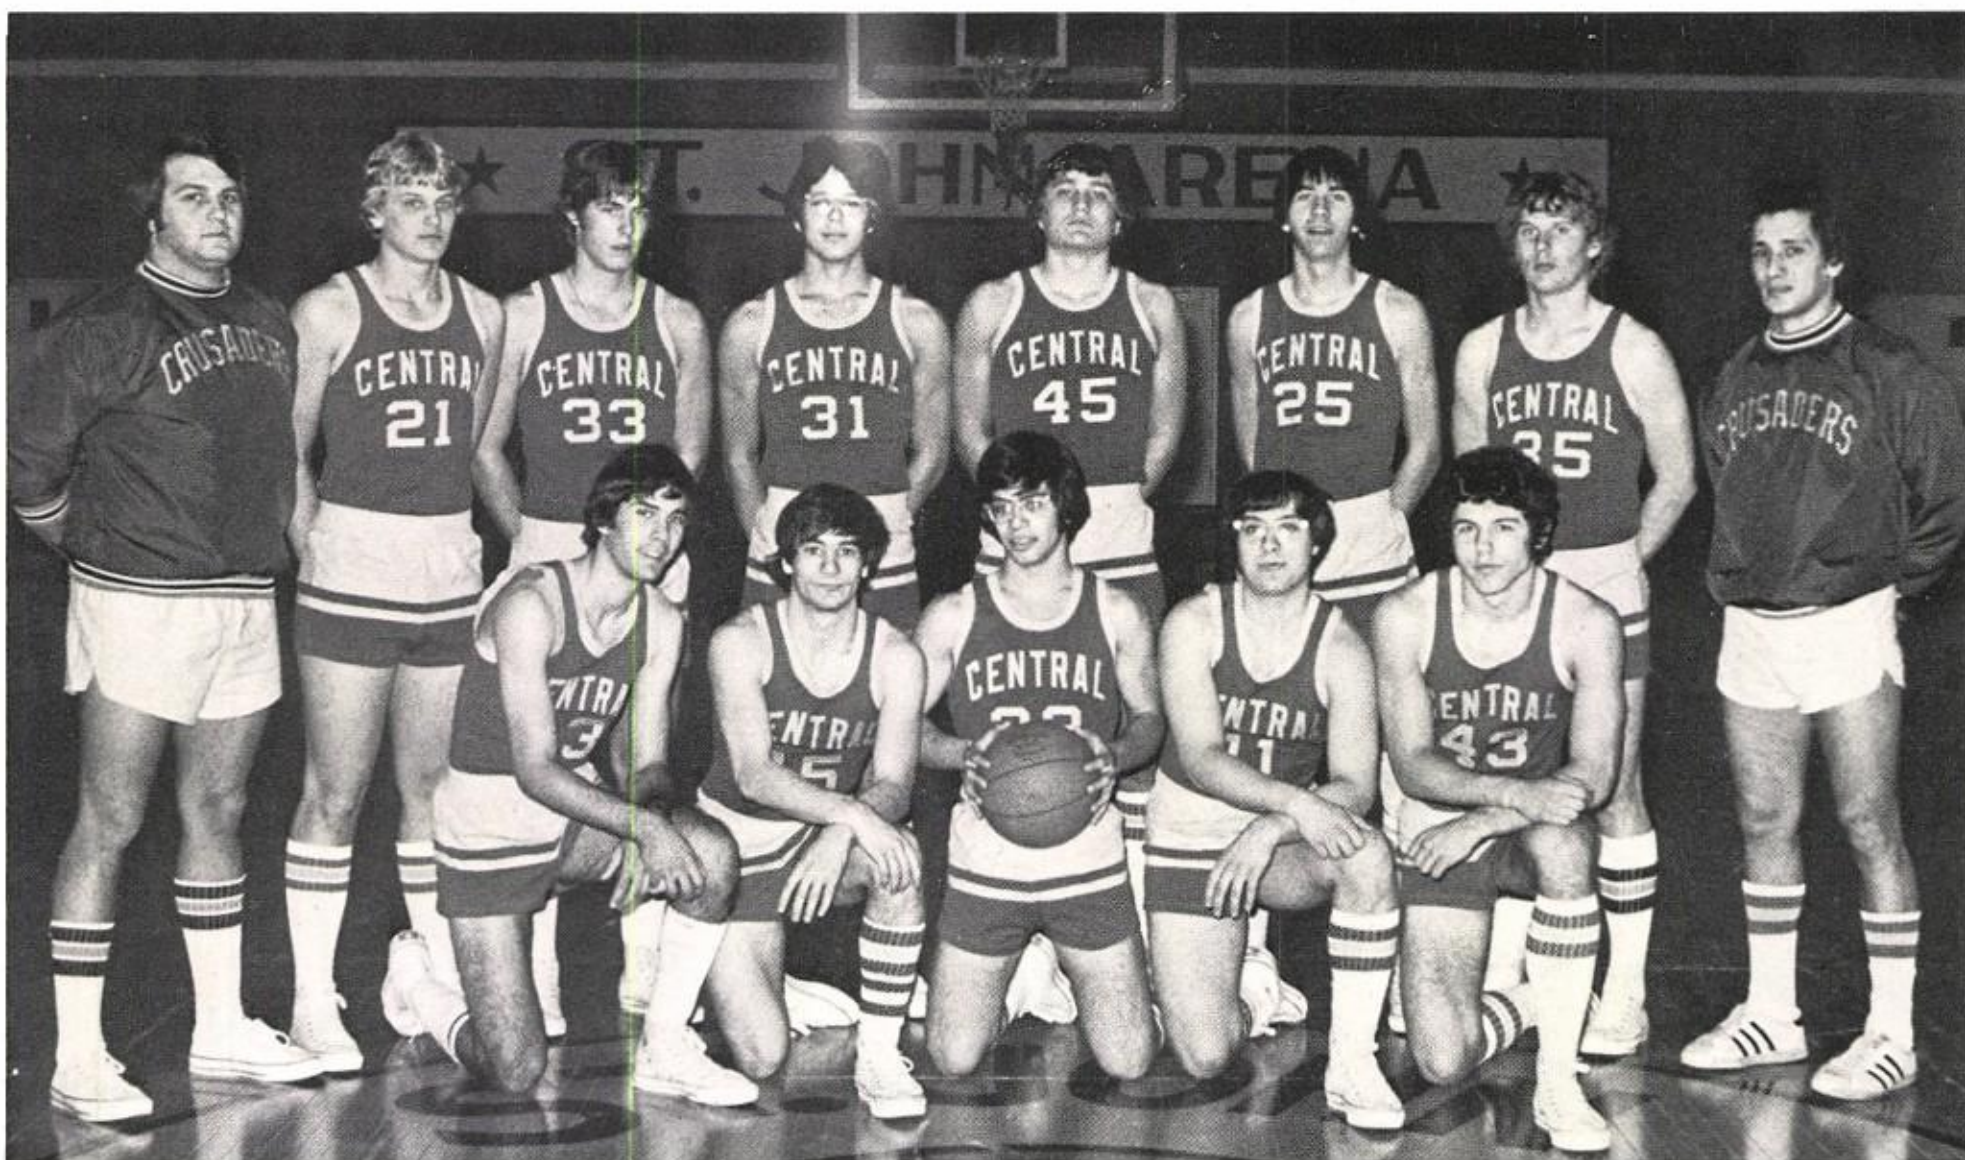

The Varsity Basketball Team presented their new coach, Mr. Joseph, with an unfortunate season record of seven wins and thirteen losses. But their season was anything but dull as the Crusaders split the City Title, one game being a two-point win over Big Red, and the other a one-point loss. Two other games that held the fans spellbound were our win against Martins Ferry 49-47, and our victory over Beaver Local 66-64 in the second last game of regular season.

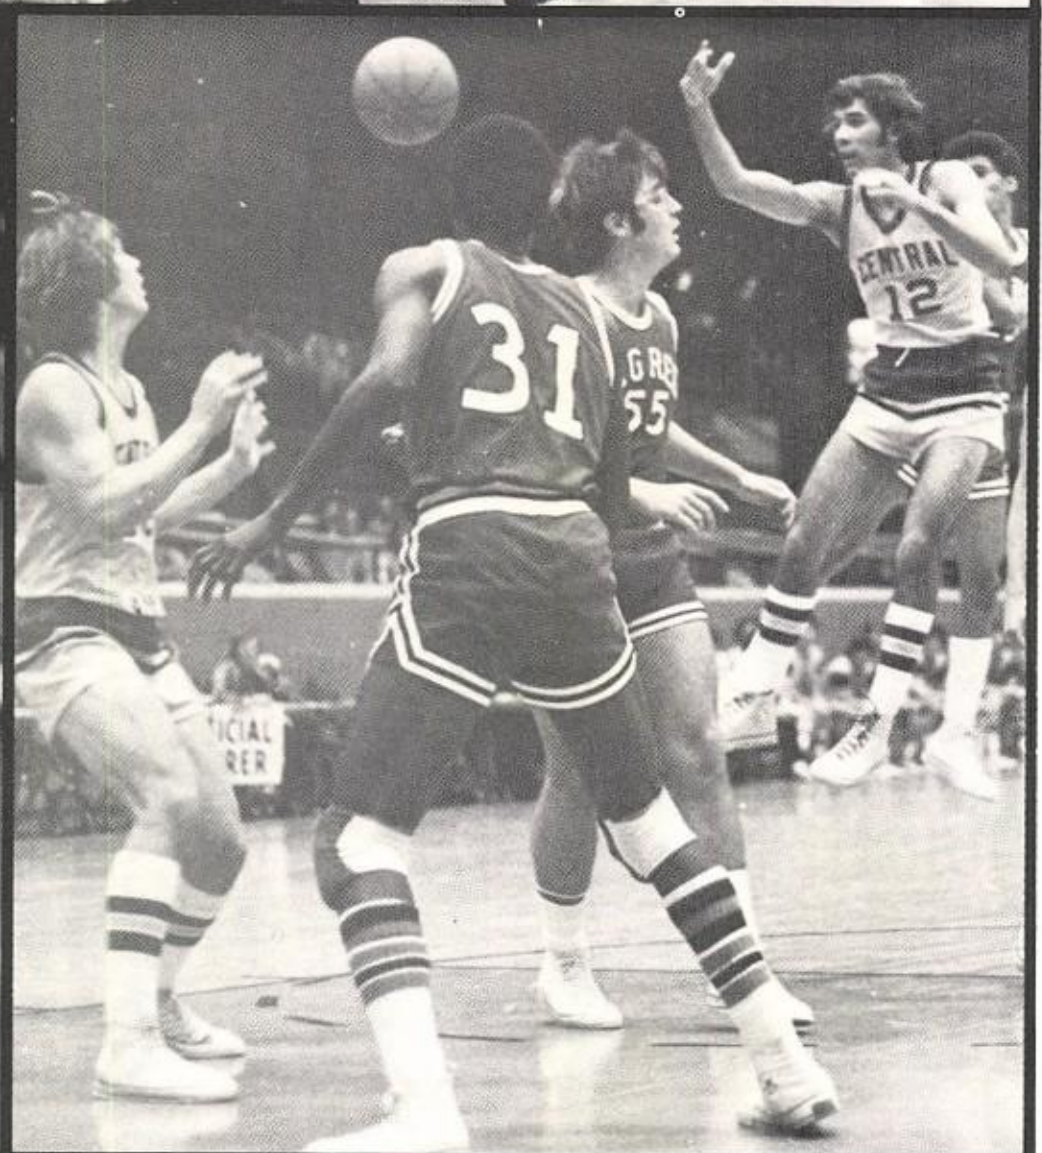

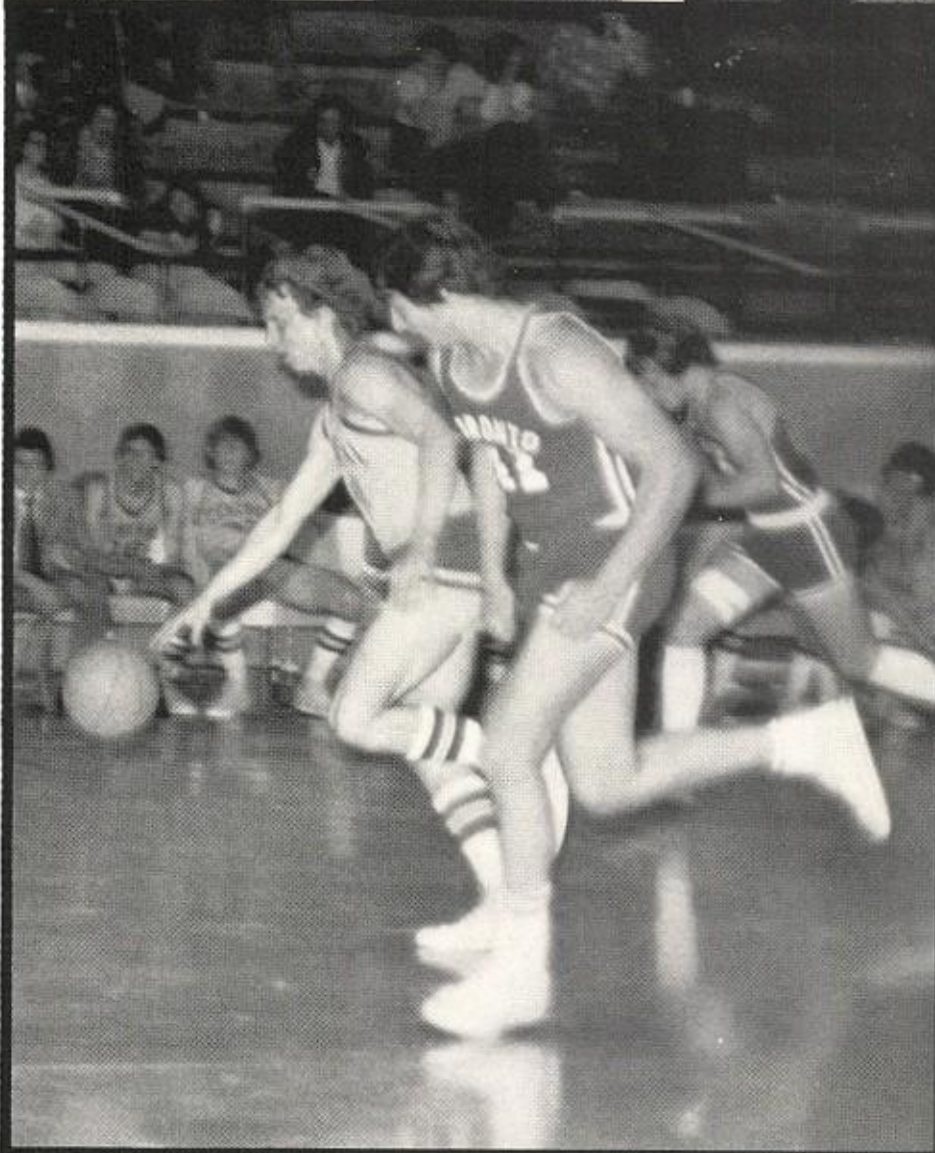

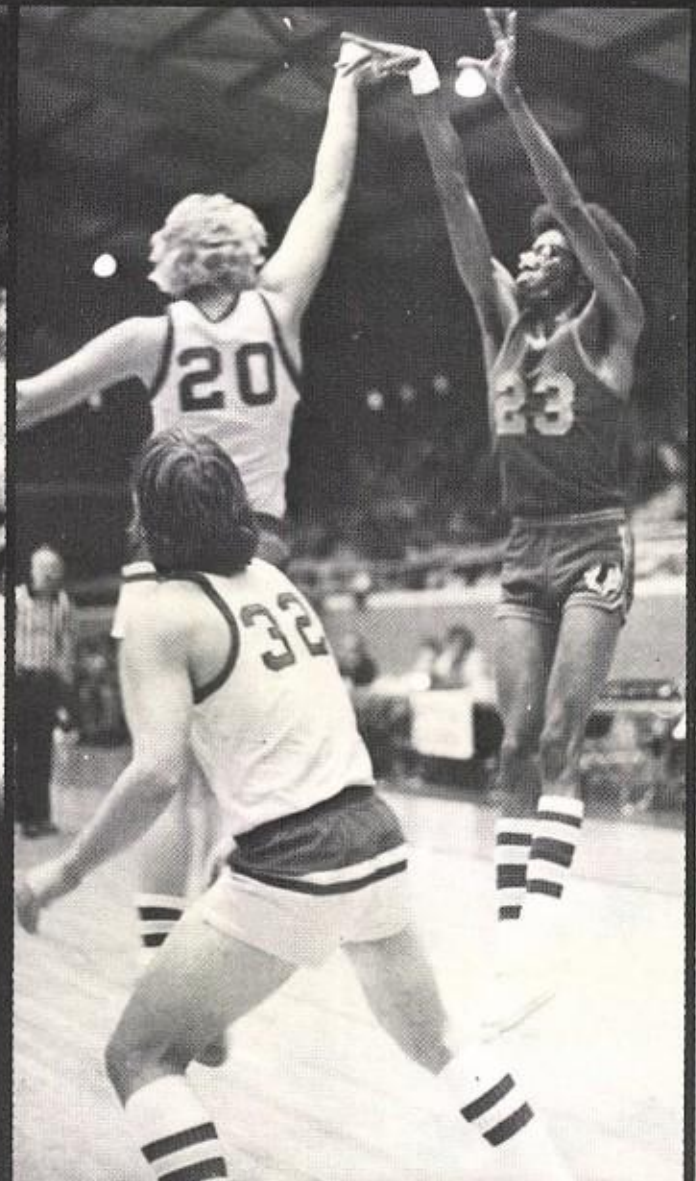

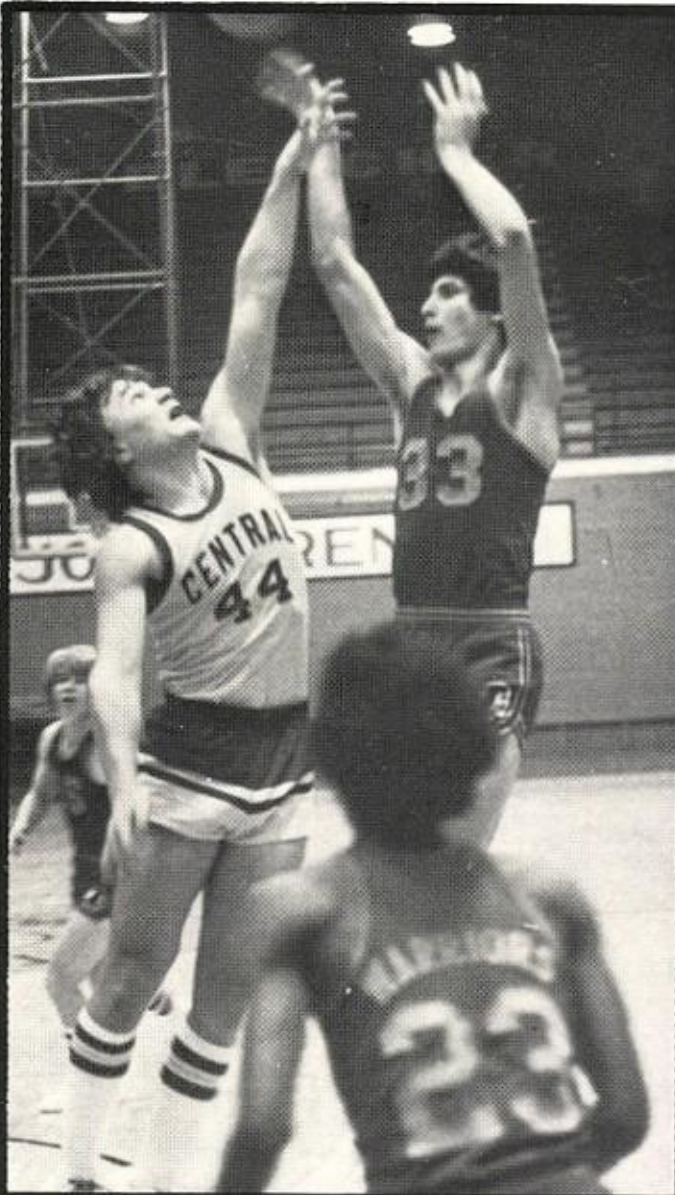

The team entered the tournaments with high hopes. These hopes were heightened when we upset Mingo 75-67 in the first game of the sectional tournament. The final game of the sectional tournament ended in disappointment as they lost to Buckeye South 63-46.

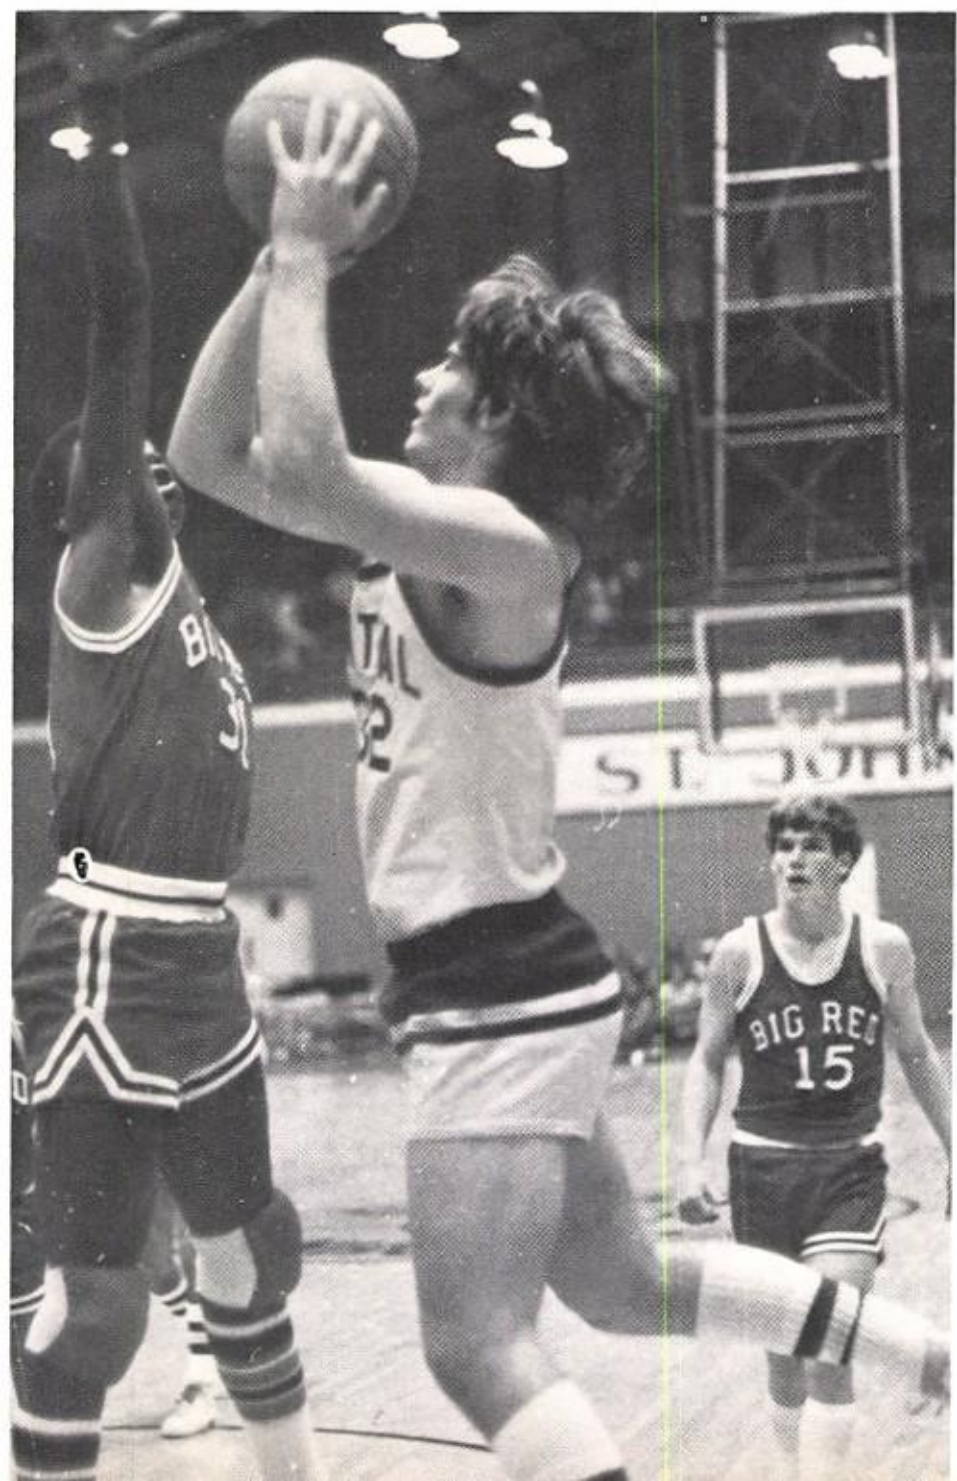

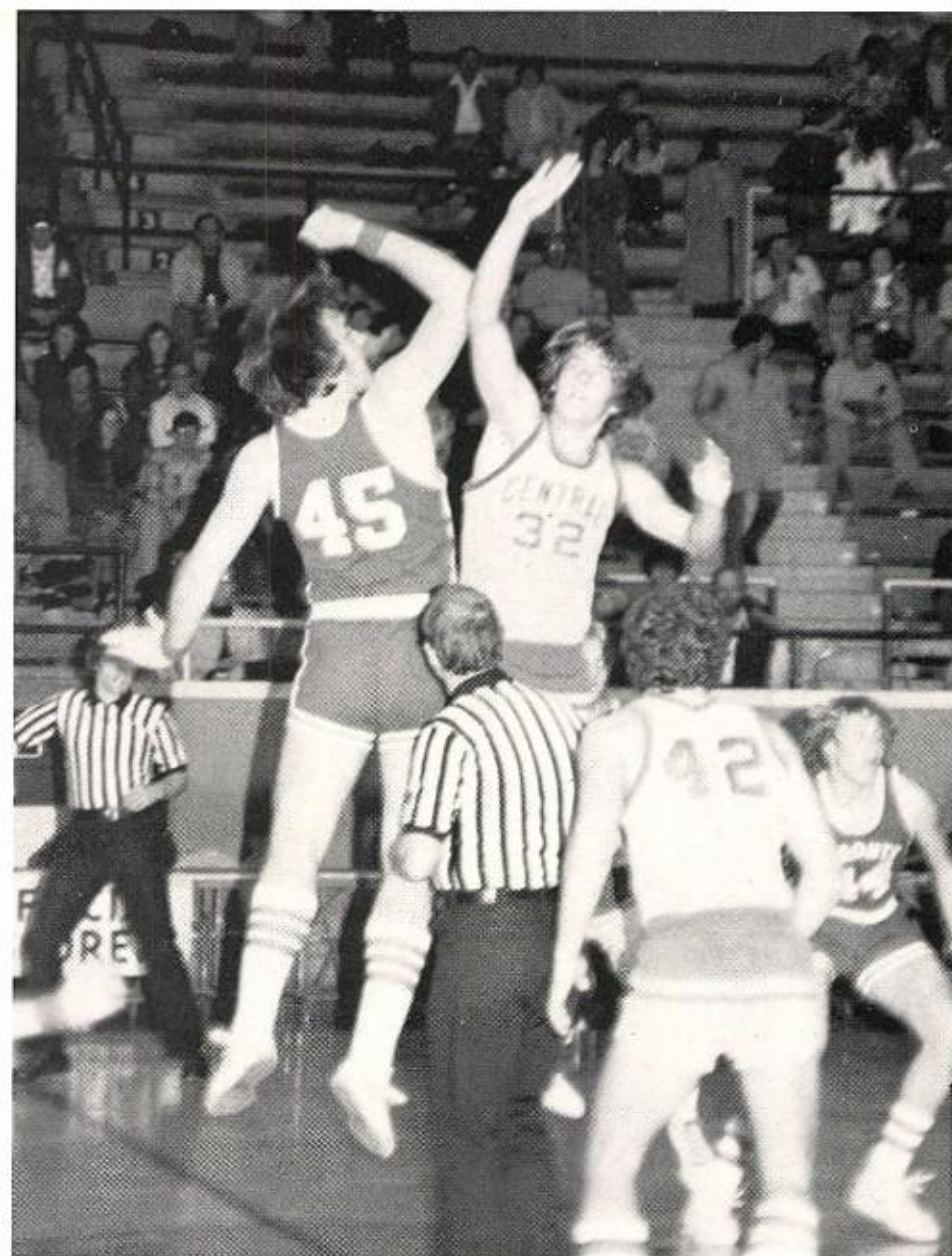

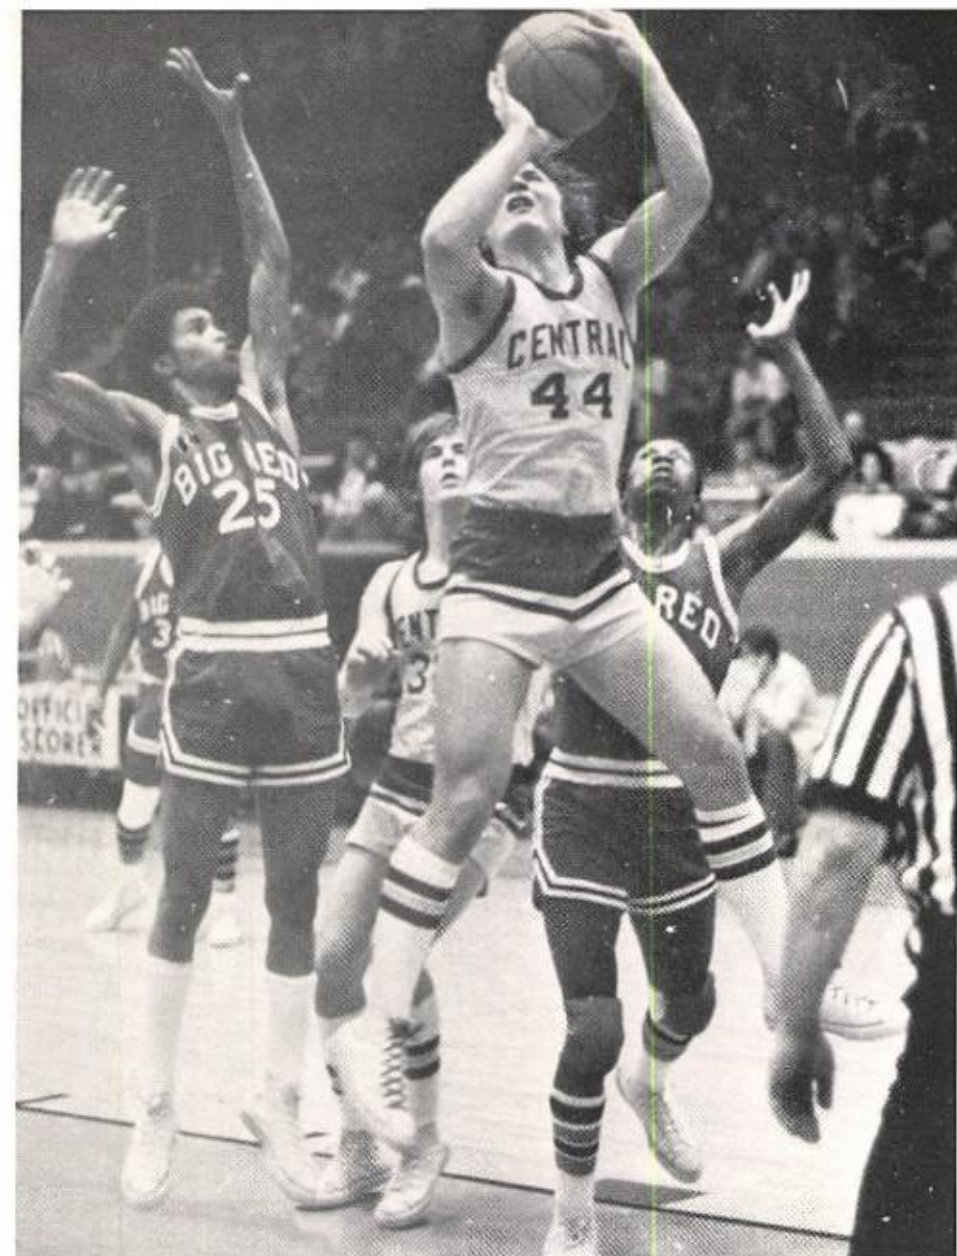

The Crusaders were led throughout the '75-'76 season by tri-captains: Dennis Dylewski, Jim Yobbagy and Bob Corabi.

Honors went to Dennis Dylewski as he moved into eighth place in the all-time scoring list at Central with a total of 516 points. He was also voted All District and All Valley. Jim Yobbagy received honorable mention in All District.

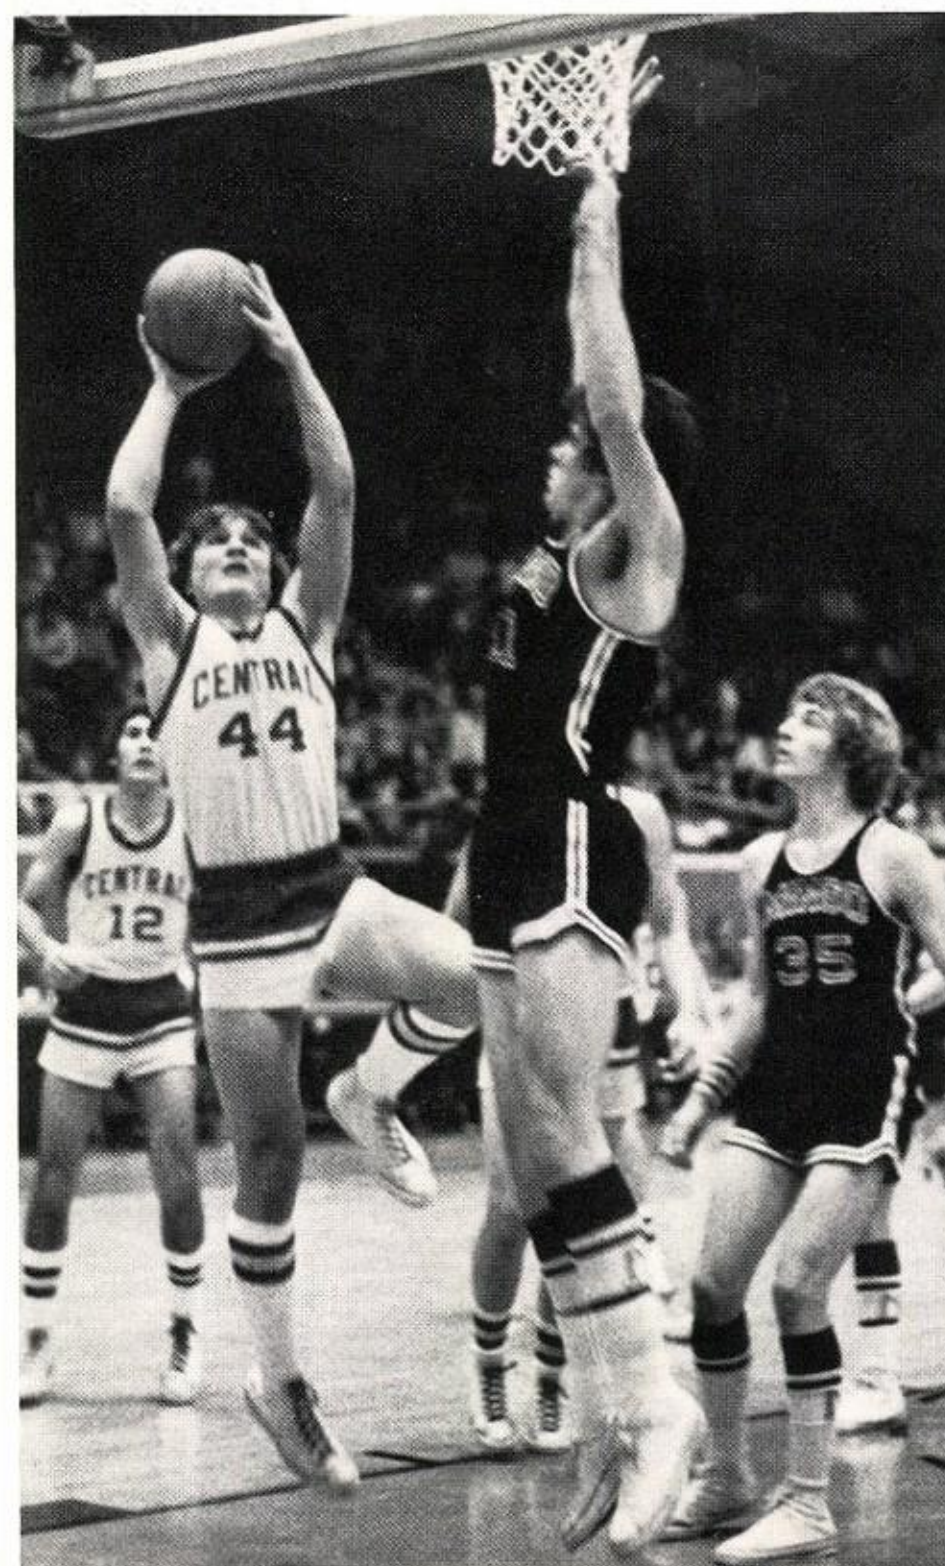

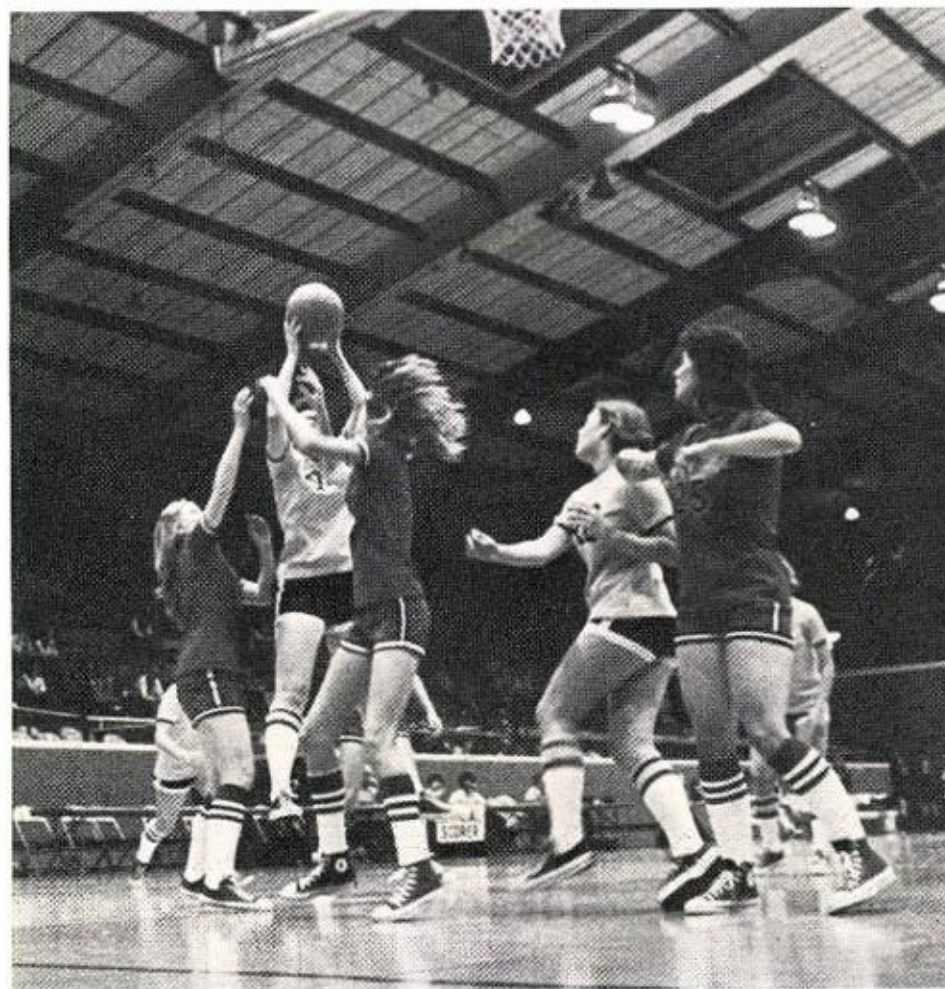

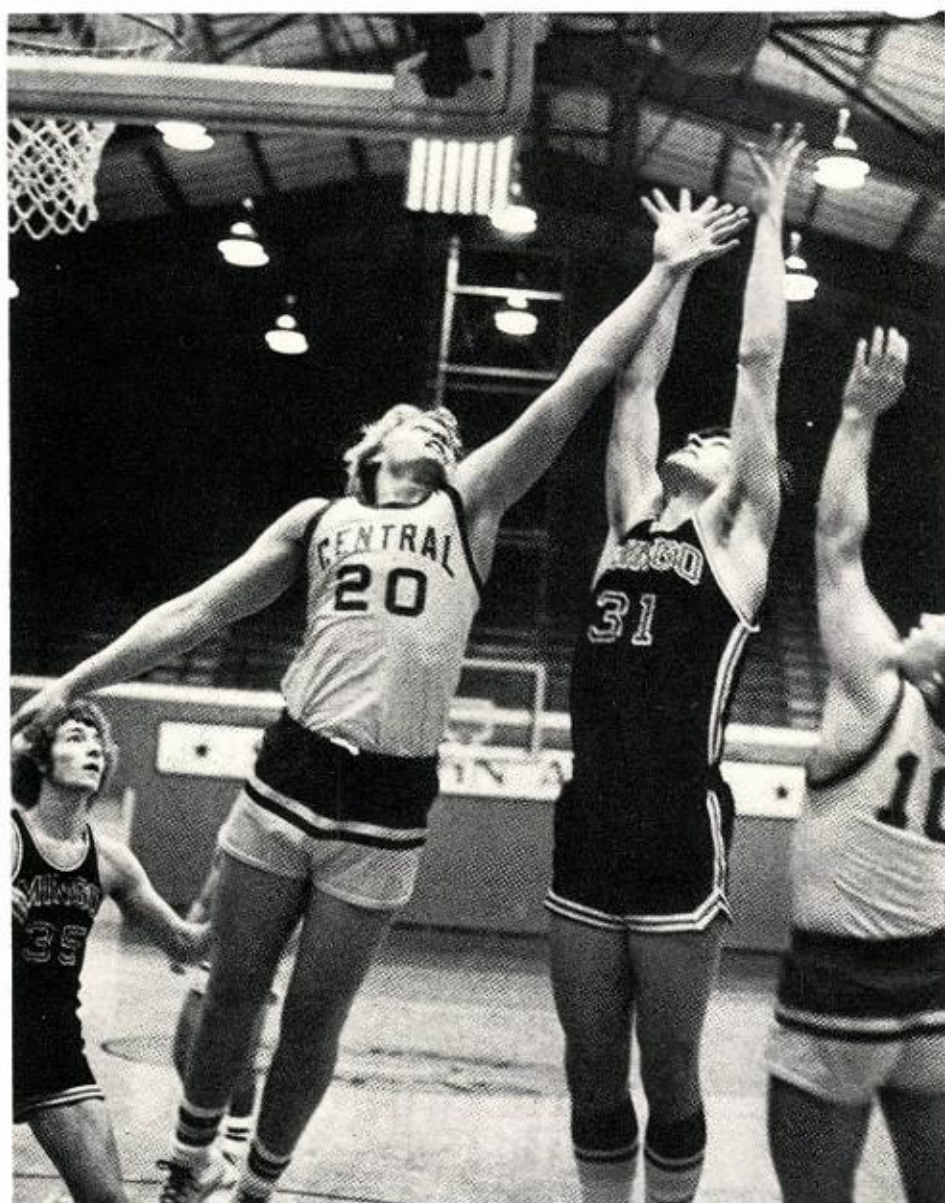

FIRST ROW: B. Corabi, R. Panebianco, J. Rotella, D. Szydlowski, G. Ulasiewicz. SECOND ROW: Mr. DiAngelo (coach), D. Jedneski, D. Dylewski, L. DeChristopher, J. Yobbagy, T. Noonan, N. Bahen, Mr. Joseph (coach).

Pride Prevails in Women's Varsity

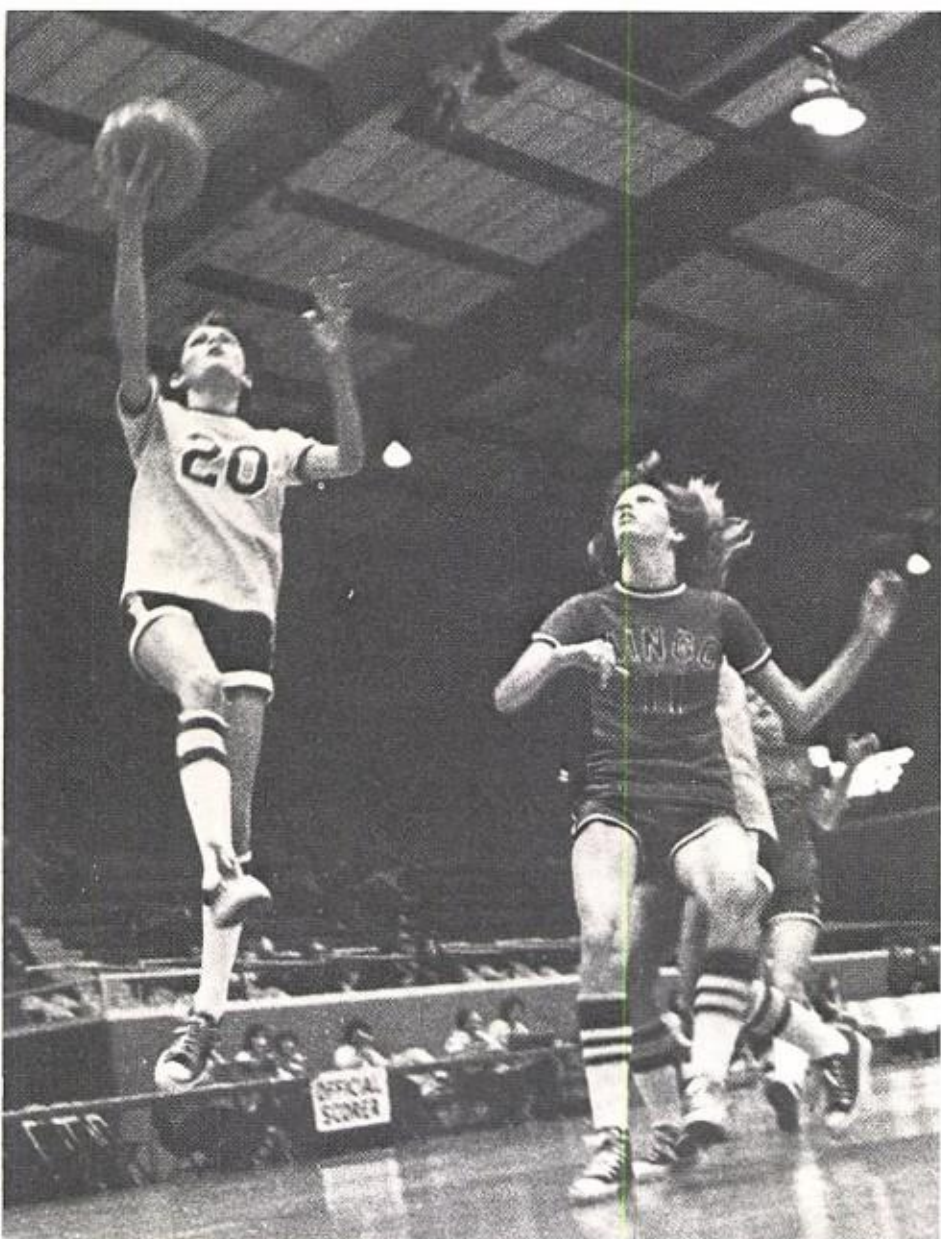

FIRST ROW: K. Zorne, R. Ensell. SECOND ROW: K. Kaczmarek, F. Miccile, S. Mosti, Mrs. Ulasiewicz (coach), J. Callas, M. C. McGinnis, J. Sommer. THIRD ROW: C. Manalac, C. Paul, M. Lewis, W. Woods (manager).

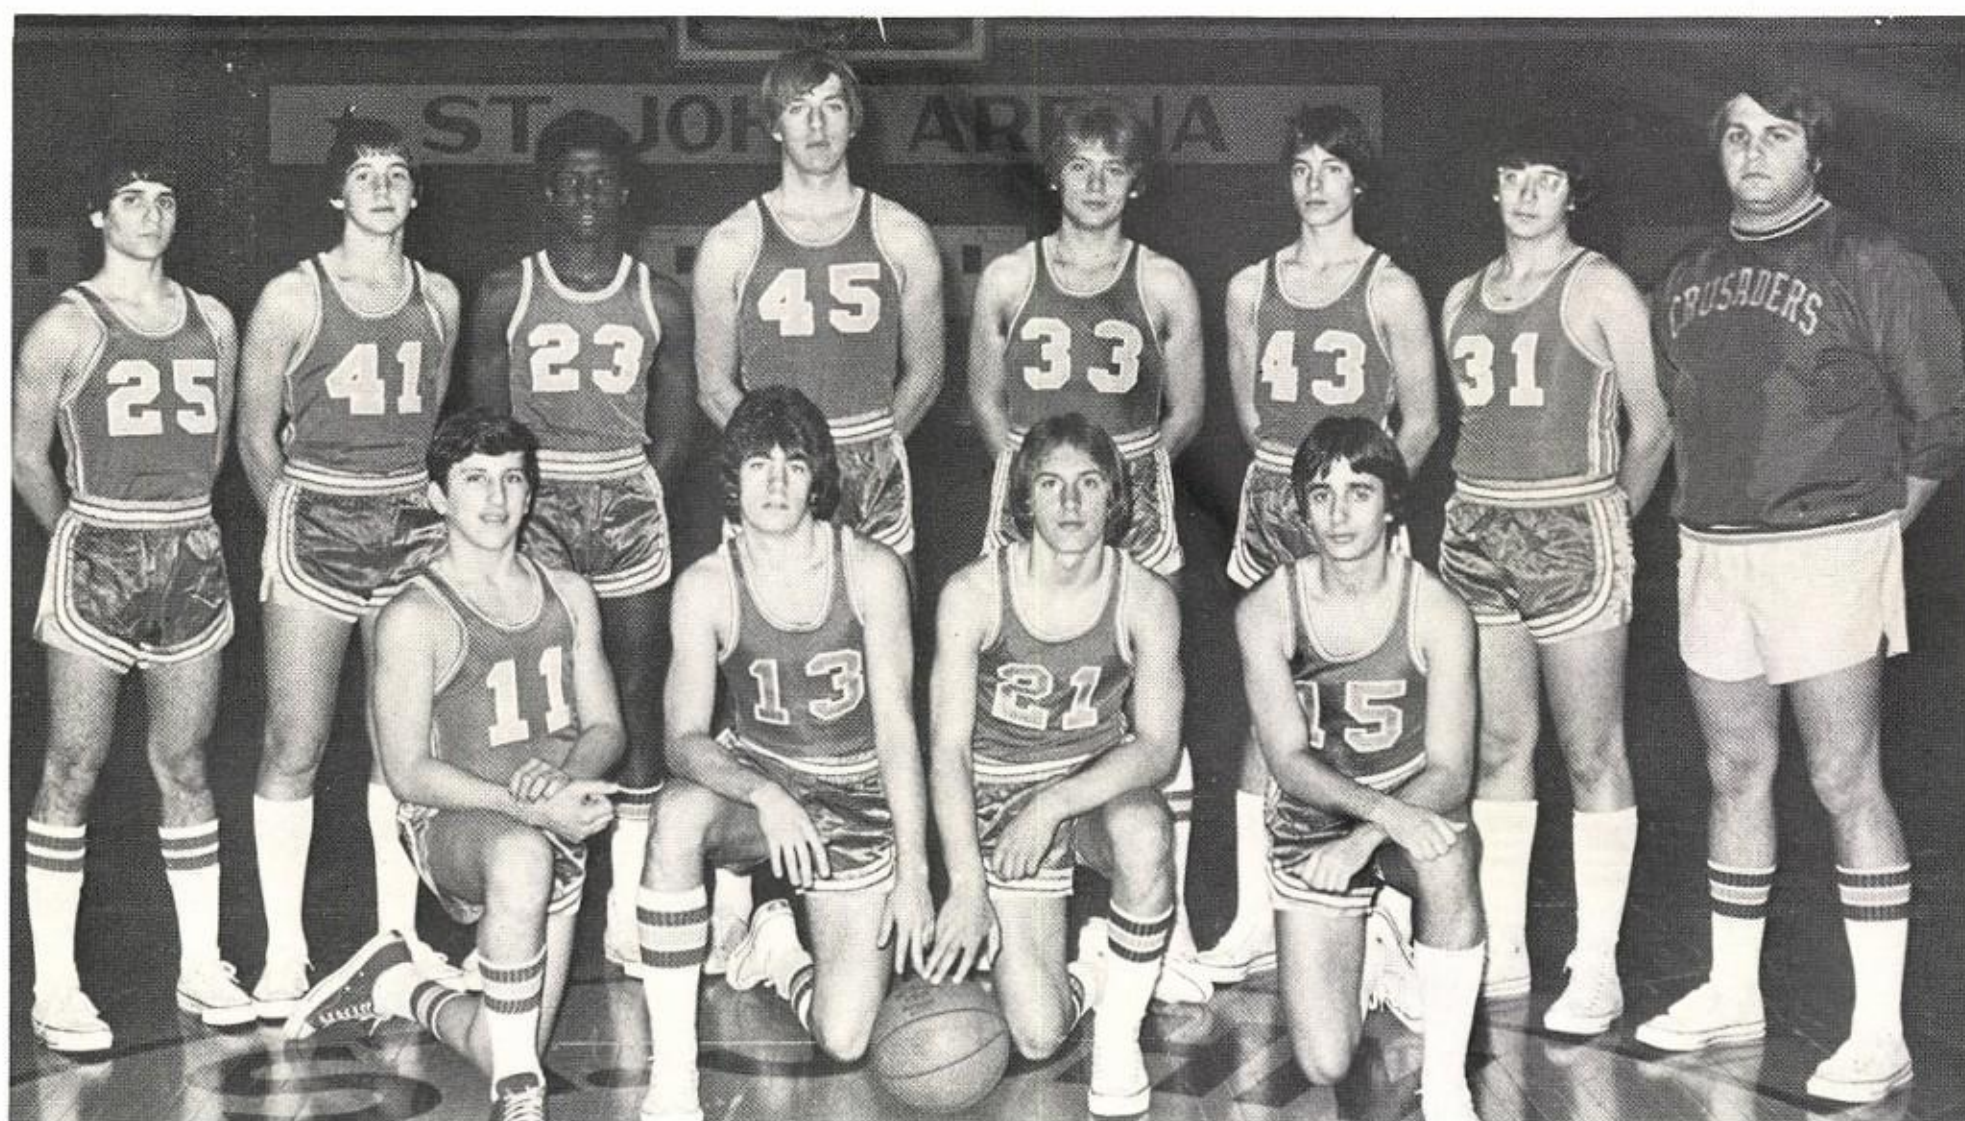

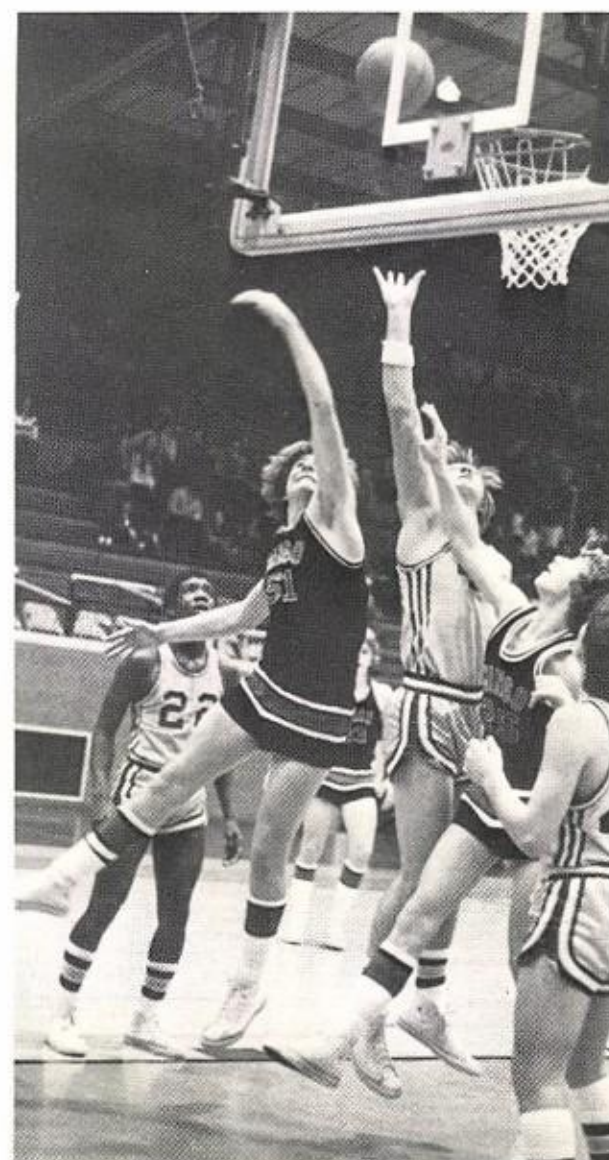

Girls' athletics at Central saw many advances in the area of Varsity Basketball. With Mrs. Ulasiewicz at the helm, the girls were entered in the first annual Holiday Tournament held at St. John Arena. The girls swept the tournament by defeating Mingo and Madonna.

As the regular season got under way, things weren't going too well. Despite early losses, the girls came on strong to win the next six games including victories over Big Red, Wintersville, J.U., and Madonna. St. Clairsville edged the Crusaders in their last regular season game 63-62. Despite this loss the girls bounced back and defeated Toronto in the first game of the Sectional Tournament held at Big Red. Hopes of their first state tourney play were lost when the girls were edged out by Carrollton in the Sectional game.

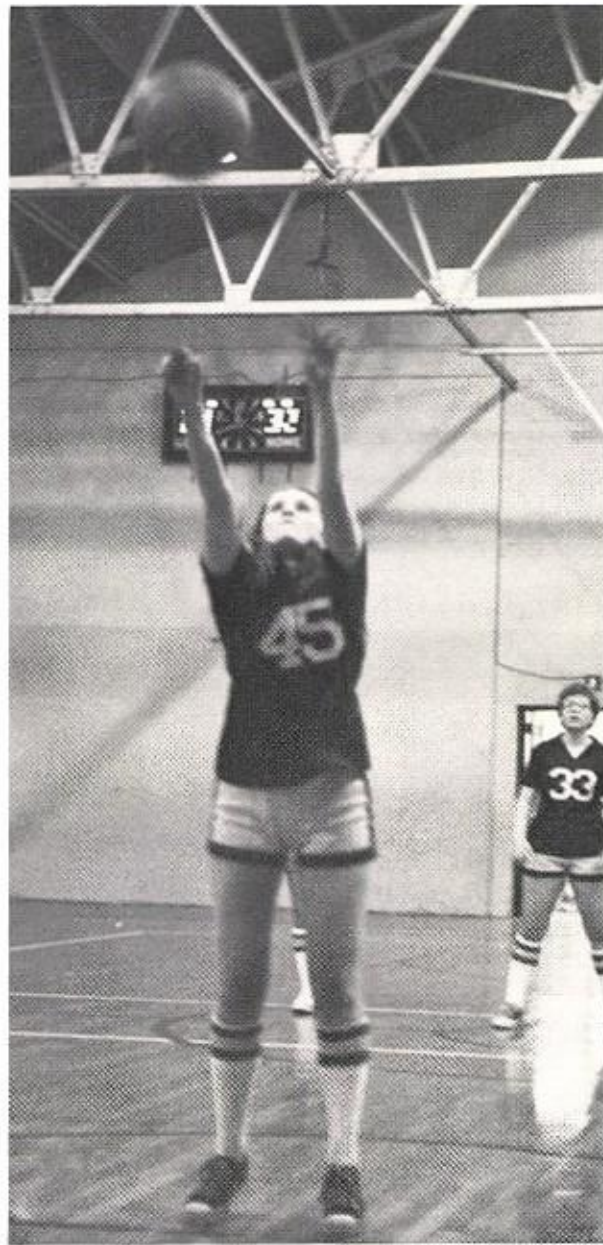

Reserves Are Determined!

New faces, new spirits, new plays, new hopes, new season - so began Mr. DiAngelo's reserve action. Their first season at Central opened with a victory over Toronto. This victory gave rise to real hope for the coming season, but defeat soon followed as the reserves lost two games, one to Wellsville and the other to Martins Ferry. Regardless, determination was still going strong as it brought them back to beat J.U. and Mingo. Suffering two losses to Big Red, the reserves still held on as they defeated J.U. for the second time in their season. They concluded their season with an exciting victory over East Palestine, and a record of eight wins and ten losses.

Practice Pays Off

All the hard work and energy the girls put into practices seemed worthwhile as the Reserves opened their second season with a victory over St. Clairsville. They achieved another victory over Madonna but then were defeated by Wintersville. The reserves had a three game winning streak as they took two games from Big Red and had a victory over Wintersville. They ended their season with a loss to St. Clairsville which gave them a record of five wins and five losses. Rachel Galownia was high scorer for the season with 78 points while Julianne Pizzoferrato pulled down 63 rebounds.

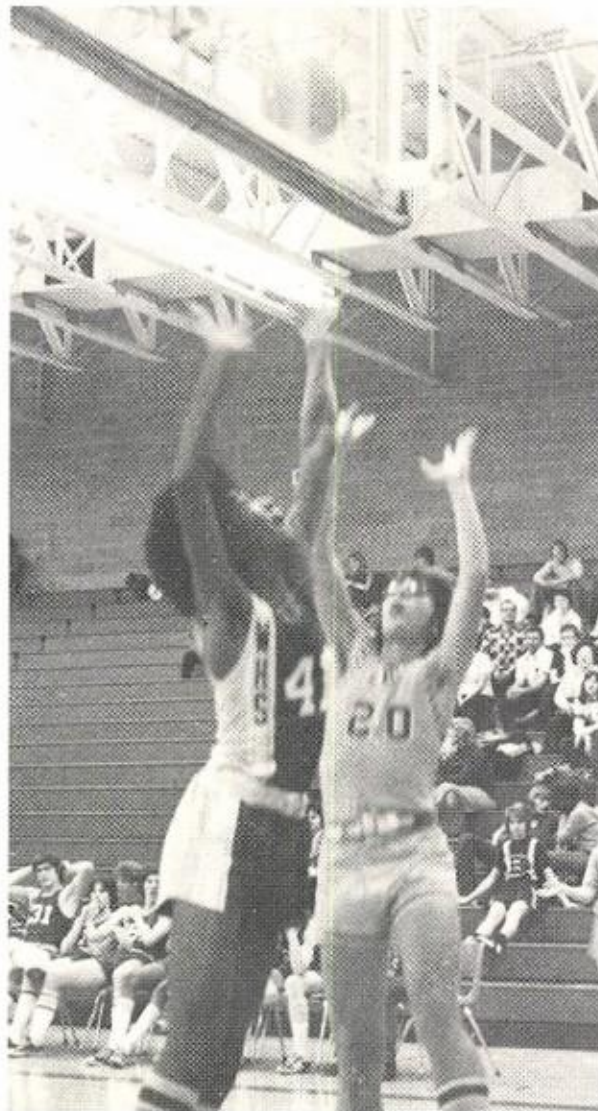

FIRST ROW: Mrs. Ulasiewicz, B. Rankin, K. Donahue, R. Galownia, L. Martino. SECOND ROW: S. Habash, G. Carrigg, M. A. Renda, J. Pizzoferrato, K. Arthurs, P. Ravasio, P. Sommer.

Under the direction of a new coach Mr. Spozio, this year's freshmen learned what to expect in their next three years of basketball. They found that team work, drills, and positive thinking were the basics to winning. Their experiences as freshmen players will always be remembered with pride, but pride and effort aren't all that bring a team to victory, experience is also needed as this years freshmen found out. The effort was there but the lack of experience showed through as they ended their season with a record of one win and twelve losses.

Big 8 — Intramural Highlights

This year Central saw action in both girls' intramural and boys' Big Eight basketball teams.

The Big Eight consisted of the following teams: N.C. State, Georgetown, Notre Dame, Loyola, Fordham, Marquette, Santa Clara, and Holy Cross. N.C. State was the champion in the tournament action.

The girls' intramural teams increased in number from four to six. The six teams were: Globetrotters, Micks, Raiders, Zips, Trojans, and Rebels. The Zips were the victors in the tournaments.

SHOO . . . SHOO RAH . . . RAH

From the very beginning of pre-season sessions to the end of the '75-'76 athletic year, the cheerleaders were fired up with great enthusiasm. Attending the Golden Eagle Cheering Camp held at Seton Hill College, Central's cheerleaders won the Spirit Stick and earned red ribbons for excellence.

Their energy and zeal was transferred from pep rallies to the football stadium and basketball court as they stirred the spirit of Crusader fans with their "Go Central Go" and other cheers. With their precision and style, they inspired the Student Body cheering section.

They have certainly done their part to enliven the spirit of C.C.H.S.

Wrestling Takes Hold

New to the sports family at C.C.H.S. was the wrestling team, coached by Mr. Greene and Mr. Stewart. As it is with any new sport, individual talent is shown but the advantage of experience is missing. Putting forth their best efforts in their first year, the team compiled a one and five record. Starting wrestlers and their respective weight classes were as follows: 98 lbs. - Rick Blancato, 105 lbs. - Greg Paulowski, 112 lbs. - Kevin Terry and Rich Meadows, 119 lbs. - Mark Cashlioli and Jim Grantonic, 126 lbs. - Tim Carrigg, 132 lbs. - Dan Wright and Lavern Allen, 138 lbs. - John Leone, 145 lbs. - Camillo Bernabei and Mark Titi, 155 lbs. - Al Perko, 165 lbs. - Steve Wright and Franco Rea, 175 lbs. - Bill Farms, 185 lbs. - John Pestian, and unlimited - Frank Potenzini. The co-captains were Dan Wright and Bill Farms.

Under the expert coaching of Mrs. Ulasiewicz, the girls' track team had a glorious five and one record. Leading scorers for the team were: Lynda Pierro, Kim Keagler, Cindy DiDomenico, Fay Miccile, and Carmen Manalac.

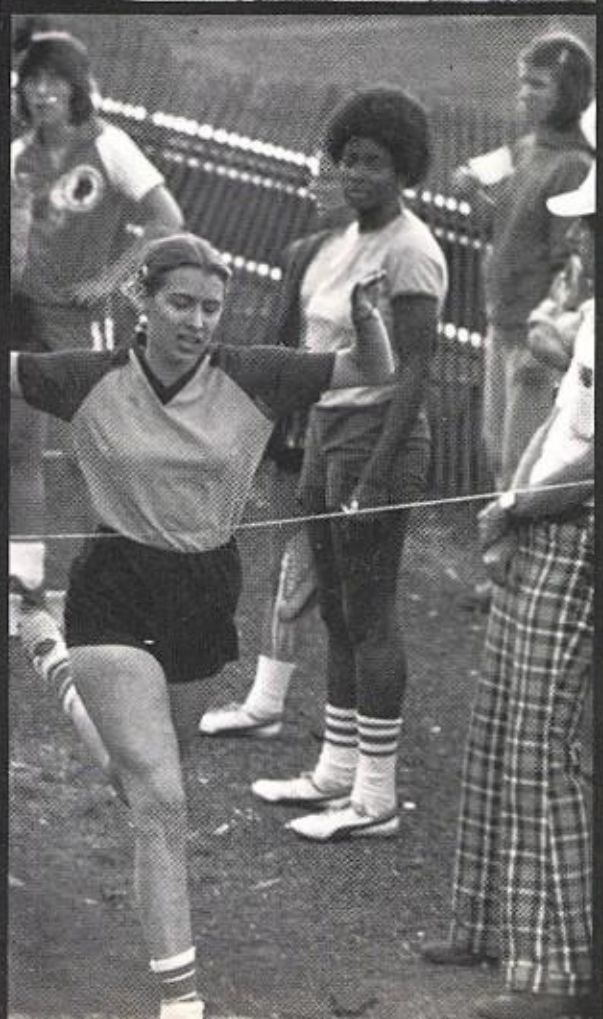

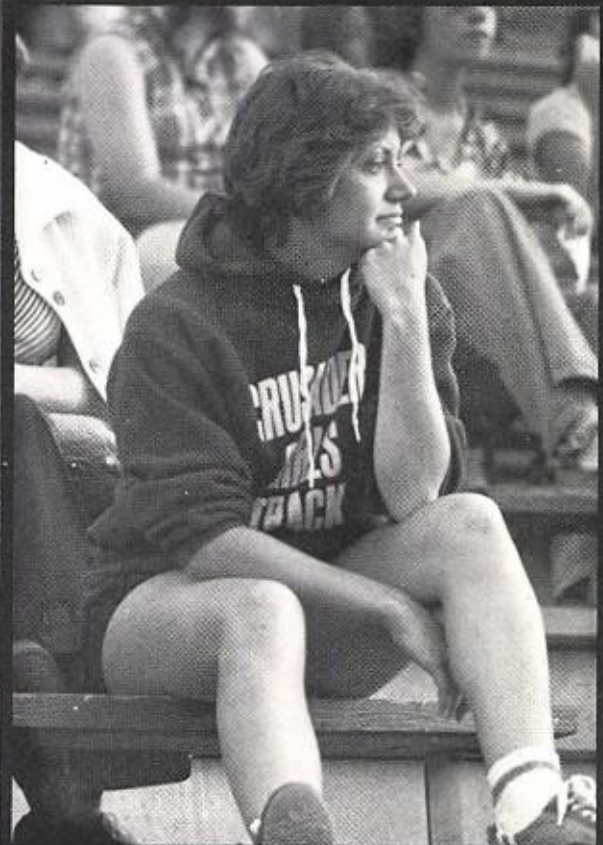

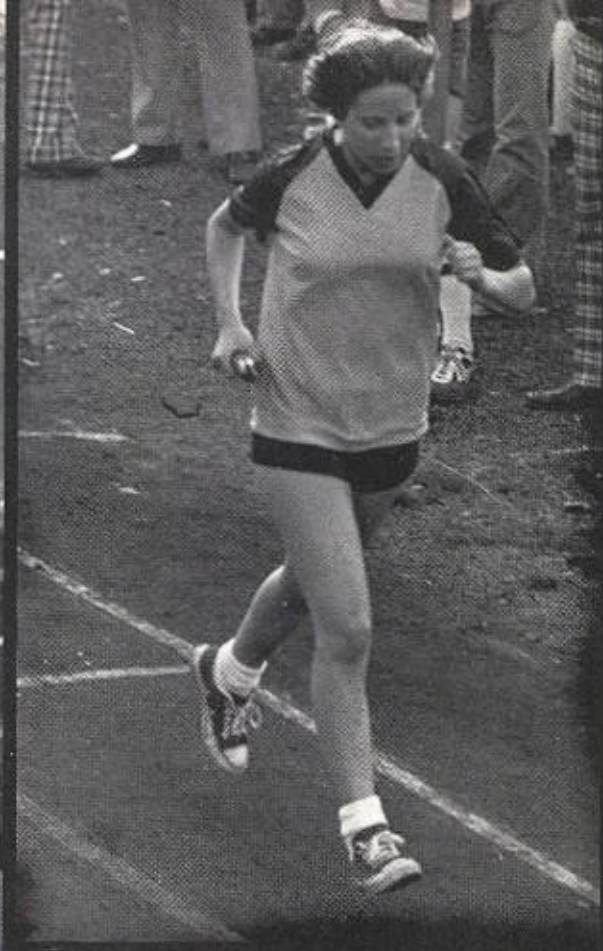

Trophy winners in the Tri-Lassie League were: Lynda Pierro for the 100 yd. dash, and the 440 relay team. The 440 relay team consisted of Lynda Pierro, Doreen Kalinowski, Carmen Manalac and Fay Miccile.

Individual Standouts Add Action to Successful Freshmen Track Team

As sometimes happens in High School athletics, the Varsity and Reserves are seemingly always in the limelight while Freshmen athletes may go unnoticed. Even the Crusader staff was delinquent in its full recognition of the '76 Freshman track team.

These young men, coached by Mr. Stryker and Mr. DiAngelo, compiled a very impressive record of five wins and two losses at season's end. Their high standing talents and team effort enabled them to place fourth in the Mingo High Track League. These were certainly great accomplishments for an initial team endeavor in field and track.

Brian Donnelly, shot-putter, went undefeated in the Interstate Meet, placed second in the OVAC Meet and was high scorer for the year with 68 points followed by Brian Stultz with 52½ points and Dave LaRue with 50 points.

We are proud to call them Crusaders and we will be expecting continued successful performances in their next three years at CCHS.

Court Début

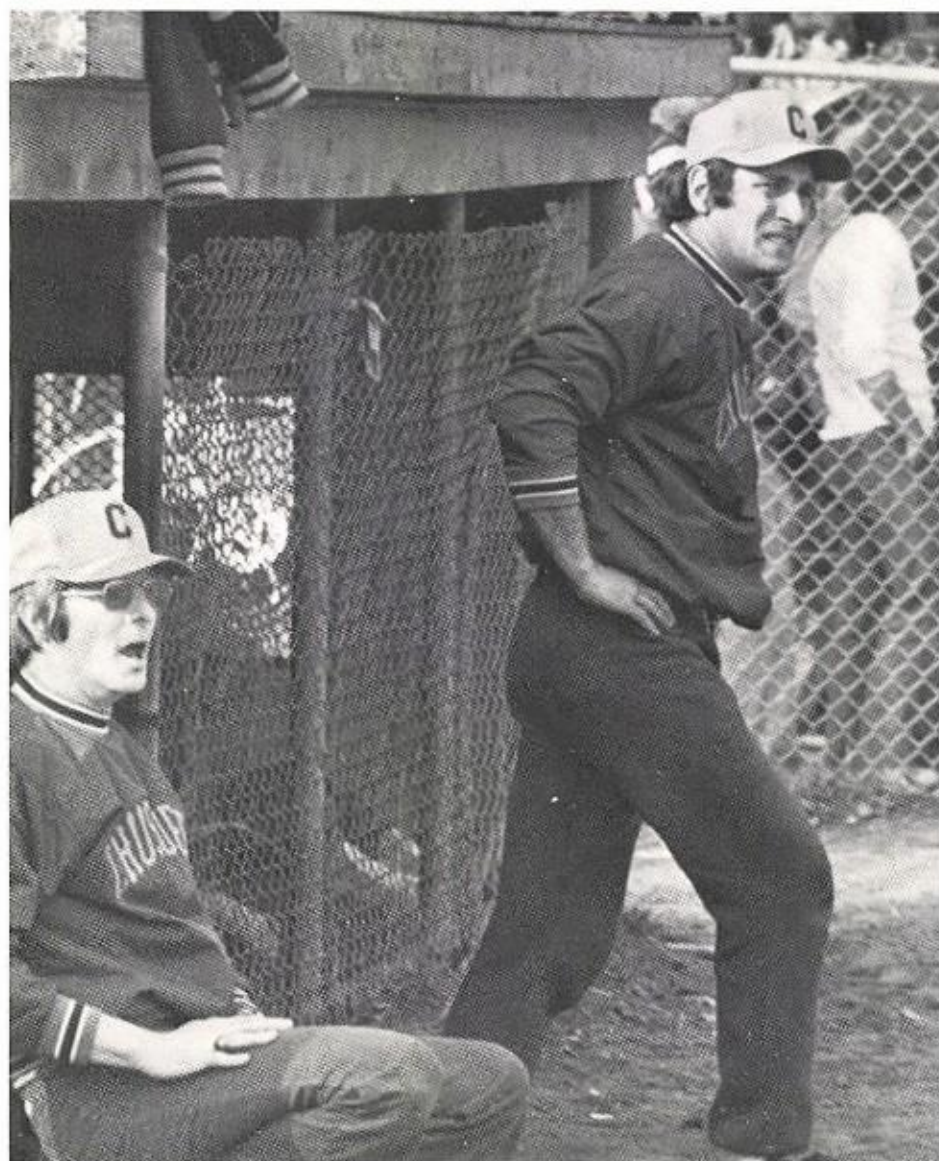

Among the many new attractions at Central this year was the formation of a tennis team, under the direction of Mr. Pietrzak. The team was open to both males and females. After weeks of try-outs, Catholic Central's first tennis team was finally chosen. So gave rise to the birth of a new sport and new talents.

The ten game schedule against Winterville, Big Red, Weirton, Madonna, East Liverpool and Brooke proved quite an initiation for the new netters. Although no team victory was recorded, individual standouts were apparent. Bruce Ferguson captured best team player award.

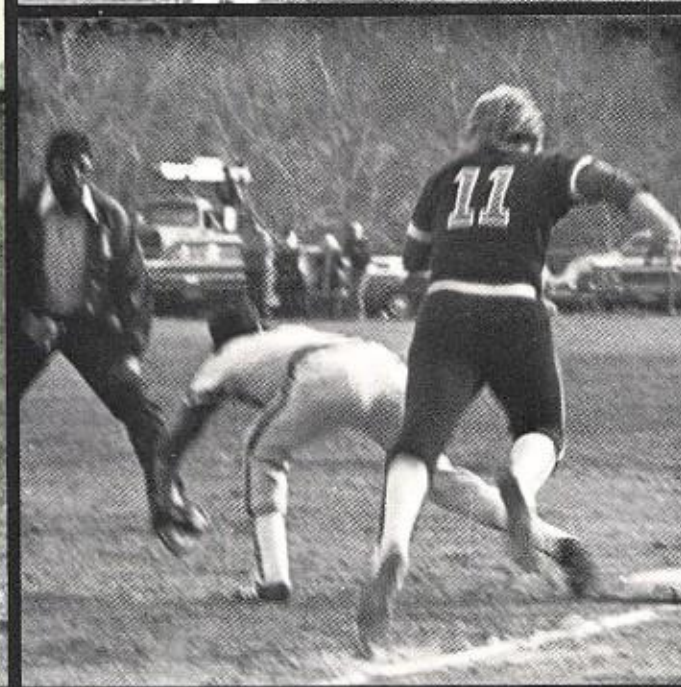

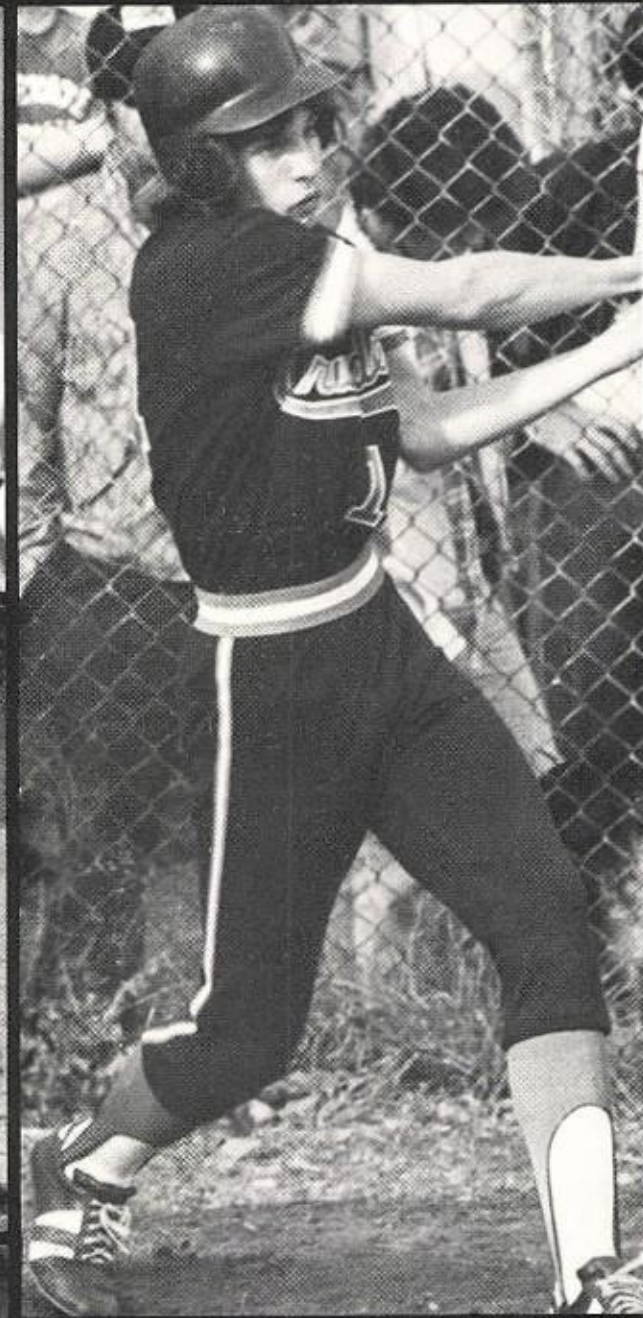

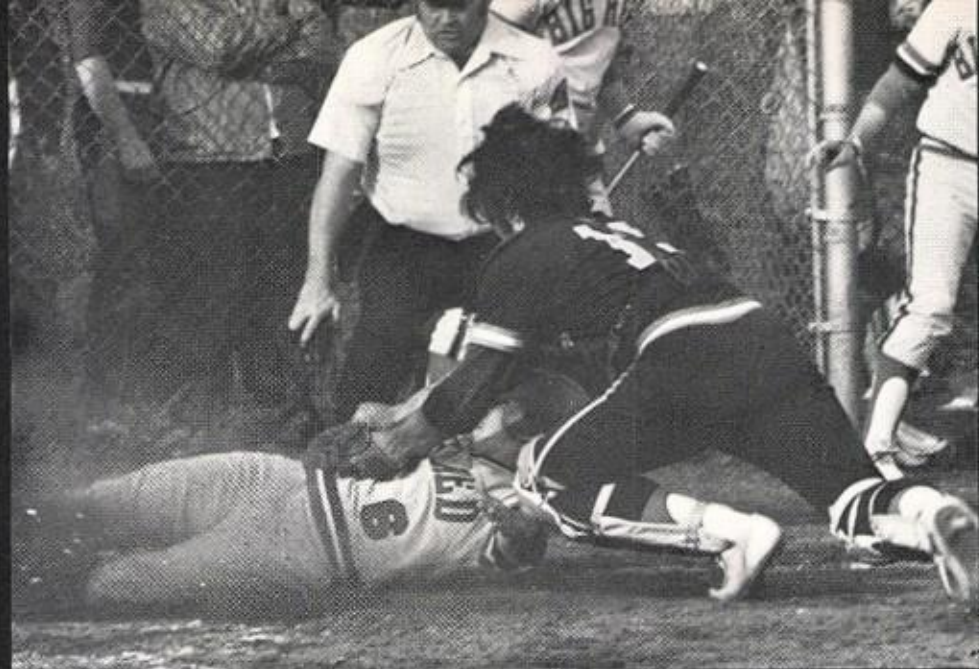

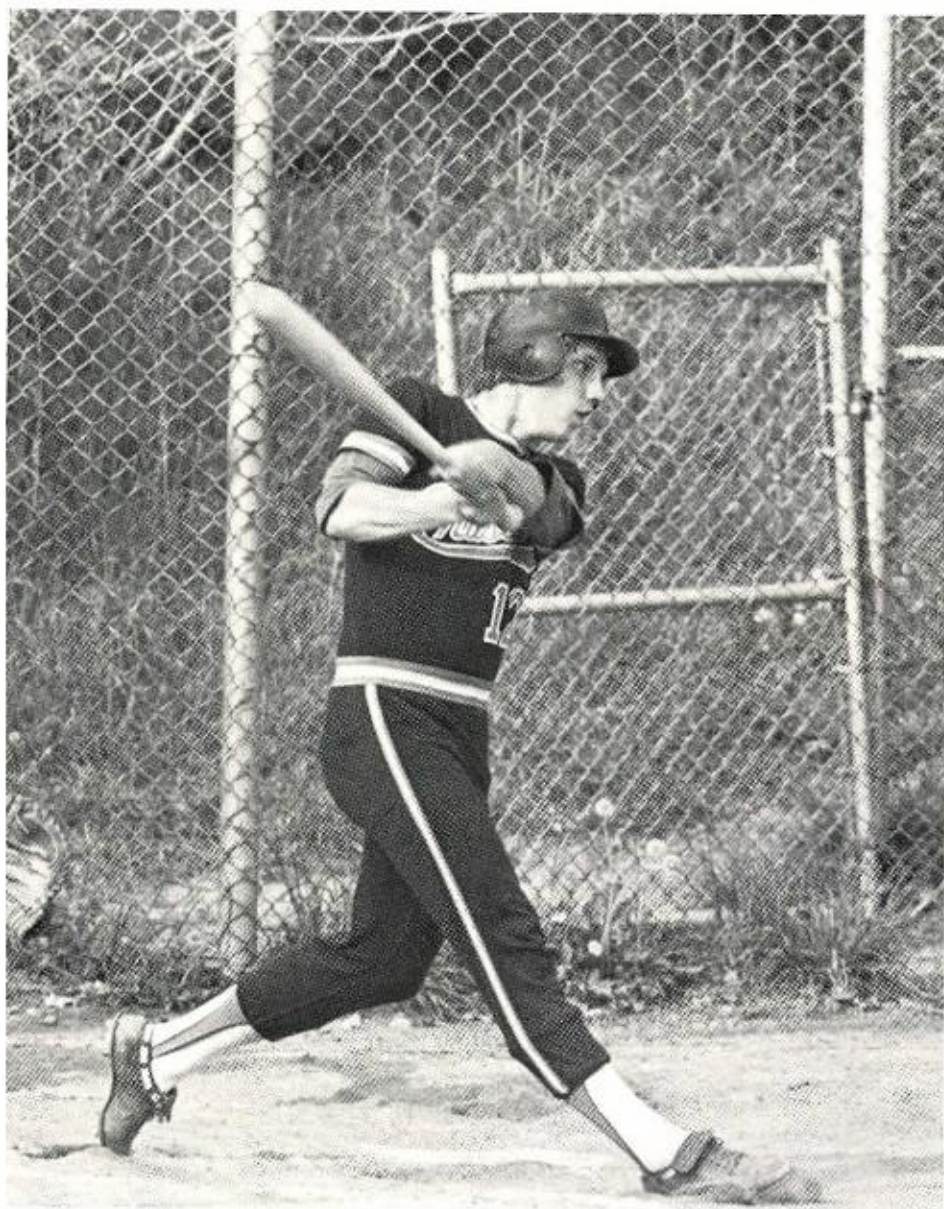

Steelmark Victory Caps Winning Season

Coach David Joseph led the baseball team to an impressive 13-9 record. They closed out the '76 season with seven straight victories, including three straight shut-outs to clinch the Steelmark Tournament, defeating Big Red 4-0 in a one hitter by Joe Corsi. Rick Habash was selected best defensive player while also batting .311. Dave Jedneski was selected as best offensive player, batting .360 along with 20 RBI's. Bob DeLeonardis closed out the year with a batting average of .302 while Luke DiCola had an average of .298. Joe Corsi finished the season with an 8-2 record, whiffing 101 and only walking twelve. Dave Szydlowski ended the year with a 5-3 record, issuing 65 strike-outs and only 9 walks.

Girls Post 6-6 Record in First Season

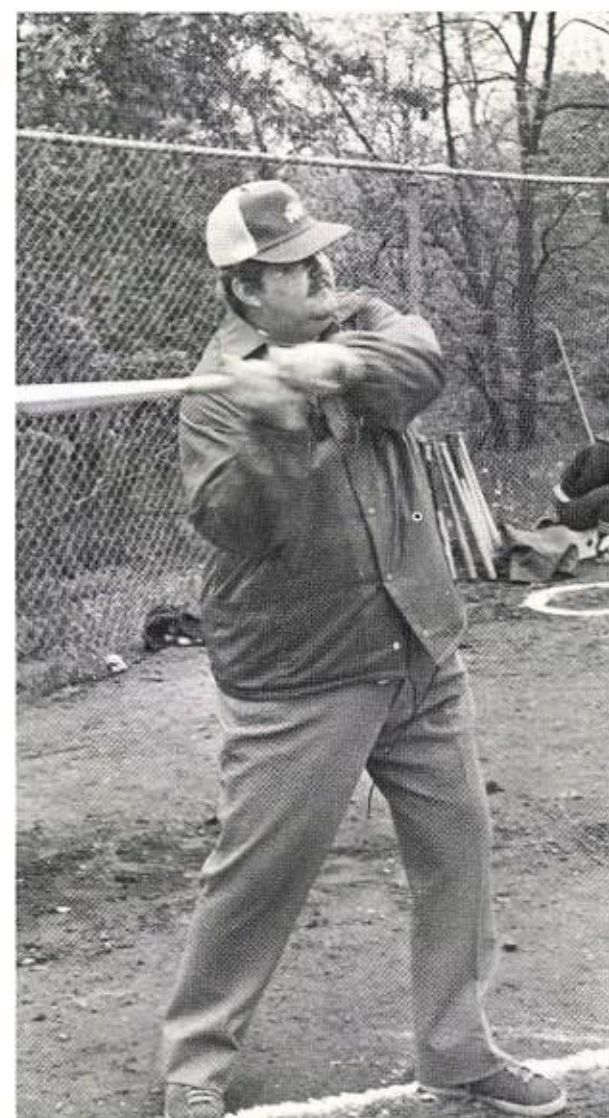

This year was the first year for girls' softball in Crusader Country. Mr. George Creegan took the task of showing the girls the fundamentals of hitting and fielding.

For their initial year, the girls came up with quite a formidable record, winning six and losing six, with considerable promise for the future.

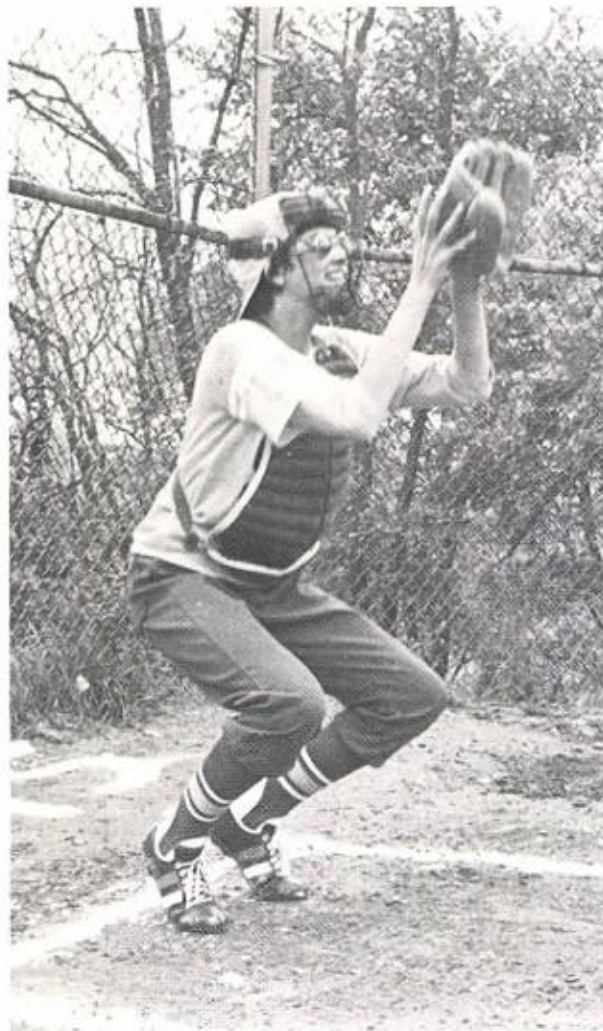

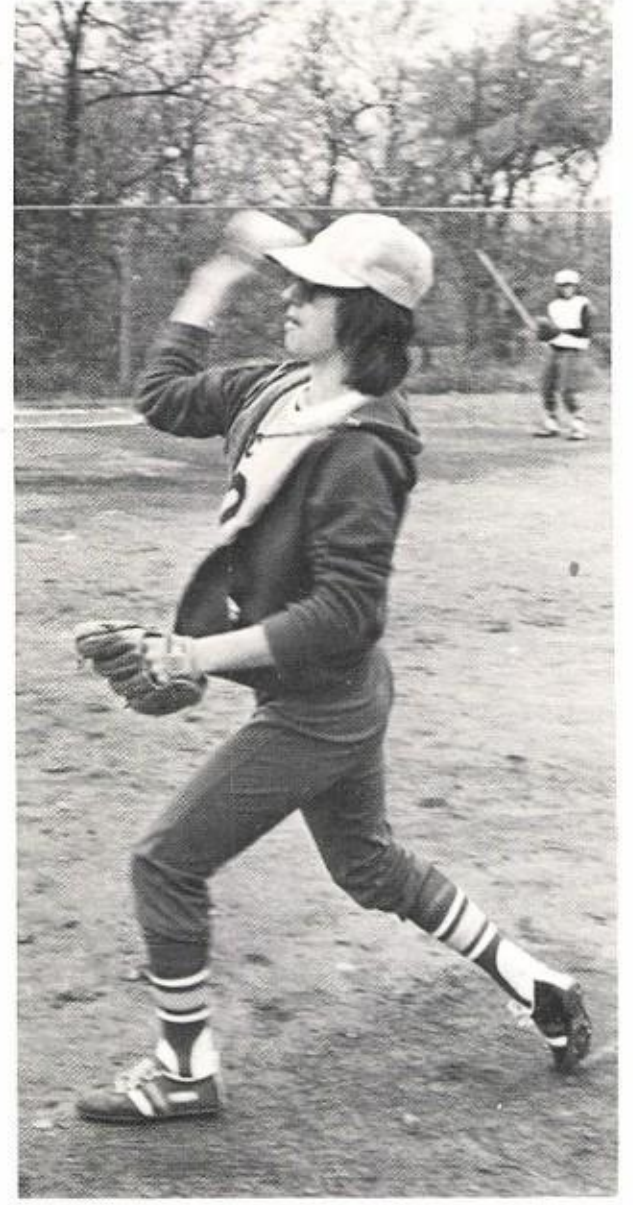

The leading hitter was Sharon Habash with a .549 average. Top bag stealer was Kathy Cortez with 37 while batting .475 followed by Sondra Biacco with 24 stolen bases and batting .470.

Golfers Stroke Their Way to Honors

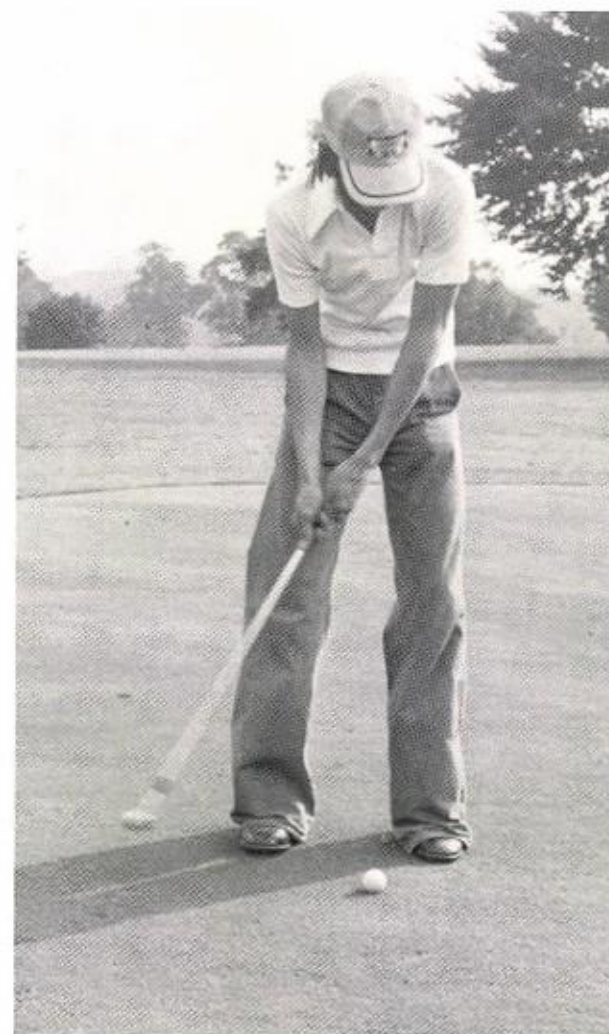

The highlight of the 1976 Golf season was the second place finish by the Golf team in the double A OVAC competition. John Petrisko extended this honor when he placed second out of 130 participants in the OVAC. Mike DiDomenico led the squad with an average of 43 strokes.

REMEMBER?

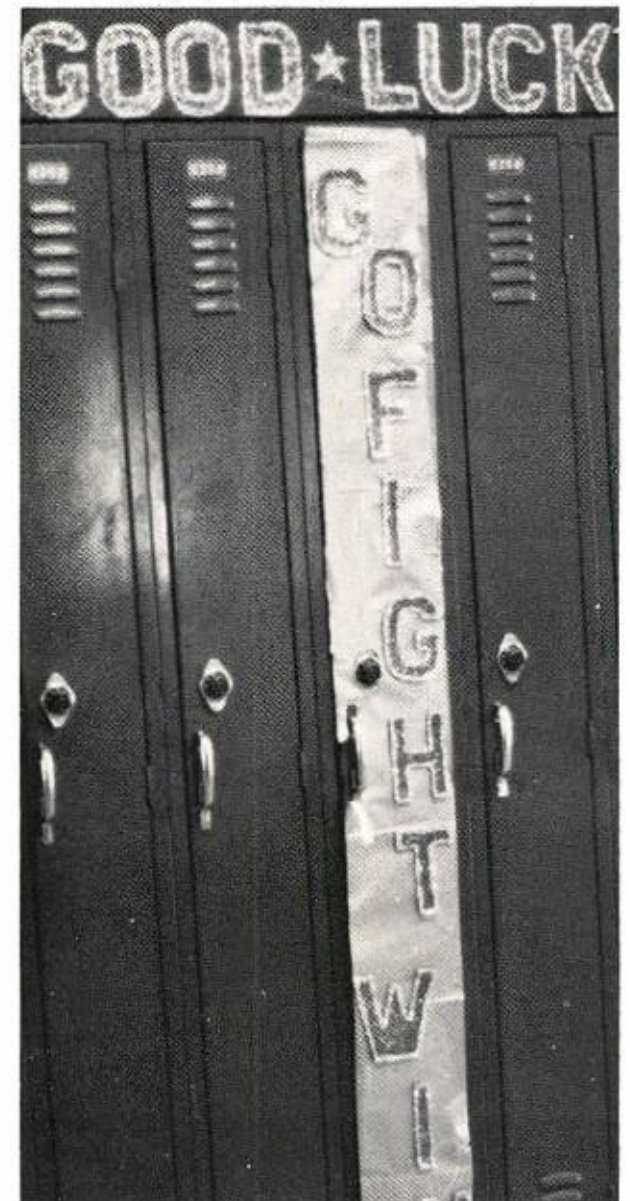

Remember being in the halls before a big game and seeing all those silly and not so silly signs covering the halls, walls, doors, lockers and floors? Well, that is what you call spirit, morale and pride. Behind all this energy, decorating time, and concern were the Pep Club Members.

They believed in their athletes and coaches and wanted the student body to believe in them also.

The decorations and rallies were meant to highlight that belief in spirit. Remember!!

ACTIVITIES

UGLINESS . . . RIVALRY . . . CHARITY . . .

Unsightly, hideous, frightful, monstrous - these are descriptions of the qualities needed to win the Ugly Couple contest sponsored by the Bicentennial Committee. With this in mind, each class submitted its choice for the ugly couple. During the one week period of rivalry, students voted for the ugliest couple through their monetary contributions. The class which collected the most money has their couple declared the victors.

The Juniors rose up to the occasion with great support. As a result, their couple of Joyce Yannon and Mike Chmelovski became the winners.

Together the classes collected \$489.00. All proceeds went toward aiding a patient on a kidney dialysis machine.

Below are ugly couple contestants Mike Chmelovski, Francesca Saggio, Jim Kuczykowski, Kelly McCartney, Jim Augustine, Sue Kowick, Trudy Gaumer and Joyce Yannon.

GHOSTS . . .

WITCHES . . .

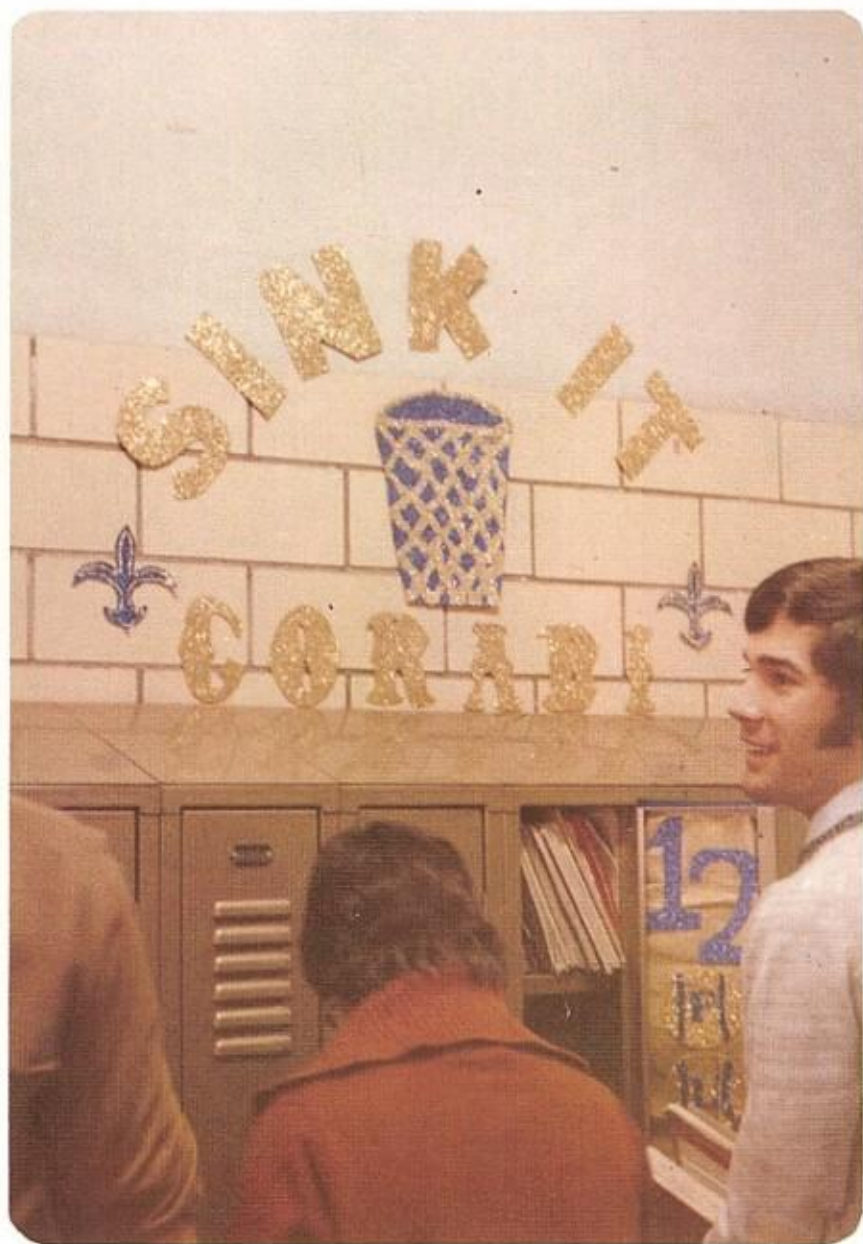

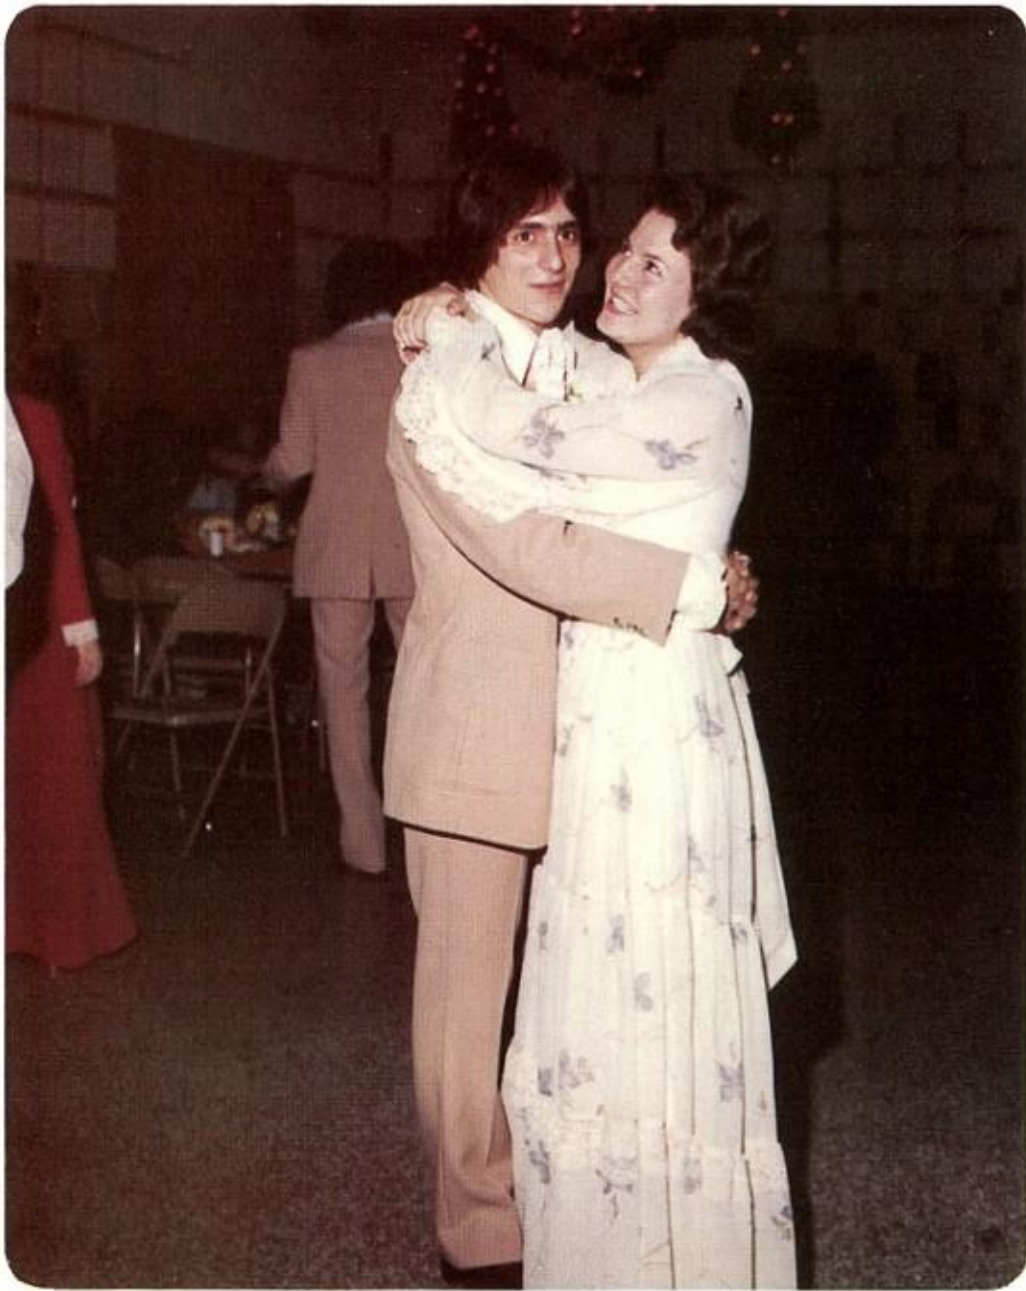

. . . ???

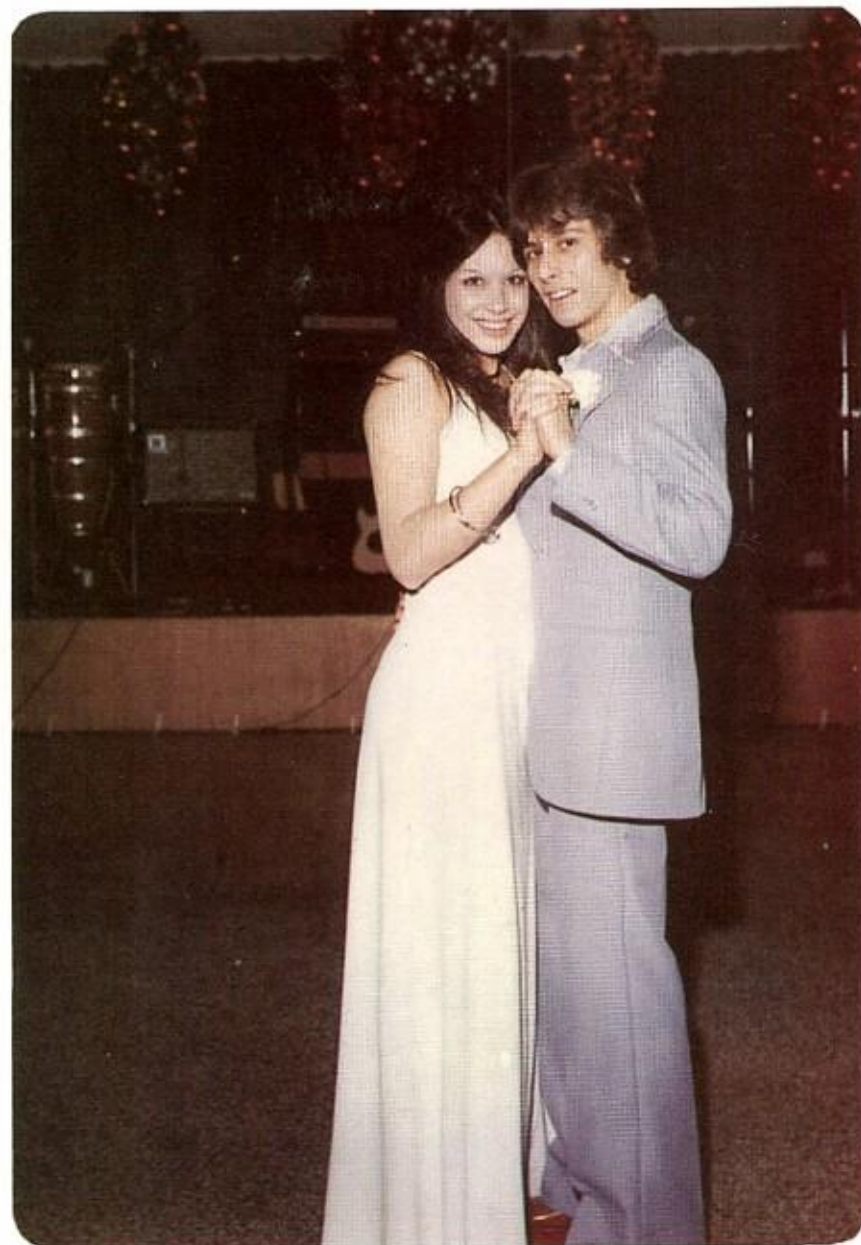

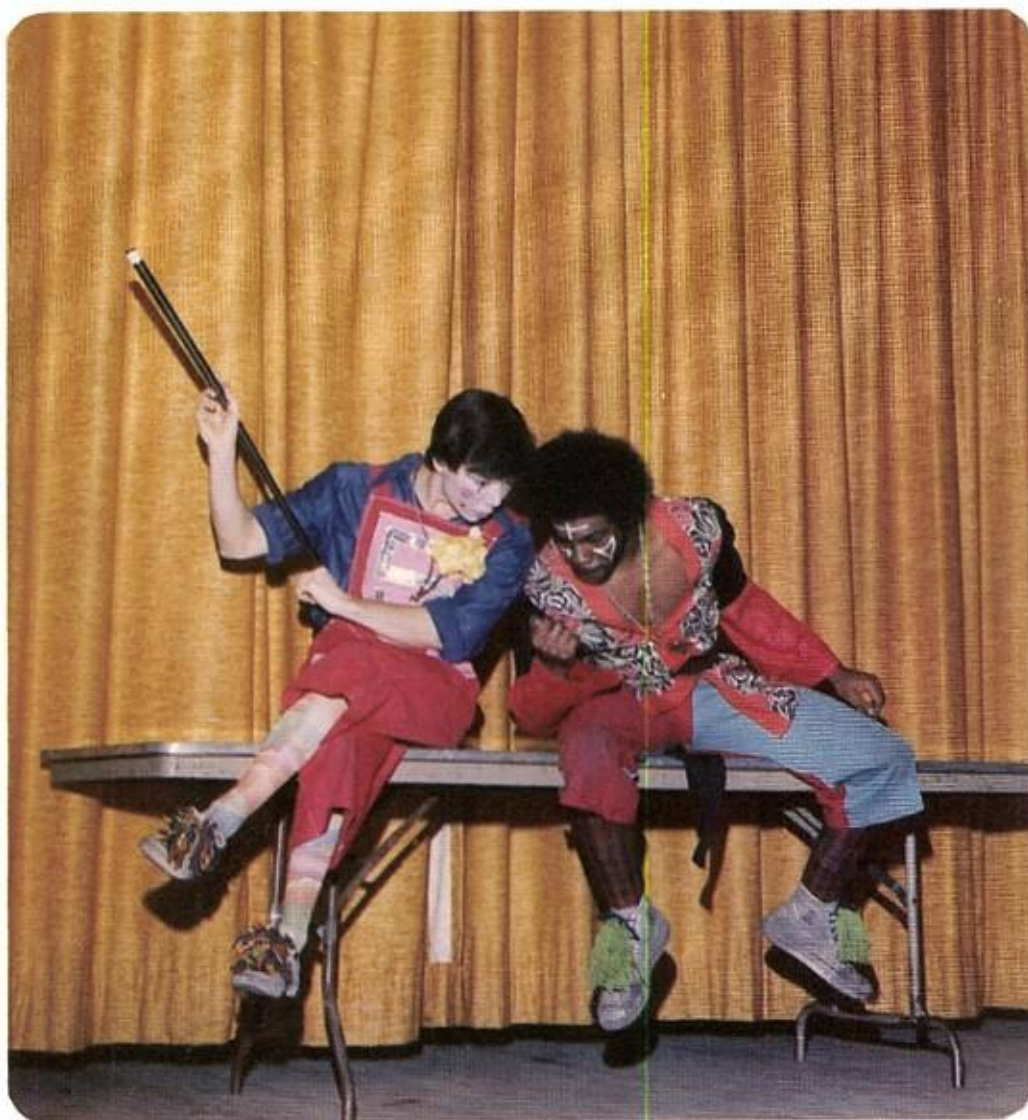

A variety of characters could readily be seen on the hallways of Catholic Central on October 31. Ghosts, monsters and witches haunted the eerie halls while Raggedy Anns and Andys sparked a sense of wonder and childishness as they sauntered along. Other costumes ranged from Bicentennial outfits of old to the latest Mad Hatter style. Also evident were bums, elves, country girls and even dear Santa Claus appeared on the scene.

In the evening a Halloween dance was held in the cafeteria. Original costumes also highlighted the evening. Both events were sponsored by the Spectrum Club.

RINGS . . . QUEENS . . . BLESSINGS

twelve Senior men and twelve Senior women led a procession to the statue of Mary where Queen Karen Sanders, escorted by Mark Gallo, Student Council President, and Rick Habash, Senior class President, crowned the Blessed Virgin.

The evening concluded with a reception in honor of the Seniors and their families, hosted by the Junior class.

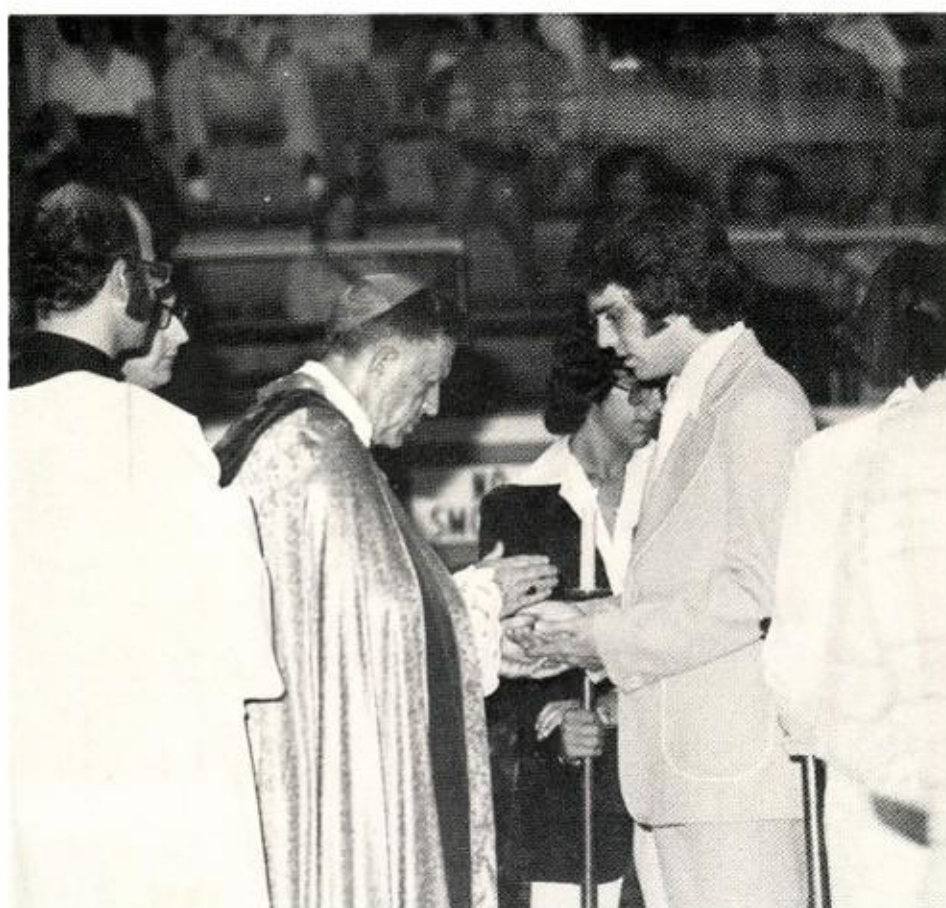

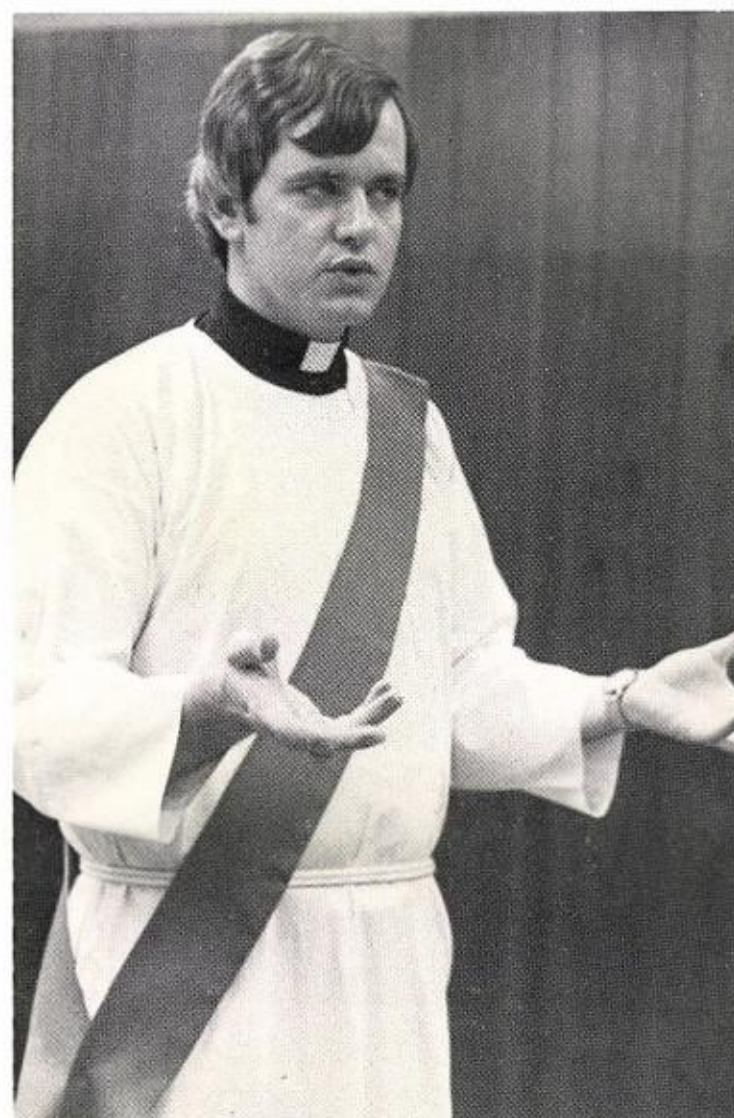

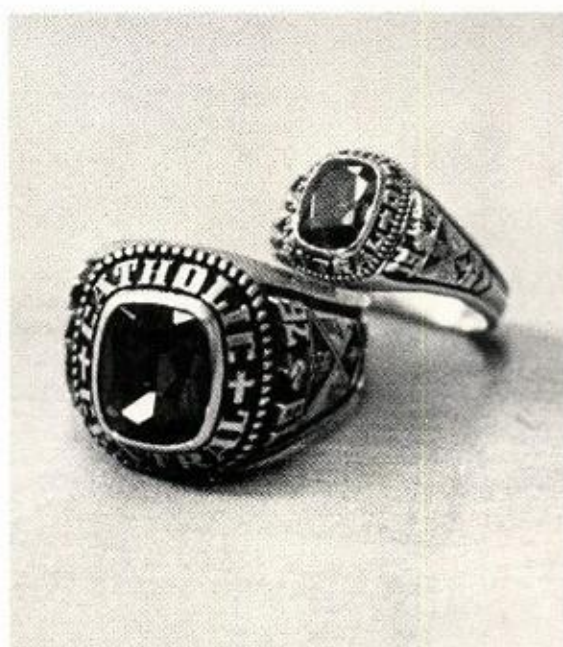

The muggy, rainy evening of Wednesday, October 15, failed to dampen the spirits of those present in St. John Arena for the annual Ring Blessing ceremony.

Instead, an atmosphere of joy and warmth prevailed as the procession of Seniors began.

Deacon Thomas McGough addressed the class and emphasized that each Senior is called to a life of recognizing that "God is first, Others are second, I am third."

Following the address, Bishop John King Mussio conferred his blessing on each Senior's ring.

The highlight of the evening was the crowning of the Blessed Mother. The elected court of

SWEETS . . . HEARTS . . . DANCING . . .

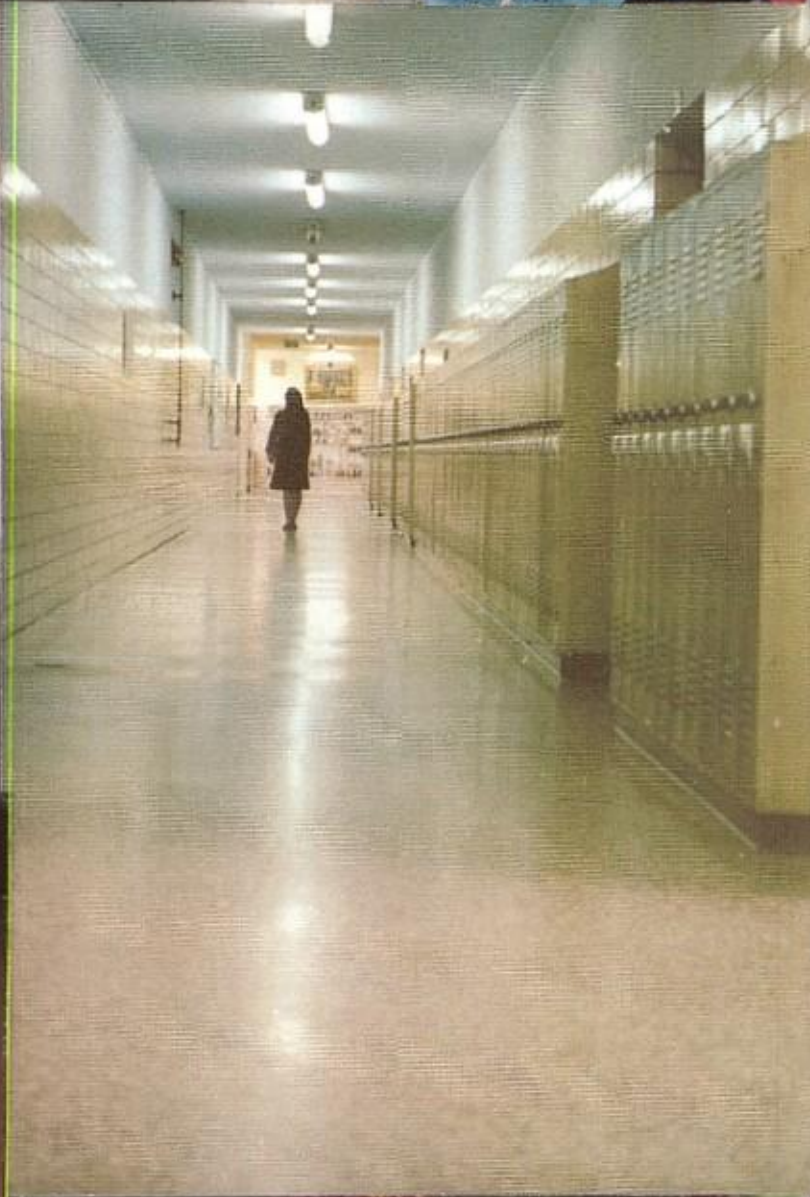

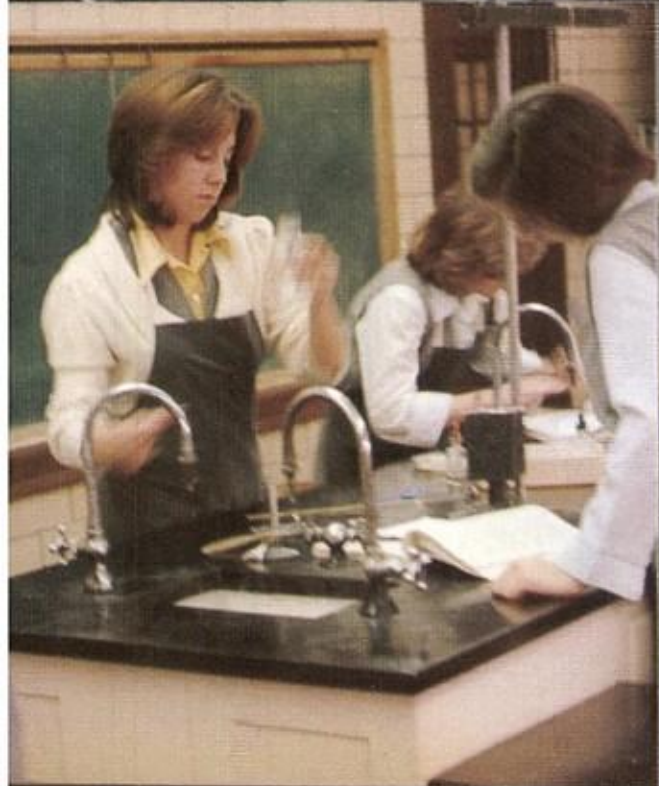

Winter's fury was still very evident, but at least exams and grades were behind us. Now it was time to be directed along the path of a new semester, a new month, new experiences and renewed goals. February afforded that opportunity and direction. Student Council preparations were being finalized for the Sweetheart Dance.

The night of February 21 was chosen. For some it would truly be an experience, because it is the only semiformal dance open to the entire student body. St. Agatha Hall was the place to be that night. The 91 couples danced to the sounds of "Hollywood," took time for picture memories, feasted with cake and punch, and simply allowed themselves to "get into it."

TOP LEFT: John Mantica and chaperon Mr. Gilmore dance to their own routine as Diane DeStefano, Student Council Secretary and John's date looks on. BOTTOM RIGHT: Jamie Callas, Diane Macre, Jay Donnelly, Jody Bartemes, Craig Carpico, Jan Lowther and Anthony Spagno take time for a quiet moment. BOTTOM LEFT: Tom Ball and Nancy Boka "bump" to the sounds of "Hollywood."

"All work and no play makes Jack a dull boy," and with this in mind, the assemblies at CCHS provided a break in the action. "Up with People" began it all with their electrifying October 1 concert.

To ease the rigor of unrelenting studies, we were taken on a trip down memory lane by the "Challengers" and then catapulted into the present with "Mercury." We were treated to a modern version of the life of Christ via Godspell, and the Covenant Players once again enlivened us with their stage and classroom dramatics. Strictly to enlighten all the M's's's's in the school, we had informative assemblies on school wrestling, Pirate baseball and modern dance. And how could we forget all our "peppy" rallies without which a school would never be complete nor we as students, ever be enriched. These were the breaks in the action for '76.

UPPER RIGHT: The New York cast of Godspell gives a sneak preview to a captivated audience of Crusaders. BELOW: Dino Giovannone, Bill Beck, Bob Wells, Ed Tomassilli, and John DiCarlo perform as the group, "Mercury."

"Ecstatic" best describes the reaction to a member of the musical group "Challengers" as he sings out a favorite. The group involved the students and faculty in song and dance from the 50's, 60's, and 70's.

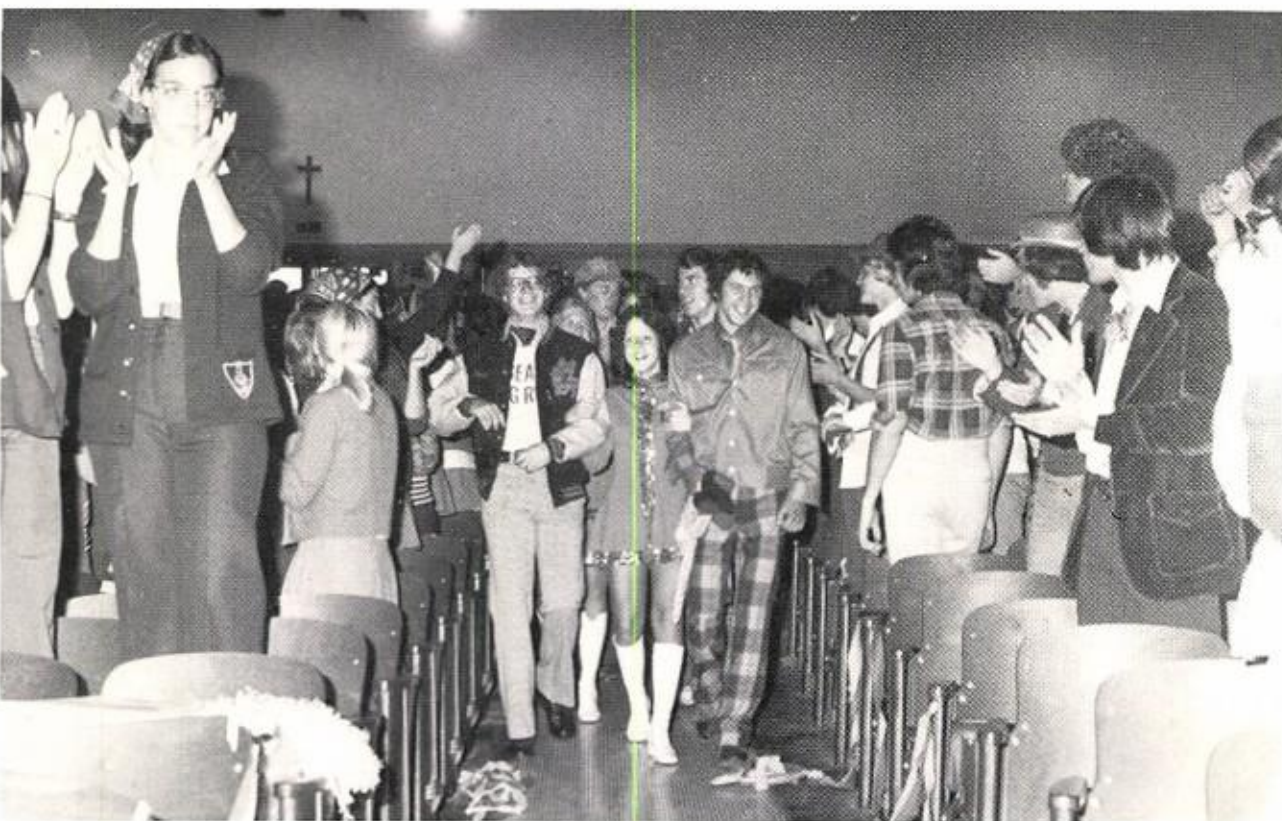

Fun with a moral lesson is demonstrated through acting by the always enjoyable Covenant Players.

BREAK! ACTION! BREAK!

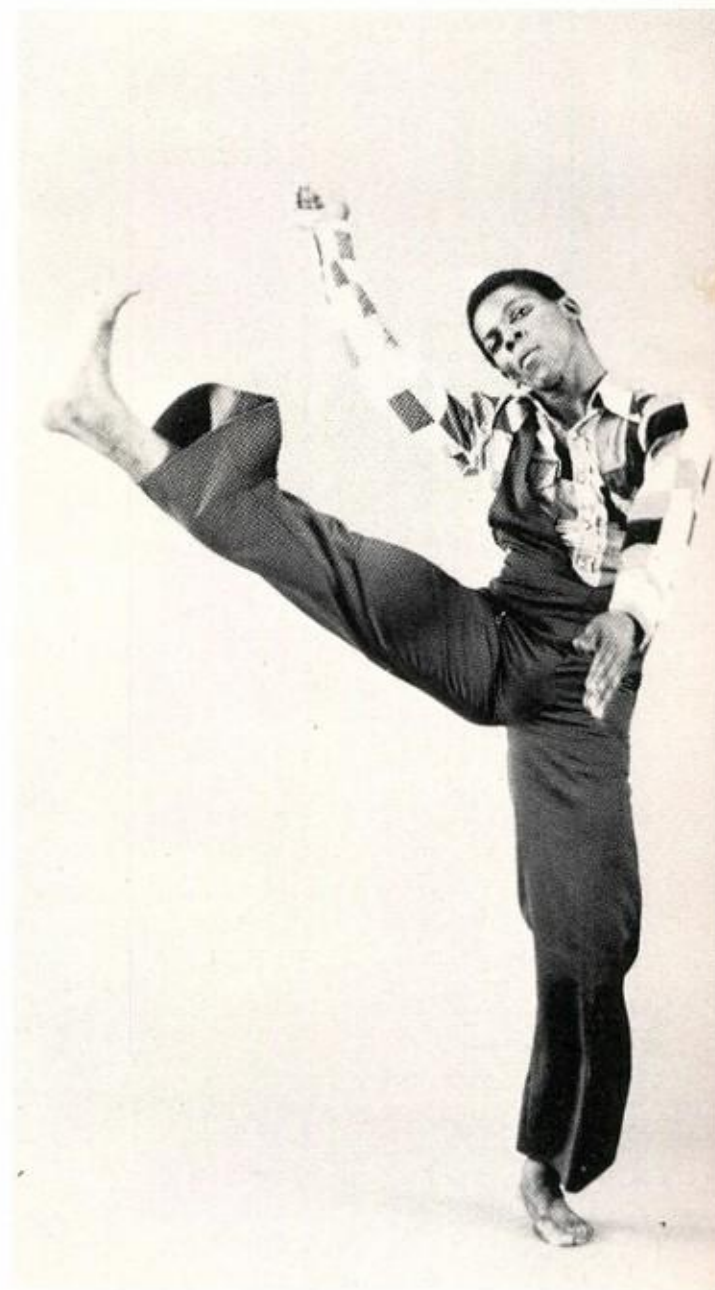

Classes, pressures, Study,
Study, Study!
The inside of my mind is Muddy,
Muddy, Muddy!
A break I say!
Right now, today!
A special assembly, Quick,
Quick, Quick!
It always seems to do the
Trick!

"Up with People" reach out to the students with song, dance and happiness.

Kathy Zorne escorts the proud senior football players Rick Habash and Greg Ulasiewicz to the pep rally assembly.

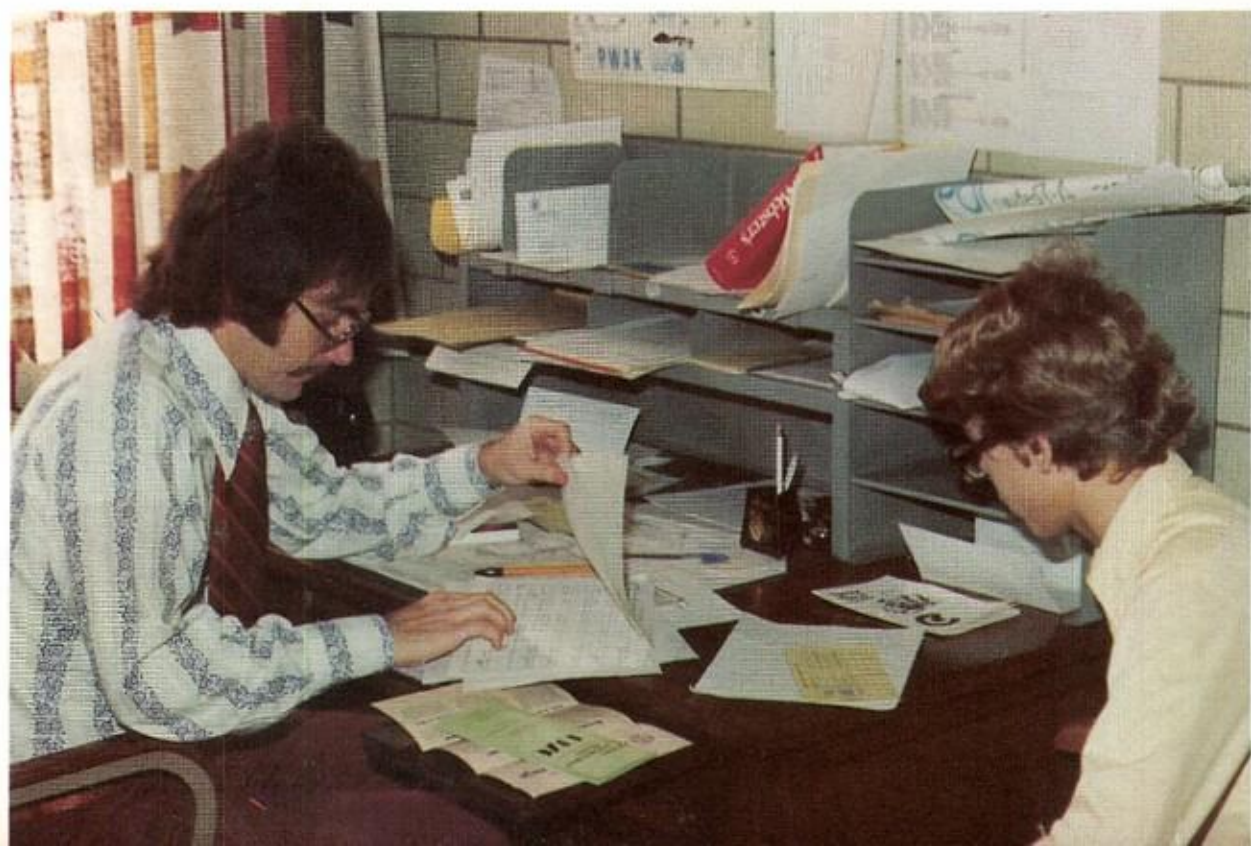

The technique of modern dance is performed by Raymond Johnson with grace, agility and word interpretation.

Curving,
Straight-edged,
Wide and long,
Short and narrow,
Are pathways
Traversed
Throughout life.
Crisscrossing,
Meeting,
Bridging,
Often with one beginning
Where another ends.
These are
The roadways of living
With twisting burdens
And parallel joys,
With days numbered and long
Or painfully short,
With so many avenues
To choose
In our search
For the direction
Of truth
And love
And peace.

Each milestone signals
Yet more possibilities,
More visions,
More opportunities,
In wayfaring through life
Using our talents
And potential
Along varied courses.
Yet always we are
Crisscrossing
Meeting
And bridging
With others
In the direction
Of our destiny -
To life
To God
To Others
To the realization
Of our truest self.

PRIDE . . .

SPIRIT . . .

TOP: Freshman Unity. MIDDLE: Sophomore Pride. BOTTOM: Senior '76.

The week of March 15 at CCHS was not an ordinary week by all outward appearances. An atmosphere of excitement prevailed as the students moved through thematic and colorfully decorated hallways and doorways. What was happening?? Spirit Week was in progress and all the classes were competing to determine who had the most spirit. Buttons were bought, themes were chosen, the decorations complete as all awaited the decision of the outside judges. The Winner?? "Take a Walk Down Memory Lane" as portrayed by the proud and spirit-filled Junior class. Reward?? A free day of their choice! Losers?? No one - for every other class was granted a designated free day. So was born a hopeful tradition at CCHS.

A ROSE . . . A CROWN . . . A DREAM . . .

The night of dreams begins with the carrying of a crown and a queen's bouquet. In precious simplicity, Chris Stanko and Lynn Ann Marshall bring forth the symbolic treasures of a future queen. They are unaware that their small, deliberate steps lead "One of the Most Beautiful Girls" closer to her dream.

Sharlene Humpe chose to wear a sleeveless red velvet gown with a matching jacket. She was escorted by Mr. John Humpe, her father.

Rene Cortez wore a light, rust gown under a rose patterned laced, fringe overblouse. Rene's escort was her father, Mr. Frank Cortez.

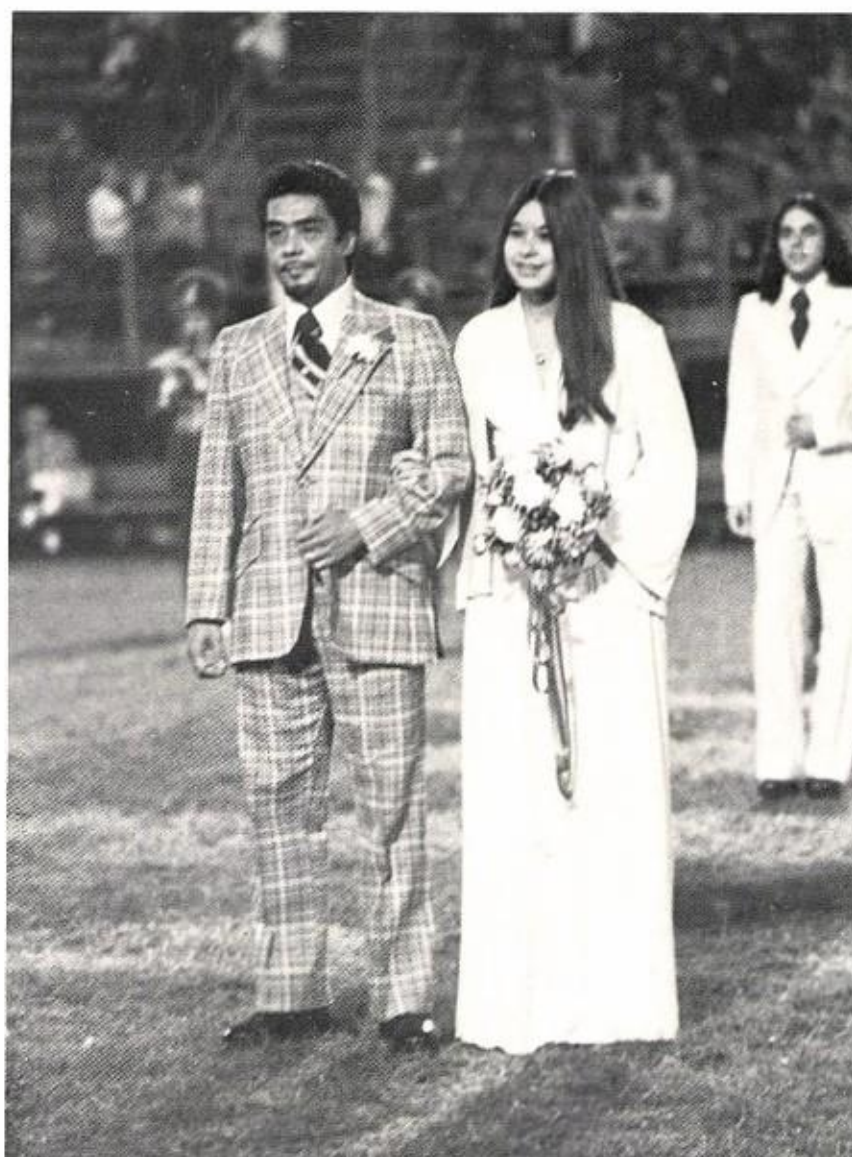

Debi Phillips was escorted by her father Mr. Clifton Phillips. Debi was arrayed in a green velvet gown accented by a lace jacket.

Karen Casuccio, attired in a rust velvet gown with an empire waist, and lace trimming the neck and sleeves, was escorted by her father, Mr. John Casuccio.

Rose Raymond dressed in a powder blue hooded polyester gown was escorted by her father, Mr. James Raymond.

Carmen Manalac, wearing a mint green, three piece quifana gown was escorted by her father, Dr. Fernando Manalac.

The half-time fans were waiting. The field was set. The carpet was unrolled. The band was in heart formation. The queen candidates, Karen Casuccio, Rene Cortez, Sharlene Humpe, Carmen Manalac, Debi Phillips, Rose Raymond and Lora Spagno were escorted onto the Harding Stadium field to the band's strains of "The Most Beautiful Girl." Each was hopeful of selecting the odd colored rose and thus be queen.

The roses were chosen. Who had chosen the one special rose? The uncovering began and the 1975 Homecoming Queen was the tearful and stunned Lora Spagno. She was immediately congratulated by her brother-escort, Alex Spagno. LaLa Leone, our 1974 Queen, then crowned Lora and a new reign began.

The final "crowning" was the victorious reign of the Crusaders over Youngstown East by the score of 33-6. The night of October 4, 1975 concluded with a dance for a Queen, her court and her team. It was a good night.

"Just You and Me"

The Kentucky Derby is known as the "Run for the Roses" and is a traditional May happening! So, fittingly, each year, in the month of May, CCHS's prettiest "fillies" exquisitely groomed, "parade" and "prance" and "dance" proudly for all who care to view. Each filly dazzles her particular "jockey" who compliments her in his "colors" and showers upon her a bouquet of flowers. He handles her lovingly and with great respect as becomes all thoroughbreds. After an evening of whirling excitement to the "fast-paced" footbeats of WHAM at the J.C. Williams "stables," each filly steps to the "winner's circle" for pictures. In further appreciation, she is treated to a fine meal and an afterglow. "Our Run for the Roses" is complete - our Junior-Senior Prom - "Just You and Me."

"You are the love of my life . . ."

". . . you are my inspiration . . ."

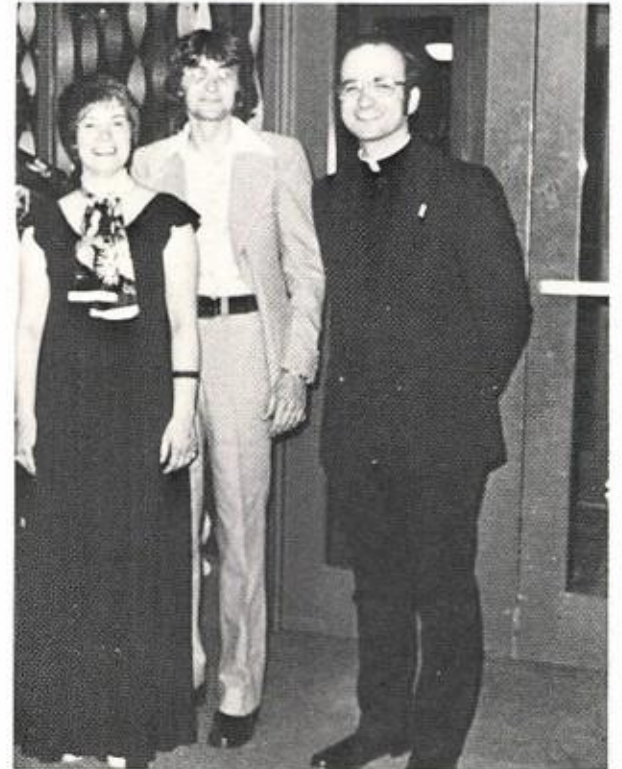

THE PROM COURT: Kathy Kaczmarek and Rick Lanciault, Renita Potenzini and John Peters, Queen Cindy Ciancetta and Dave Szydowski, Diane Macre and Bob DeLeonardis, Rose Raymond and Dave Marangoni, Patti Baczewski and Greg Ulasiewicz.

" . . . Just you and me - simple and free . . . "

Mrs. Krisak, Junior moderator, poses for a memory shot with her husband and Fr. Massucci.

"You're kidding! Tell me another one."

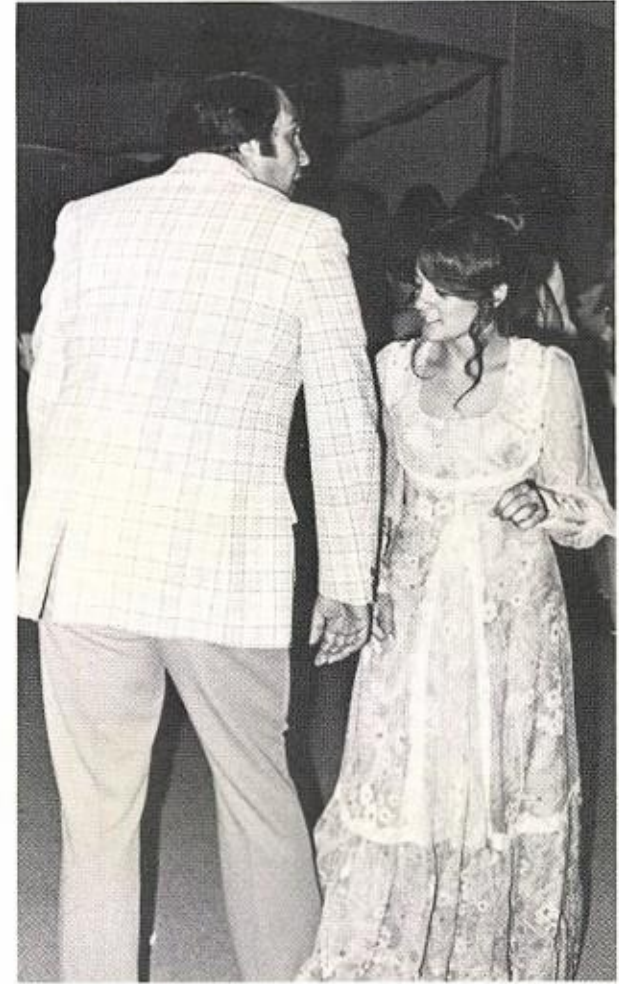

Bumping is magic - especially at the Prom.

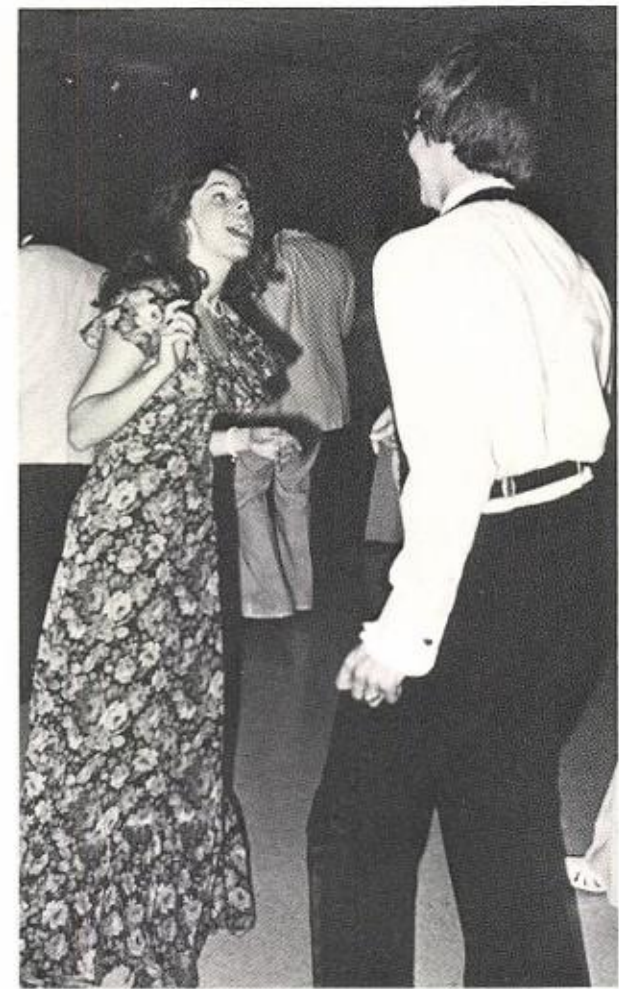

The gang's all here!

Teacher . . . student . . . a new vibration.

Getting into it.

A singin' and a dancin'

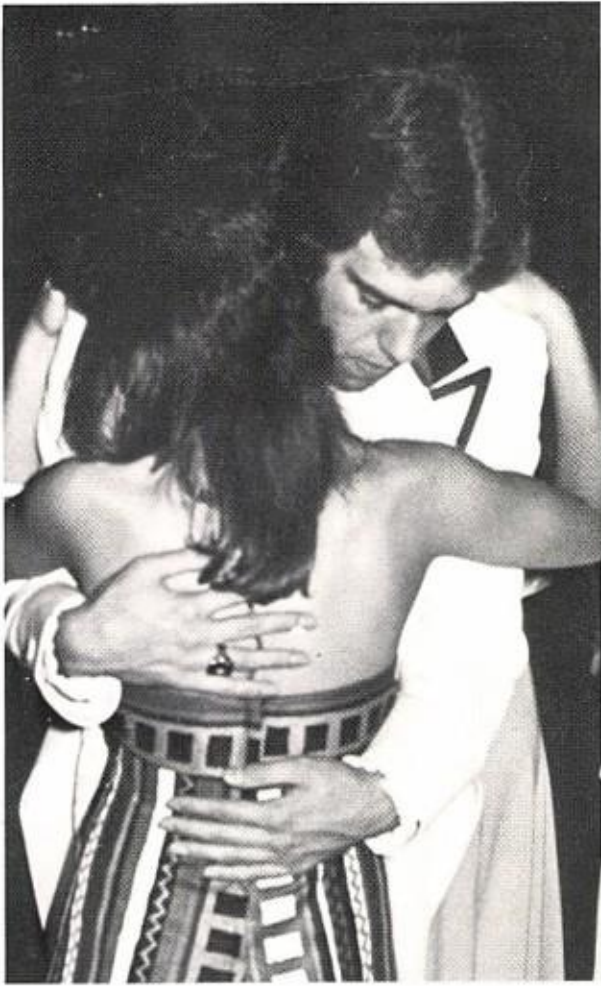

Here we are . . .

. . . movin' on!

Caught!

" . . . hold me close, never release me."

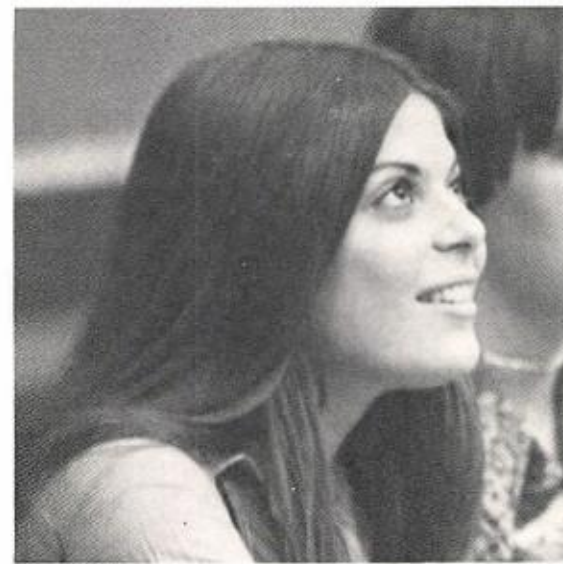

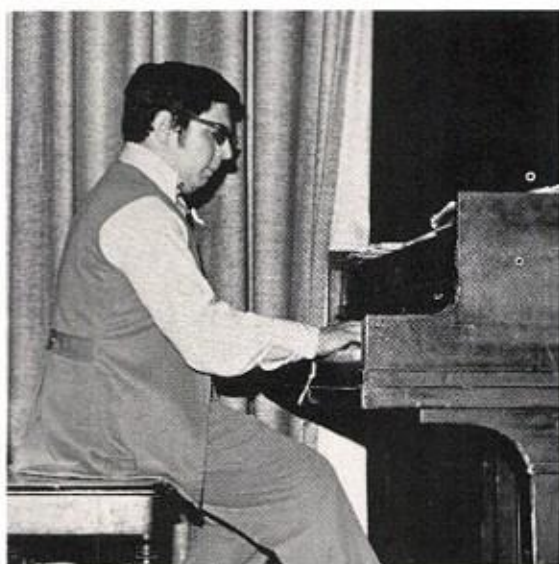

"Baby, you're everything I've ever dreamed of."

Long Skirts . . . Greased Hair . . . Rock-n-Roll . . .

Remember the days of long skirts, bobby socks, greased hair, leather jackets and motorcycles? Well, on Friday, May 7, the Senior class sponsored a Sock Hop complete with pictures taken on motorcycles and a Jitterbug Contest, which Kathy Zorne and her date won. The group, "Flashback," entertained with a variety of songs from the 50's through the 70's. The music and style of clothing gave the students a chance to escape from their usual lives and step into a past generation if only for an evening.

MAY 30 . . . GRADUATION . . . CLASS OF '76.

The closing of four years of sharing - experiences, activities, special moments, friendships, sorrows, joys. Thoughts of many times of giving - time, effort, energy, working together in a sense of pride and unity. Leaving behind - lockers, lunches, detentions, clubs, schedules, games, uniforms, dances, memories of four special years.

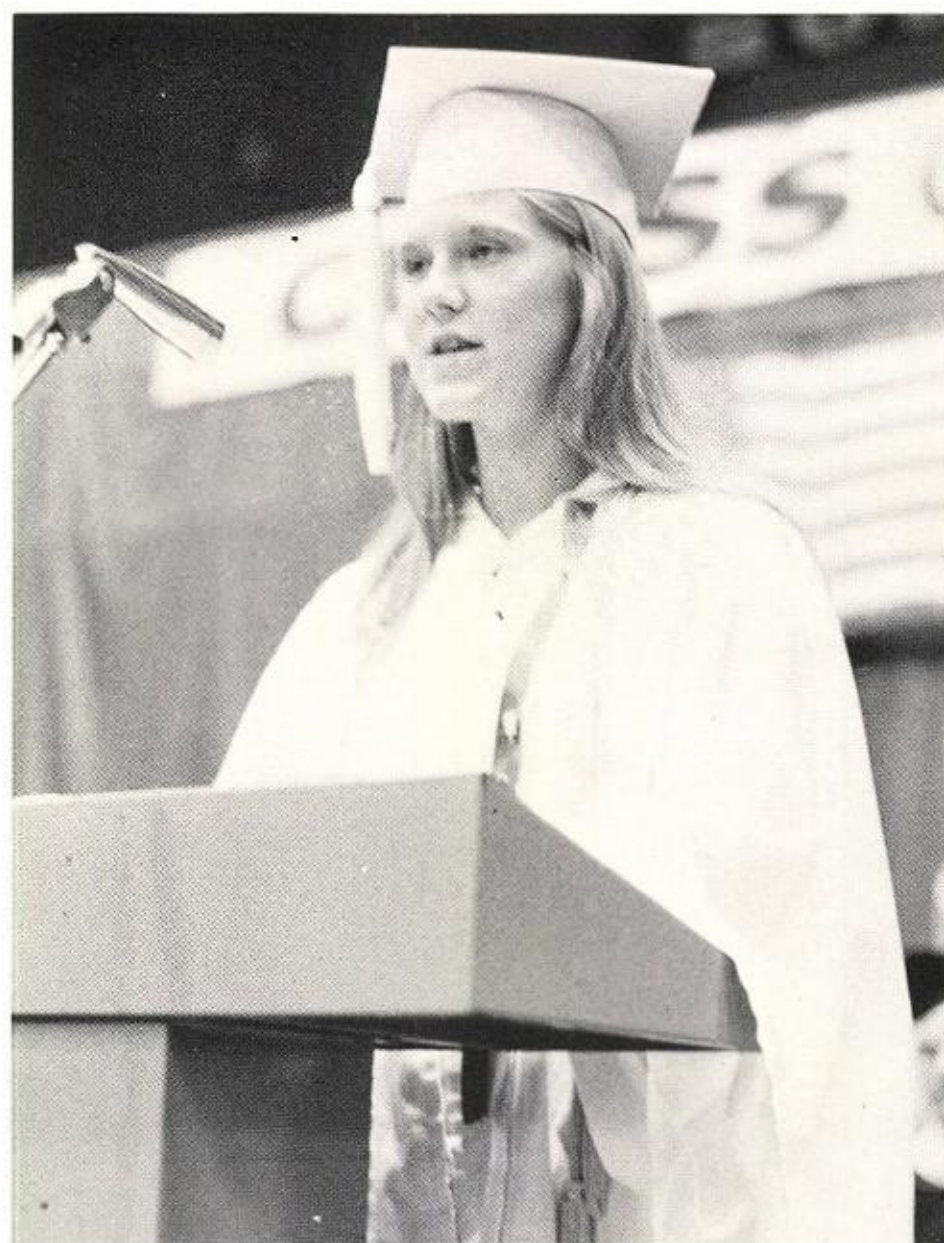

This is expectation. This is achievement. This is Graduation.

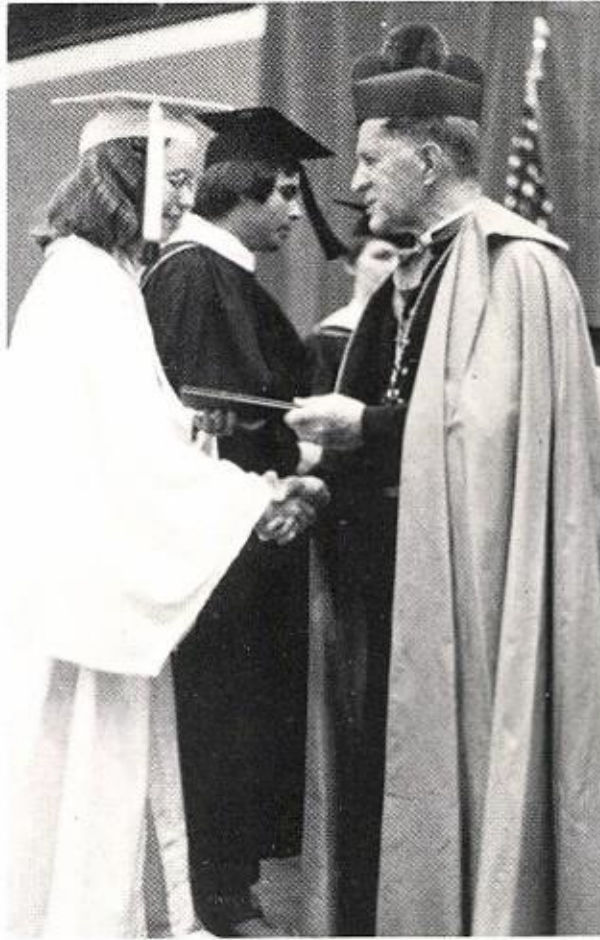

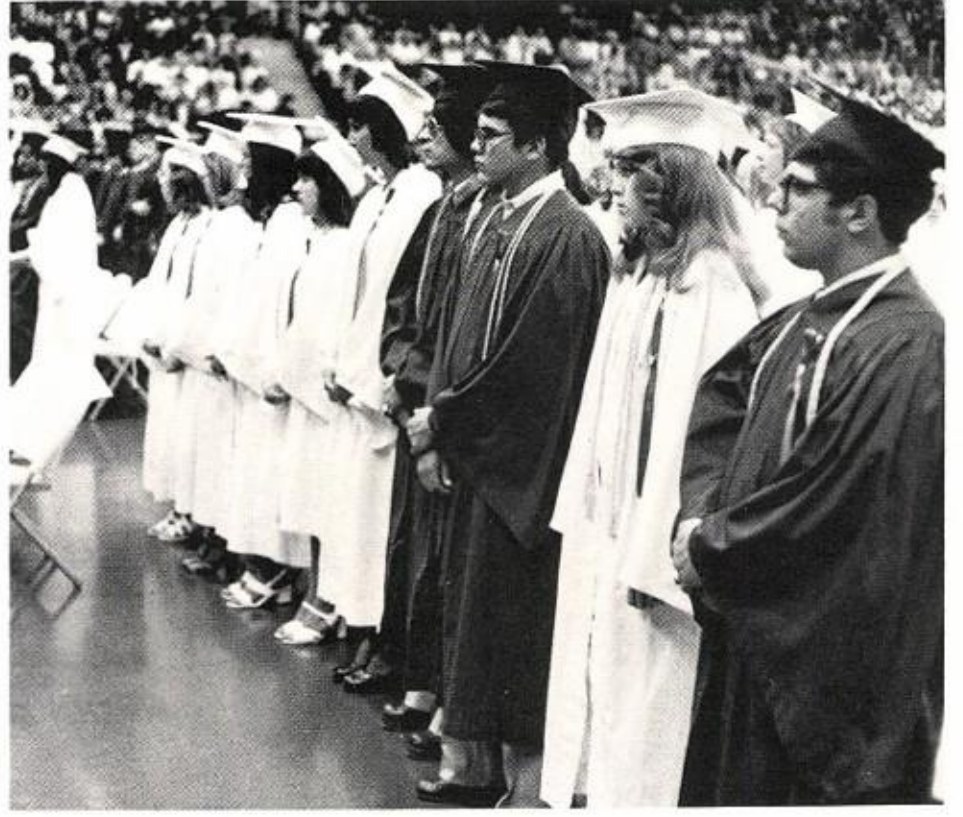

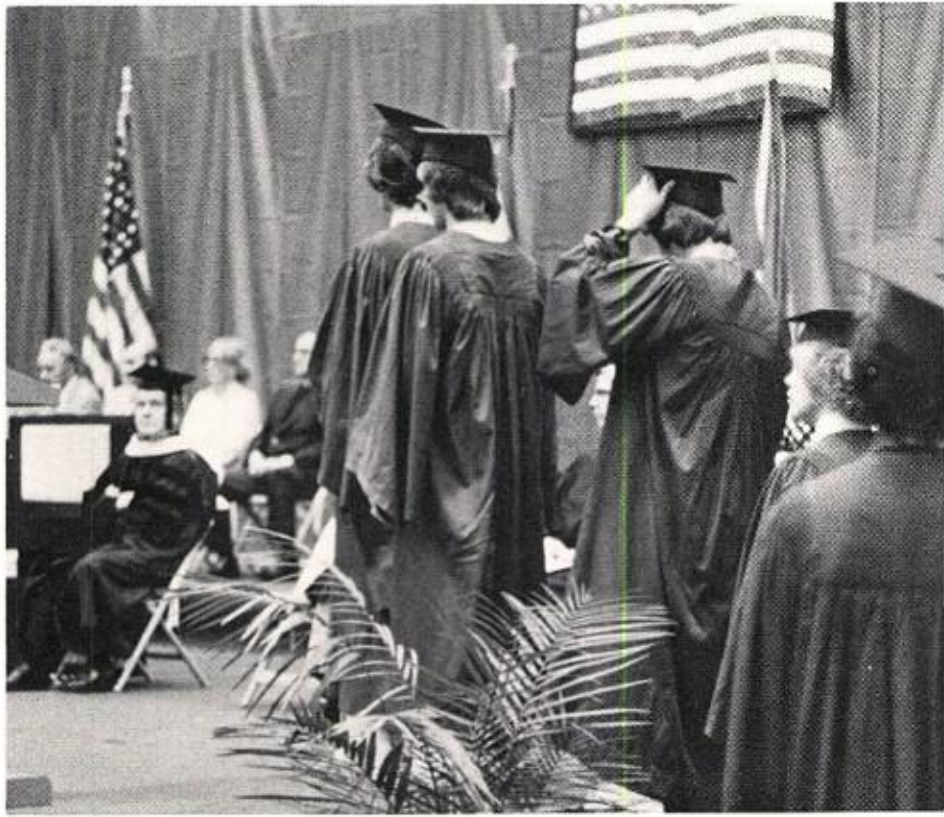

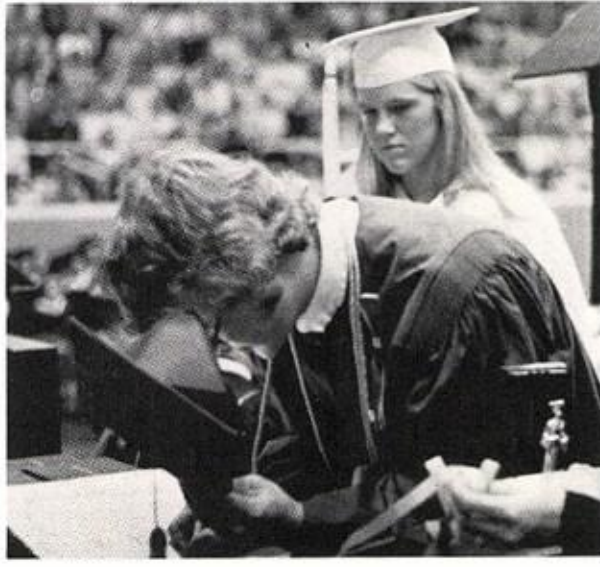

Father Tuttle addresses the 180 Graduates.

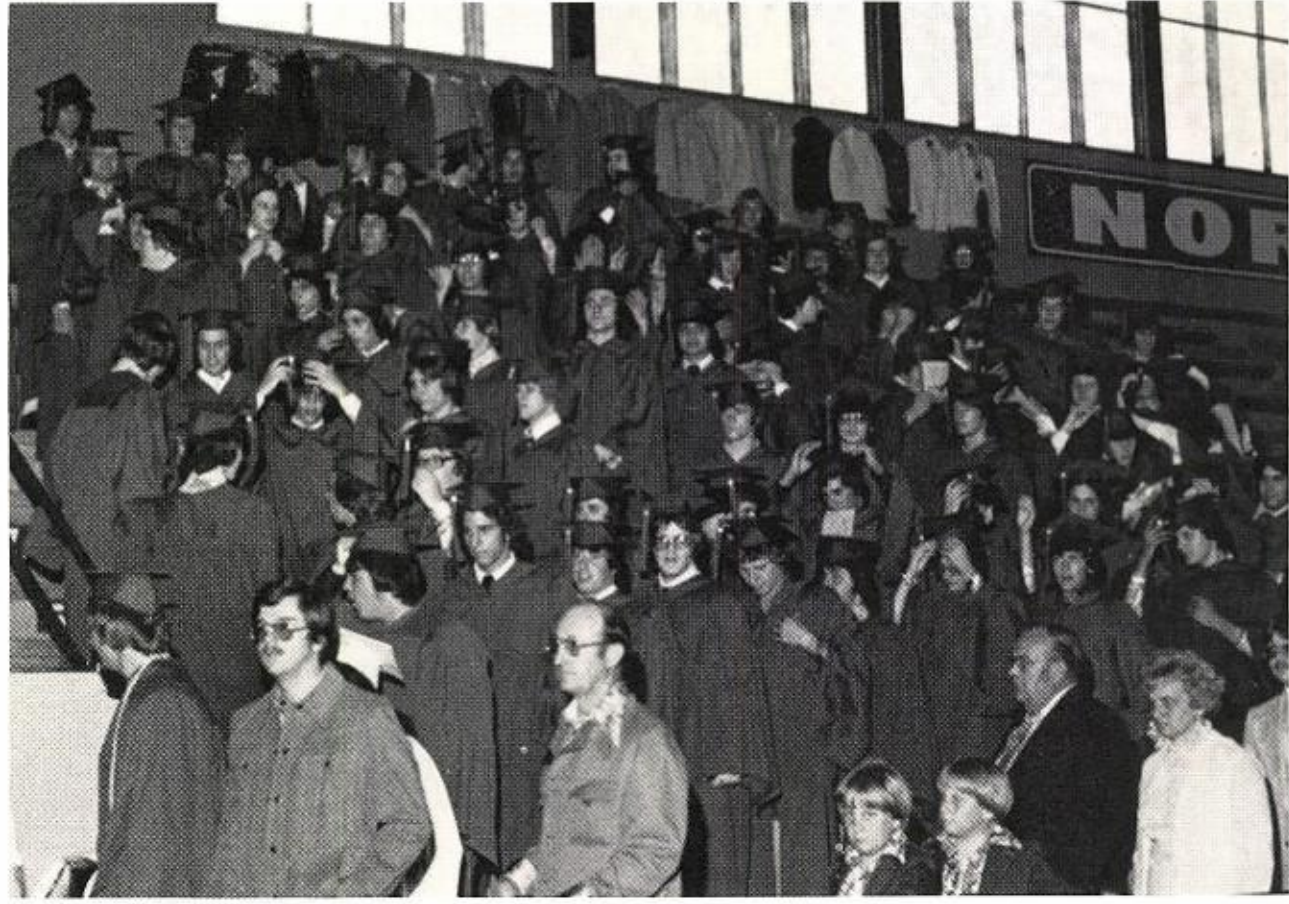

OUTSTANDING BOY
Richard Habash

OUTSTANDING GIRL
Lynne Turel

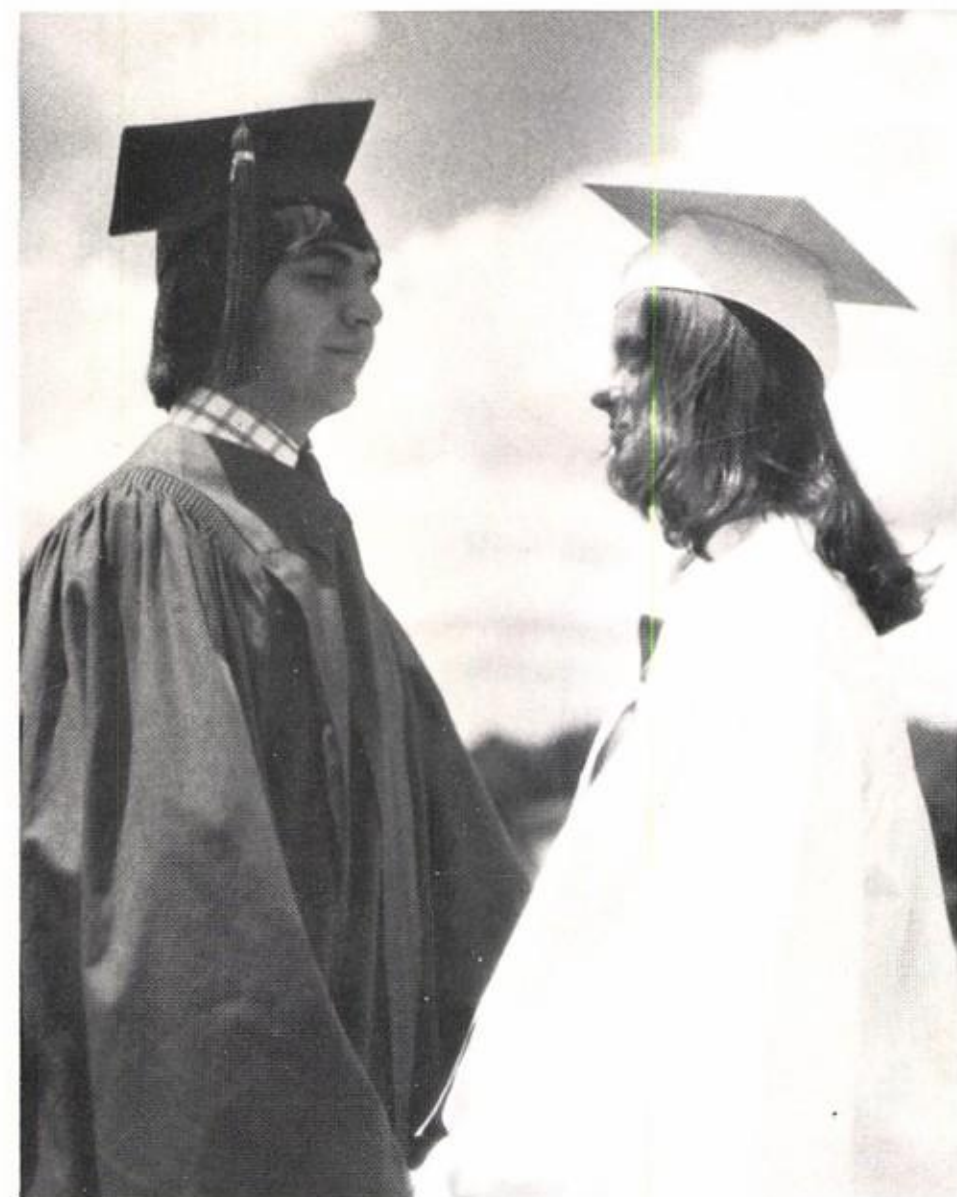

We came to Central, apprehensive and fearful.
We leave Her, amalgamated in goal and in love.

We came as independent entities,
amassed because of common Faith.
We leave as a unified mass,
expressions of this Faith incorporate.

We came as islands in a vast sea.
We leave as a bridged archipelago.

We came to Central as a light;
were then brought together as a single point;
Now -
We leave this prism, diffused from the point,
extending our colors unlimited.

Reflections of Mark Gallo

"We are from beautiful Ohio,
And we think that Steubenville is grand,
And we think Ohio is the finest,
It's the best state in all of the land.
We will praise the USA for ever,
Three cheers for the red, white, and blue.
Rah, Rah, Rah!
Tally up the score, as we did in games before,
As Crusaders go marching by."

EXCELLENCE

OF THEE WE SING

Each person is different, and therefore each takes a different path toward his or her final goal. Although each of us must choose our own path, there must be guiding influences. In high school, where each student is beginning to think about which direction he is going to take, the most important influence is the teacher. The teacher has charge of the student more often than anyone else besides his parents. Therefore, the teacher's attitude, not only toward his or her subject, but toward everything in general, has a definite influence on the student's life. Since this is true, we here at Central can be very thankful that, for the most part, our teachers have such a positive attitude. They are a decided influence in our lives, although they are not always recognized as such. Thus we should try to realize this, and sincerely say to them: "Thank You."

MOST REVEREND JOHN KING MUSSIO
Bishop of Steubenville

From the opening Mass on the first day of school to the moment when the last senior receives his diploma, Bishop Mussio's influence is felt among us. He is not only the

supreme authority in our school, he is personally concerned about everything that happens here. For all his service in this and past years, he has our love, respect, and gratitude.

Religion, Social Studies

"Both Social Studies and Religion help the student become more aware of his/her possibilities in life."

A Path of Personalities

At times, many of the students fail to see their teachers as individuals who have their own distinct personalities. Instead, the students may stereotype the teachers and place them in one unfavorable category.

Therefore, to emphasize the diversity of their personalities, the staff asked the teachers to express their ideas on the theme - ALONG MANY PATHS IN ONE DIRECTION. The quotations found in this section indicate their responses to any one of the following questions.

- 1) How do you feel this theme relates to CCHS?
- 2) In what direction do you feel we are heading?
- 3) Do you, as a teacher, feel that you are helping the students to follow in the right direction?
- 4) How do you feel your particular subject helps the students to follow in the right direction?

SR. JOHNNICE BORER
English

"English opens the way to explore many aspects of living - hopefully in the direction of personal growth."

"Now you understand, students, that fishing is strictly forbidden."

SR. M. CORONA
BORDENKIRCHER
Library

"The library surely is most useful."

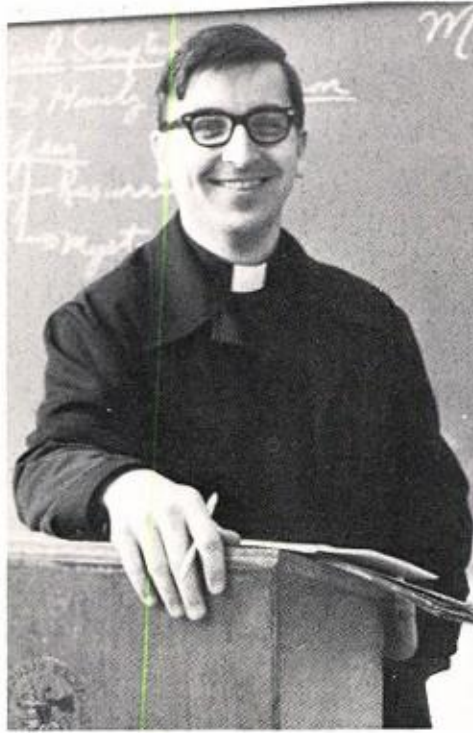

MR. DONALD CAIAZZA
Music

"It's only when you can put groups of individuals together, and they can learn to work as one, can you as an individual become part of an harmonious group."

FR. GERALD E. CALOVINI
English, Cultural History

"This (the theme) I believe attempts to show that though we are many, each with our own unique personality, our goals should converge at one point."

FR. JOHN M. CAMPBELL
Religion

"We come to this school from different backgrounds and ideals - we are united in one truth and one way of life in Jesus."

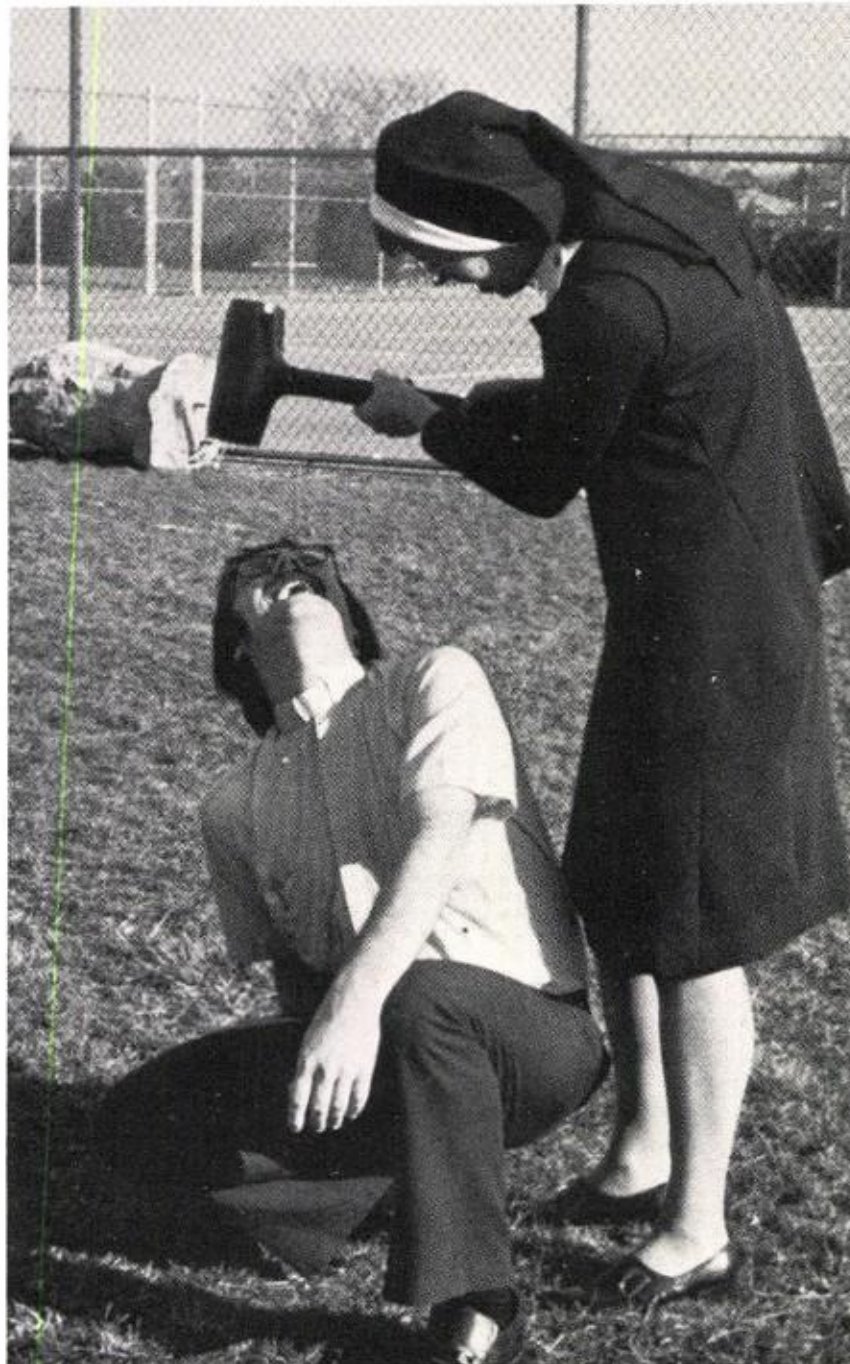

SR. BARBARA CATALANO
Science

"I see myself - at times - as opening the minds of the students to the richness of nature and both stimulating their mental development as well as equipping them for future needs."

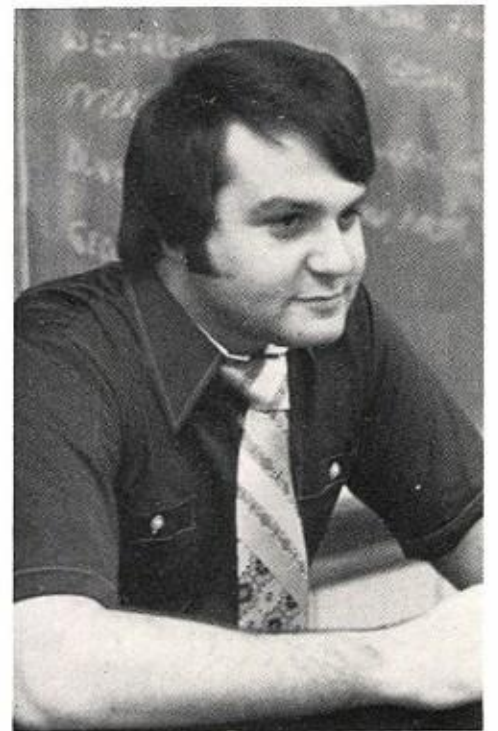

SR. CAROLINE CASTELLINI
Social Studies

"Because we are a Catholic school we are working toward the education of the whole person: spiritual, intellectual, psychological and physical."

"Sister, you wouldn't dare hit me just because I told you that I couldn't drive you home!"

MR. CLYDE DIANGELO
Science

"Many different subjects are being taught for the total education of the student. This allows for a well-rounded education in life."

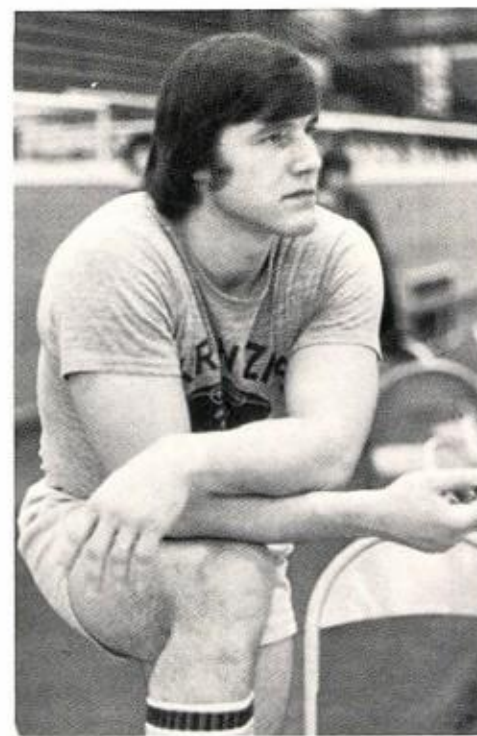

**SR. MARY MARTIN
DIFFENBACH**
A-V Media Center

"Our A-V and library books give a wide variety which is helpful in many ways.!"

FR. MICHAEL DiRENZO
Religion

"Central is but a means to help each individual reach out to whatever direction he may choose. Each year, each subject, each experience, each person met is a path in that direction. Religion can be the indicator!"

MR. GARY GREEN
Health, Boys' Physical
Education

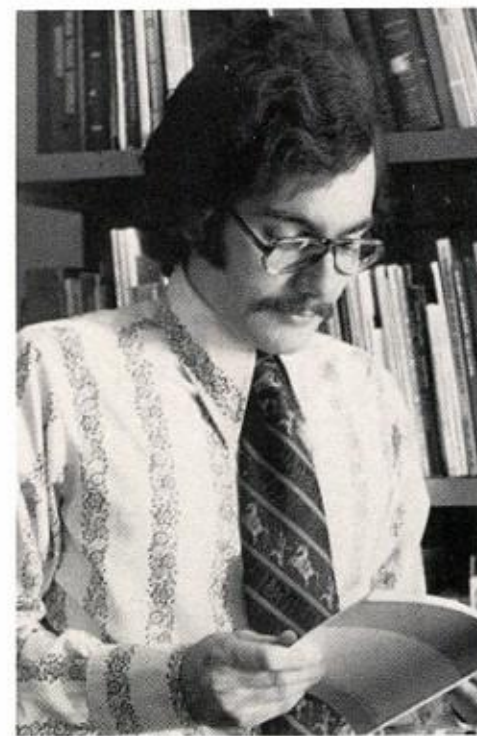

"Each course, although different, aims at one goal - total education of the student."

MRS. MILLICENT HINES
French, English

"The administration seems to be more concerned with students' feelings and wants. We seem to be headed away from a strict administration to a more lenient, understanding atmosphere."

"Mr. Vargo, we've really got to stop meeting like this."

MR. JAMES N. HOLDEN
Guidance

"In Guidance, the student can open up new horizons, read about careers and opportunities and not feel trapped into one set profession or life style."

MRS. GLORIA HOOPER
Home Economics

"Home Ec. is a subject that will help the students very much after they get out of high school."

MR. DAVID JOSEPH
Social Studies, Science,
Phys Ed.

In response to the question, "In what direction do you think we are going?" Mr. Joseph answered, "Towards the best direction we can go - forward."

FR. JOHN KOLESAR
Auto

When Father was asked how he thought the yearbook theme related to CCHS, he replied, "Beautifully."

MRS. HELEN KORODE
Foreign Languages

"We have to master and remember the basics before we can go ahead, so self-discipline and a mature attitude are necessary for success."

Father DiRenzo and friend are doing what they do best - scorching around.

MRS. EILEEN KRISAK
English

"The idea that keeps coming back to me is that through all the various disciplines our goal is the whole, integrated person."

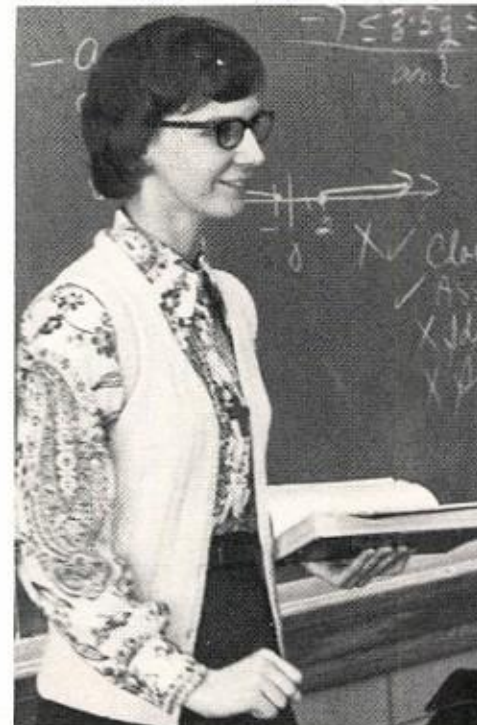

MISS JANICE KROMER
Math

"I believe we are heading toward self-improvement and self-realization for all students."

Art class is where you find out how much talent you have and Sr. Ellen aids in that discovery.

SR. MARTHA KUNESH
Math

"I feel that I try to help the students by showing love, treating them justly as well as teaching the material."

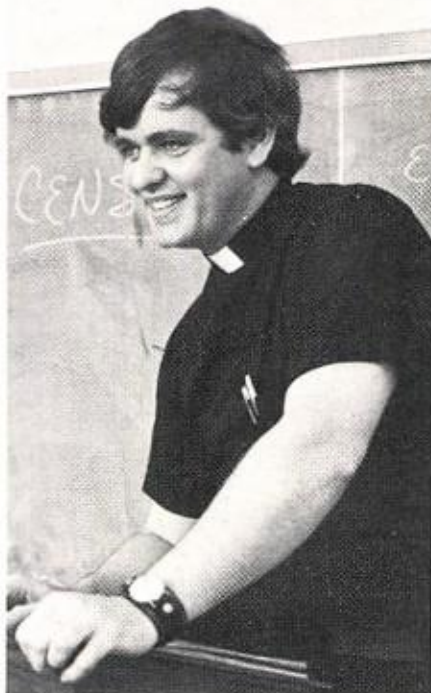

MISS CINDY LOGAN
English

"Hopefully, English helps students to express themselves in a way that reflects self-esteem and concern for fellow human beings."

DEACON THOMAS V. McGOUGH
Religion, English

"One common goal at CCHS has to be becoming the best possible individual each is called to be."

MISS TONI MAGNONE
Spanish

"Communication is the first step to understanding one another."

SR. NORITA McMAHON
Library

"The diversified curriculum offered at CCHS is indicative of the many paths that lead to the pursuit of truth."

SR. ELLEN McNULTY
Art

"Art classes provide experiences of working with others and opportunities that encourage respect for the gifts of others."

Here we find Sr. Corona deep in thought during a busy day.

MR. WARREN MILLER
Math

"I feel I'm helping them (the students) because I'm involved in one of the many paths leading to the total education of the student."

MR. FREDWIN OSTHOFF
Math, Mechanical Drawing

When asked how the yearbook theme related to CCHS, Mr. Osthoff replied, "It exemplifies the diversity of the CCHS learning patterns."

MR. HENRY PIETRZAK
Science

"By making them (the students) more at ease with themselves through knowledge, they should better be able to relate to others."

MRS. VERA PAULOWSKI
Business

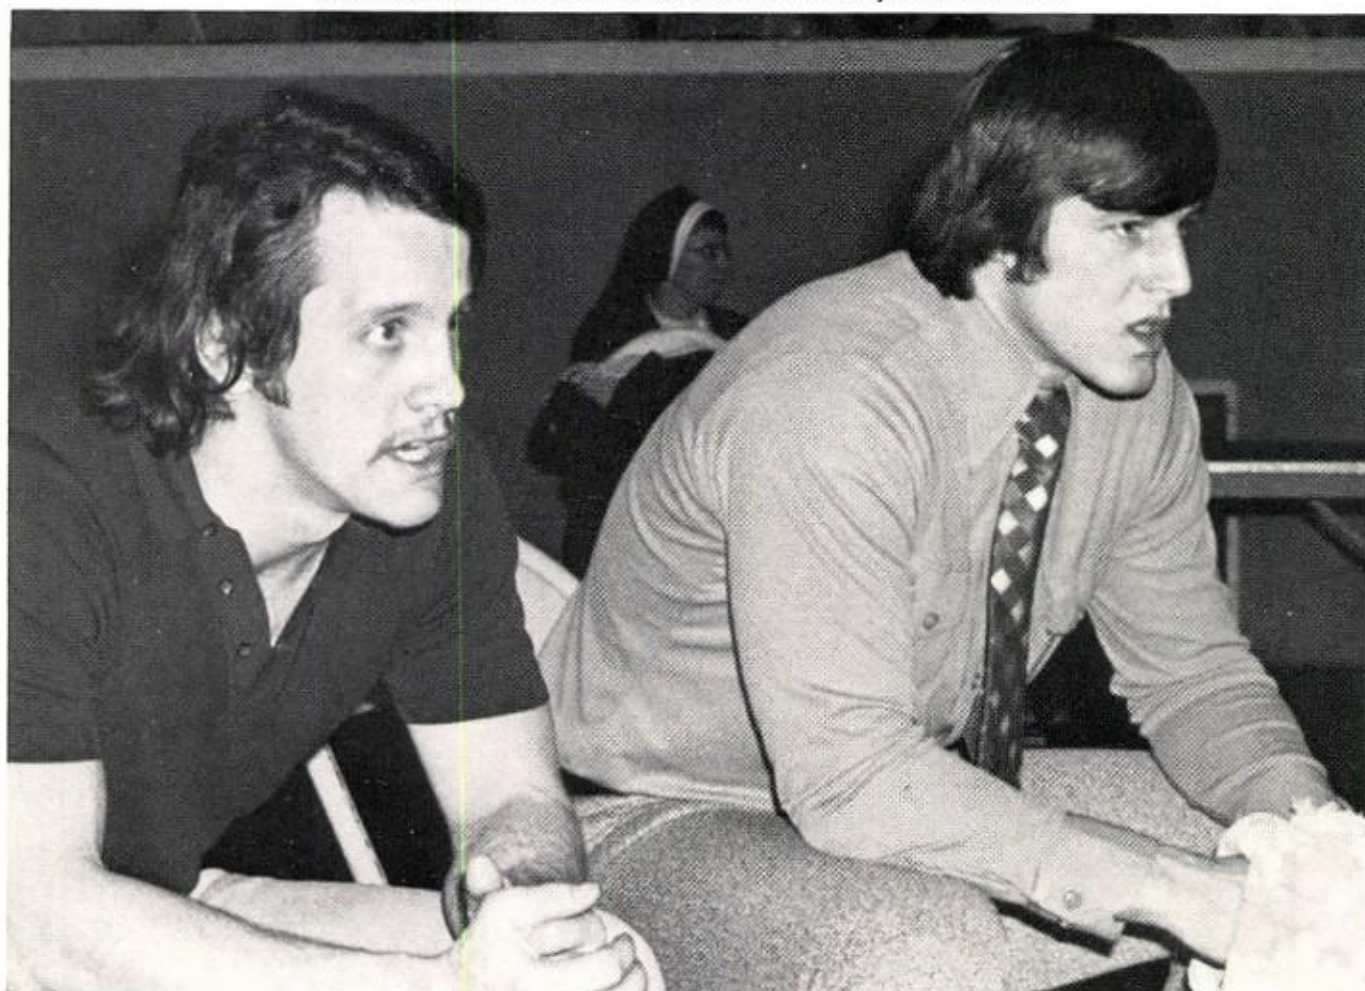

"All of the students are going to realize their own potential, but each will do it in his own way."

MR. RON SPOZIO
Social Studies, Family Living

"A teacher is a means by which a student can not only gain an education but gain knowledge of life through experiences."

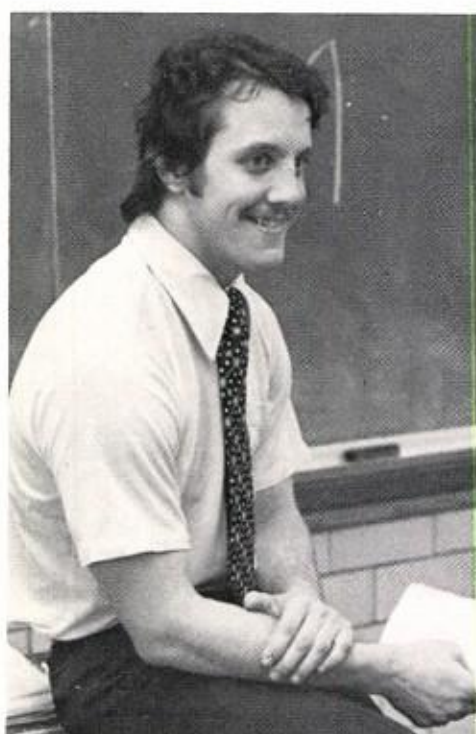

Coaches Stewart and Green concentrate intently on the match.

SR. MATTHIAS STERNER
Religion, Family Living

"The direction is clear, but constant renewal and determination are needed on the part of all."

MR. JAMES STRYKER
Industrial Arts

"Onward and upward is the direction in which we are heading."

SR. DENNIS TISLER
Math

"I feel that we are moving toward a greater degree of academic excellence and more opportunity for individual personal growth as Christians."

MR. CHARLES STEWART
Science

"Science is life. Through the study of science, the student can become more aware of the phenomena which surrounds him."

MRS. MARY A. SUNYOGER
English

"By reading about situations and characters in the literary works, the student should learn more about life."

MRS. MATILDA ULASIEWICZ
Girls' Physical Education

"Phys Ed is a great place for new experiences. It gives students an opportunity to come in contact with different equipment, have fun, and learn."

Here we see the latest fashions in cheerleaders' attire.

MR. STEVE VARGO
Band

"A band is like society - you work hard for self improvement thereby improving the entire group through cooperation and honest effort."

SR. GREGORY
WARMCASTLE
Latin

"The study of a great nation that declined because of its weaknesses should be a warning to all who really care to light the one candle that will shatter the darkness."

SR. LOIS ZETTLER
Religion, Social Studies

"All learning strives to find truth; thus, all learning enables persons to become mature, sensitive, and searching people."

MISS LILLIAN ZUROS
Business

"Teachers try to provide a solid background in their subject areas. This background allows the students to grow in several ways."

Dear Seniors:

Graduation day is like a Pentecost for all the young men and women who at this session have come to the end of their years of basic formal schooling.

When the apostles left Jerusalem after the tremendous thing that happened to them in the midst of the whirlwind on Pentecost, when they scattered into various parts of the world, they did so with clear conviction that their task was nothing short of the winning of the world to Christ. With single-minded devotion they were dedicated to its fulfillment. According to tradition, all of them died as martyrs, except St. John, and only by a miracle was he saved from that fate.

Not all graduates, of course, will be imbued with that same sense of dedication. But, if they are to have peace of mind as they make their way in the world, there must be acceptance of God as having a rightful place in the center of life and acceptance of the responsibility to fulfill in the best possible way the commandment which Christ said was supreme: "Love God with your whole heart and mind and soul, and your neighbor as yourself."

It is always sad to meet someone who apparently has stopped short in his growth to maturity. In every department of life our minds should continue to grow. As we get older, we become wiser, or should become wiser. We learn more about our jobs, about our hobbies, about politics, if that is our interest. Surely it is also a duty that we have to learn more about our relationship to God and our fellow human beings.

Knowing God is a process that should begin at an early age at home. It continues with the formal lessons of the catechism and expands with the continuing growth of the mature mind. This growth is an essential condition of human life. The human mind that stops learning is a stunted mind. To know God means to thirst for increasing knowledge of Him in the very moment of death.

In this sense, graduation is only the very beginning of the process by which an individual becomes truly educated. But no one can do the job for the individual. It is his personal responsibility, and he must use whatever talents and abilities he has to fulfill that responsibility well.

May the Lord bless each of you with the grace necessary to grow in maturity.

Glen,

What can I say? Really.

Even though there are some complications for which we can't hang around together, There's still alot of memories maybe someday will get to be allowed around each other, again. till then, we suffer! Please always remember me, Bebe (GAMBOO)

Sincerely,

Rev. Joseph D. Massucci
Principal

**We now leave for many places
With an awareness of personal individuality,
Appreciative of various freedoms,
And greatly enriched through knowledge,
faith, and friendships.
We go forward with confidence to challenge life,
And to create new paths of opportunity,
achievement, and fulfillment.**
